**CASTLE POINT BOROUGH COUNCIL LOCAL HIGHWAYS PANEL  
MINUTES – 6<sup>TH</sup> SEPTEMBER 2017 AT 15:00**

**COMMITTEE ROOM 1, CASTLE POINT COUNCIL OFFICES, KILN  
ROAD, BENFLEET, SS7 1TF**

<b>Chairman:</b>	Councillor Andrew Sheldon
<b>Panel Members:</b>	ECC Councillors Peter May and Jill Reeves.  CPBC Councillors Ray Howard (Vice-Chairman) and Tom Skipp.  ECC Councillor Beverley Egan also attended.  CPBC Councillors Alan Acott, Alf Partridge and Allan Taylor also attended.
<b>Officers:</b>	ECC: Sonia Church (Highway Liaison Manager) and Sarah Alcock (Highways Liaison Officer)  CPBC: Trudie Bragg (Head of Environment), Stuart Jarvis (Contracts Manager) and Ken Ward (Licensing Enforcement Officer - for the duration of the Benfleet Station item only)
<b>Secretariat:</b>	Cheryl Salmon

Item		Owner
1.	<b>Welcome and Introductions:</b>  Apologies for absence were received from ECC Councillor Dave Blackwell and CPBC Councillor Dick.	
2.	<b>Declarations of interest:</b>  There were none.	
3.	<b>Minutes of meeting held on 27<sup>th</sup> June 2017 to be agreed as correct record:</b>  The Minutes were agreed as a correct record.	

Item		Owner
4.	<p><b>Matters Arising from Minutes of the previous meeting:</b></p> <p><b>High Road, Canvey Island</b> Councillor Acott stated that he had received the report regarding the accident in which a vehicle had gone the wrong way along the one way system. The report had stated that there was no issue with the crossing at this location but Councillor Acott stated that the accident was nothing to do with the crossing, he believed it was due to the signage in the vicinity. Sarah Alcock to speak to Councillor Acott outside of the meeting to establish the issue.</p> <p><b>Benfleet Station Feasibility Study</b> Members had been asked by email on 11<sup>th</sup> August to agree an increase of £20,000 to complete the data collection and modelling required to fully investigate the impact of implementing a one-way system around Benfleet Station. All Panel Members had agreed and the scheme was now awaiting sign off by the Cabinet Member for Highways. The Chairman stated that as part of the study he had requested that a one-way system be looked at in both directions in the roads around the car park.</p>	SA
5.	<p><b>Approved Works Programme Update 2017/18:</b></p> <p>The Panel considered a report on all schemes which had been recommended at previous meetings and noted the budget summary for 2017/18. The following comments were made:</p> <p><i>LCAS161006 – High Road Benfleet</i> – SA explained that once the last beacon had been connected then the old columns would be removed.</p> <p><i>LCAS162053 – St Michael’s Road, Hadleigh</i> – An additional chevron had been recommended by the Road Safety Audit Team. The updated design document would be shared with the County Member.</p> <p><i>LCAS162055 – Kents Hill Road North junction with A13</i> - SA reported that the change to the stop line would now necessitate some works/changes to signals at the location. It was estimated that the additional cost would be £5,000. The Panel Members agreed to the additional cost.</p> <p><i>LCAS171001 – Link Road j/w Third Avenue, Canvey Island</i> - Panel Members queried the need for a new zebra crossing at the site as it had been suggested to move the zebra crossing at the junction with Dinant Avenue. SC explained that this was a Casualty Reduction Scheme which would be designed this financial year and brought back for consideration next year.</p>	

