Cyclists’ training

Cyclist Training is widely available throughout the county for cyclists of all ages and abilities.

Whilst it is offered to all primary schools in Essex for year 6 pupils either as part of the Essex Cyclist Training Scheme or the new National Standards ‘Beeability’ Training, older children and adults can also take part as individuals.

Both schemes will provide training in real on-road situations with a hazard awareness approach. If you are interested in finding out more about the training that is available please contact recycle@essex.gov.uk or telephone Essex County Council Roads Safety Team on 0845 603 7631.

Chelmsford Museum

Tells the story of Chelmsford from the Ice Age to present day. With a variety