Item		Owner
	<p><i>LCAS162065 – Elsinor Avenue junction with Somnes Avenue – In response to questions it was explained that the investigation into improving the visibility of vehicles exiting Elsinor would take place in the fourth quarter of the financial year.</i></p>	
<p><b>6.</b></p>	<p><b>Potential Schemes List for consideration of Panel in 2017/18:</b></p> <p>The Panel reviewed the Potential Scheme List the following was agreed:</p> <p><b>Traffic Management</b></p> <p><i>LCAS172003 – Extension of Parking Bay, First Avenue, Canvey Island – Agreed to remove scheme. Due to the cost of the relocation of BT utility cover at the site the scheme would not be cost effective. As the issue related to Council/ECC Highways land TB/SJ to speak to housing to see if another solution could be found to the congestion and off road parking in First Avenue.</i></p> <p><i>LCAS172003 – Speeding Issues Poors Lane, Hadleigh – Agreed to remove the scheme as speed survey results show that it does not meet the criteria for traffic calming measures.</i></p> <p><b>Passenger Transport</b></p> <p>Councillor Howard questioned the material used in the bus shelters as the glass in the one at St Nicholas Church, Long Road, Canvey Island had been broken/shattered and it was thought the shelters were made of more robust materials. SA to check with design team and email Panel Members.</p> <p>Councillor Mrs Egan reported that many compliments had been received from residents regarding the newly installed shelter at Raymond’s Drive, Thundersley.</p> <p>Councillor May raised concern that local businesses had offered to install a new bus shelter in Long Road, Canvey Island providing they could advertise in it and had been told they would be made responsible for the bus shelter. SA to liaise with passenger Transport and find out if this is possible.</p>	<p><b>TB/SJ</b></p> <p><b>SA</b></p> <p><b>SA</b></p>
<p><b>7.</b></p>	<p><b>Appendix</b></p> <p><b>Highways Rangers</b></p> <p>SA explained that a list of works completed by the Rangers would be included in future agendas. Panel Members took opportunity to compliment the Rangers on all their hard work.</p>	

Item	Owner
<p><b>Section 106 Schemes</b> SA reported that one scheme was being delivered in relation to bus stops in Kiln Road Thundersley. SA to keep Panel updated on progress.</p> <p><b>Essex Way junction with Vicarage Hill, Benfleet</b> The Panel noted a report from the Casualty Reduction Team which set out suggested remedial measures to prevent collisions with the wall of a property at this junction. The skid resistance of the carriageway surface around the bend was to be checked by the Road Safety Engineering Team. The outcome would be reported back to the Panel.</p> <p>During discussion it was established that a trief kerb along the pavement was not a suitable solution as it would cause more harm to pedestrians and vehicles in the event of a collision. A roundabout was also not suitable given the size of the junction and restricted visibility at the location.</p> <p>Councillor Reeves reported that the current position of the bollards at the right hand turn lane into Vicarage Hill restricted the view of vehicles travelling up Essex Way.</p> <p>Councillor Reeves also requested that the “new road layout” sign in Vicarage Hill be removed as the works to the layout had been completed some time ago now.</p>	<p><b>SA</b></p> <p><b>SA</b></p> <p><b>SA</b></p>
<p><b>8. AOB</b></p>	<p><b>AS/AP</b></p> <p><b>SA</b></p>

	<p>consider ways this issue could be addressed for detailed discussion at the next meeting of the Panel.</p> <p><b>Mobile VAS</b> Further locations for the mobile VAS were requested from Panel Members. It was suggested that a yearly forward plan of locations would be helpful. Revisit Highway Panel Minutes to see previous locations.</p> <p><b>VAS Kents Hill Road North/ Thorney Bay Road, Canvey Island</b> Permanent VAS are not working. Both have been reported.</p> <p><b>Northwick Corner, Canvey Island</b> Councillor Acott reported there was a very narrow footpath outside the car wash and the overgrown brambles were making it difficult to walk along. It was suggested the Highway Rangers could clear the brambles.</p> <p><b>Highways Panel - New Website Page</b> A new web page had been designed which contained a guide book and scheme request forms. Training would be given on how to navigate at the Members workshop in October.</p>	<p><b>Panel</b></p> <p><b>Panel</b></p> <p><b>SJ</b></p>
<p><b>9.</b></p>	<p><b>Date of next meeting:</b></p> <p>23<sup>rd</sup> January 2018</p>	

## CASTLEPOINT BOROUGH COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 23<sup>rd</sup> JANUARY 2018 REPORT 1- 2017/18 APPROVED WORKS PROGRAMME BUDGET SUMMARY

It is envisaged that the 2018/19 Capital budget for the Castle Point LHP will be the same as that in 2017/18 (£228,675), though this will be finalised by ECC at their full Council meeting in February 2018. The Panel will need to review those schemes within the Rolling Programme and agree those for inclusion for delivery in 2018/19.

Members are reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost could change significantly dependant on issues which may arise especially during detailed design and construction. The estimated scheme costs on both the Rolling Programme and the Potential Scheme List have been reviewed and adjusted as necessary to reflect this.

Additionally at this stage, we have not been notified of the Safer Roads schemes that will need to be progressed within the Borough in 2018/19. Our Safer Roads team are currently preparing their 2018/19 programme with a view to finalising it by the end of January 2018.

The 2018/19 Castle Point LHP Capital Budget summary is as follows:

<b>Budget Summary 2018/19</b>	
2018/19 Capital Budget TBC	£228,675
Schemes prioritised by Rolling Programme	£114,500
Re-profiled schemes from 17/18 to 18/19	TBC
Safer Roads Schemes	TBC
Feasibility Studies & Detailed Designs	TBC
2018/19 Capital Budget still to allocate	£114,175

14	LCAS142012	Roscommon Way, Canvey	Canvey Island	Quarter 4	Feasibility	Signage Review	£10,000	Feasibility study still on schedule to completed in quarter 4.
15	LCAS152024	Castle Point Schools 20mph review	Borough Wide	Quarter 4	Feasibility	Feasibility to look at implementing 20mph restrictions outside school locations	£10,000	Site visits to be completed with Network Assurance, HLO and Design Engineers on 1st February 2018. Feasibility study still on schedule to completed in quarter 4.
<b>Approved Schemes - For 2018/19 Rolling Programme</b>								
16	LCAS162063	Parkfields, Hadleigh- Feasibility for parking bays	Hadleigh	2018/19	Feasibility	Feasibility study to look at possibility of converting grassed areas into parking bays	£6,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
17	LCAS168001	Footpath 10 Canvey Island	Canvey Island	2018/19	Total Scheme	New footpath edging and surface	£26,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
18	LCAS168002	Footpath 15 and 17, Benfleet- Footway improvements	South Benfleet	2018/19	Total Scheme	New footpath edging and surface	£26,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
19	LCAS162012	Broughton Road, Hadleigh- One Way System	Hadleigh	2018/19	Implementation	Reversal of one way system	£9,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
20	LCAS165002	Rivers Corner - IM239b	South Benfleet	2018/19	Total Scheme	Replacement bus shelter	£8,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
21	LCAS165004	Limetree Avenue - 41011003	South Benfleet	2018/19	Total Scheme	Replacement bus shelter	£8,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
22	LCAS165005	Cemetery Corner IM1950b (High Road)	South Benfleet	2018/19	Total Scheme	Replacement bus shelter	£8,500	This has been highlighted as a priority by Passenger Transport.
23	LCAS165007	Woodmans Arms - 41004001	South Benfleet	2018/19	Total Scheme	Replacement bus shelter	£8,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
24	LCAS165009	South Road 41013011	South Benfleet	2018/19	Total Scheme	Replacement bus shelter	£8,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
25	LCAS154001	Essex Way cycle lane	South Benfleet	2018/19	Design	Detailed design and risk assessment (RSA2) to confirm safety and costs of option 3 as recommended in Essex Way cycle lane feasibility study.	£4,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.

## CASTLE POINT BOROUGH COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 23rd JANUARY 2018 REPORT 2 - POTENTIAL CAPITAL SCHEMES

At the September LHP meeting the panel reviewed all of the schemes on the Potential Schemes List and agreed to each schemes inclusion or removal. The following pages contain a full list of all of the current potential schemes for the Panel's consideration.

At this stage the Panel are encouraged to allocate schemes up to the value of the budget minus the £114,500 already allocated from the Approved Schemes List. This leaves a final allocation from the Potential Schemes List of £114,175

### 2017/18 Potential Schemes

Scheme Type	Total Estimated Costs
Traffic Management	£46,000
Walking	£0
Passenger Transport	£150,500
Cycling	£0
Public Rights of Way	£0
Schemes Agreed from the Approved Schemes List	£114,500
<b>Total</b>	<b>£311,000</b>

**CASTLE POINT BOROUGH COUNCIL WITH ESSEX COUNTY COUNCIL  
LOCAL HIGHWAY PANEL – 23<sup>RD</sup> JANUARY 2018**

**POTENTIAL CAPITAL SCHEMES KEY**

The following list identifies all of the scheme requests which have fed into the Castle Point LHP. The RAG column acknowledges what the status of the scheme request is as below:

= The scheme has been validated as being feasible and is available for consideration.

= The scheme has been commissioned for a feasibility study and is awaiting completion before consideration and allocation can be undertaken.

= The scheme request is against ECC criteria.

= A scheme request has been received and is in the initial validation process.

Traffic Management

Total Value of schemes	£46,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	St Johns Road, Benfleet- Signage Review	Review of signs on and around St Johns Rd involving removal of redundant posts and re-siting/re-positioning of those signs which are currently incorrectly located	Members are unhappy with the unclear and untidy signage on and around St Johns Road.	Benfleet	Total scheme	LCAS162052	£20,000	Recommended to remove all redundant posts and re-siting/re-positioning of those signs which are currently incorrectly located.	G
2	Church Road/ Spencer Road outside Robert Drake School- Bollards	Installation of bollards and reinstatement of a newly designed raised table as per the recommendations of the feasibility study	The raised junction at Church Road/Spencer Road has been a concern for local residents for some time and the source of numerous complaints for ECC. These complaints revolve around the profile and gradient of the raised table and the consequent vibrations caused by passing HGV's	Benfleet	Implementation	LCAS162003	£26,000	Panel decision required to proceed with the scheme recommendations from feasibility study.	G
3	Borough Wide- 20 mph Restrictions	Implementation of 20mph restrictions outside school locations	Concerns of speeding outside schools	Borough Wide	Implementation	LCAS162024	TBC	Awaiting the completion of the feasibility study into 20's outside the Castle Point schools to identify possible ways to progress.	A
4	Canvey Island Town centre - Regeneration Study	Study to look at improving the centre area of Canvey in the vicinity of Furtherwick Road and Long Road heading north to the High Street	Castle Point Borough Council are looking at regeneration possibilities and which traffic features are no longer relevant or can be upgraded	Canvey Island	Feasibility	LCAS162061	TBC	HLO and Design Engineer meeting with CPBC Officer to discuss and agree approach for progressing this potential scheme 19th January. Update to be provided to the panel at the LHP meeting on the 23rd January.	V
5	Seymour Road junction with The Avenue	Scheme to look at improving the junction to prevent vehicles over running the junction	Concerns with vehicles over running the junction with The Avenue	Hadleigh	Feasibility	LCAS172006	TBC	In validation.	V
6	Roscommon Way	To implement recommendations from feasibility study to update signage to divert HGV's to use Roscommon Way	HGV's are still driving through the town/ via Haven Road instead of using Roscommon Way	Canvey Island	Implementation	LCAS172007	TBC	Awaiting the completion of the feasibility study to identify possible ways to progress.	A
7	Elsinor Avenue junction with Somnes Avenue- Improve Visibility	Implementation of recommendations of feasibility study to look at improving the visibility of vehicles exiting Elsinor Avenue	Sight line of vehicles exiting Elsinor Avenue restricted on approach to the roundabout	Canvey Island	Implementation	LCAS172008	TBC	Awaiting the completion of the feasibility study to identify possible ways to progress.	A
8	All routes surrounding Manor Trading Estate	Implementation of recommendations from feasibility study and detailed design to provide full review of HGV signage on routes leading to and from Manor Trading Estate	The signing of Manor Trading Estate from the A13 directing traffic down Manor Road rather than nearby primary/secondary distributor routes, which are more suited to cope	South Benfleet	Implementation	LCAS172009	TBC	Awaiting the completion of the feasibility study to identify possible ways to progress.	A
9	Benfleet Station - Feasibility Study	Implementation of recommendation from study to look at improving the traffic movements around the station	Congestion at peak times due to the vehicles waiting to pick up passengers	South Benfleet	Implementation	LCAS172010	TBC	Awaiting the completion of the feasibility study to identify possible ways to progress.	A
10	Seamore Avenue -j/w Church Road	Request for traffic calming	Concerns over perceived speeding and parking congestion of vehicles in Seamore Avenue, that is used as a rat run	Benfleet	Implementation	LCAS172011	TBC	The speed survey results were as follows;  South bound average 25 mph, North bound average 23.1mph.  The results would indicate that there is not a generic speeding problem along Seamore Avenue and therefore doesn't meet the criteria for traffic calming measures.	R

Traffic Management

Total Value of schemes	£46,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
11	Rushbottom Lane and Woodside Avenue j/w Oakwalk	Request for Zebra crossing on Woodside Avenue j/w Oakwalk and traffic calming along Rushbottom Lane and Woodside Avenue	Concerns of safety of pedestrians crossing the road from the playing field opposite Oakwalk and perceived speeding issues on Woodside Avenue and Rushbottom Lane	Benfleet	Feasibility	LCAS172012	TBC	The Speed survey results were as follows: Woodside Avenue East bound average 23.6 mph, West bound average 23.4mph. Rushbottom Lane North East bound average 28.4 mph, South West bound average 26.6 mph. The results would indicate that there is not a generic speeding problem along Woodside Avenue or Rushbottom Lane and therefore doesn't meet the criteria for traffic calming measures.	R
12	Maple Way, Canvey - Traffic Calming	Request for traffic calming	Concerns over perceived speeding of vehicles along Maple Way, recent speeding vehicle crashed into a parked car	Canvey Island	Feasibility	LCAS172013	TBC	Awaiting speed survey results.	v
13	Church Road outside Robert Drake School- Bollards	Request for additional guard rail on the corner by the staff car park, to prevent cars mounting the pavement	Concerns made by the Borough and County Councillors that a gap in the guard railing by the staff car park creates a potential access point for a car to mount the pavement and be a danger to the school children and parents	Thundersley	Feasibility	LCAS172014	TBC	In validation.	v
14	Rectory Road Hadleigh - keep clear	Request for keep clear road marking outside 81 Rectory Road	Resident request for keep clear marking outside 81 Rectory Road to enable them to exit and enter their newly installed drive way	Hadleigh	Feasibility	LCAS172015	TBC	Against officer recommendation, the property is too close to the stop line by the traffic lights at the j/w New Road, if keep clear markings were installed to keep the residents driveway clear it would push the stop line back too far for cars waiting at the lights. There are lots of properties with dropped kerbs for driveway access along Rectory Road and no keep clear markings have previously been installed.	R
15	Hilton Road Canvey - bollards	Request for bollards or Knee Rail to be installed to resolve the issue of parking on the verge, Knee Rail is used elsewhere in Hilton Road	Parking on verges in Hilton Road, Canvey Island at the junctions with Sussex Way and Brookside are damaging the verge and concern raised it is causing possible damage to underground services	Canvey Island	Feasibility	LCAS172016	TBC	In validation.	v

## Walking

Total Value of schemes	£0
------------------------	----

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Southfield Drive Hadleigh - dropped kerbs	Request for dropped kerbs at southern end of Southfield Drive	This was identified during a walk in the local area with a visually impaired resident following representation at a Highway surgery meeting	Hadleigh	Feasibility	LCAS173001	TBC	In validation.	V
2	Lionel Road Canvey - dropped kerbs	Request for dropped kerbs at Lionel Road (near Wood's hairdressers)	There is already one at the shops (near Wood's hairdressers) but not on the other side which means that people with children in pushchairs/prams or wheelchairs electric buggies will have to walk on the road and there is a blind bend making it unsafe for pedestrians	Canvey Island	Feasibility	LCAS173002	TBC	In validation.	V
3	Cedar Road, Thundersley- dropped kerbs	Request for dropped kerbs at junction of Hart Road and Cedar Road	Dropped kerbs required at junction of Hart Road and Cedar Road to enable mobility scooter users to cross Cedar Road	Thundersley	Feasibility	LCAS173003	TBC	In validation.	V
4	Link Road Canvey- Crossing	Request for some kind of crossing/pedestrian refuge and reduce speed signage	Concerns of pedestrian safety due to speed of vehicles, crossing the road on Link Road Canvey Island between First Avenue and the 2 Bus stops. Particularly as there is sheltered accommodation in the vicinity and the elderly residents that use the bus service	Canvey Island	Feasibility	LCAS173004	TBC	In validation.	V
5	Baardwyk Avenue Canvey - foot path	Request for traffic calming and footway outside no 2 Baardwyk Avenue	Resident of No 2 Baardwyk avenue has had 3 cars in 18 months come through her garden and house causing damage to her property. The resident is in a wheel chair and is scared to come out of her house as there is no footpath she has to go straight into the road	Canvey Island	Feasibility	LCAS173005	TBC	In validation.	V

Passenger Transport

Total Value of schemes	£150,500
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Rose Road 41019006 (Long Road)	Replacement bus shelter	In need of replacement as it is not possible to undertake any maintenance to this shelter to prolong it's lifecycle	Canvey Island	Total scheme	LCAS165011	£8,500	This has been highlighted as a priority by Passenger Transport.	G
2	Seaview Road 41024001 (Eastern Esplanade)	Replacement bus shelter	In need of replacement as it is not possible to undertake any maintenance to this shelter to prolong it's lifecycle	Canvey Island	Total scheme	LCAS165013	£8,500	No funding from other sources available, replacement still required.	G
3	Seaview Road Im235 (Eastern Esplanade)	Replacement bus shelter	In need of replacement as it is not possible to undertake any maintenance to this shelter to prolong it's lifecycle	Canvey Island	Total scheme	LCAS165014	£8,500	No funding from other sources available, replacement still required.	G
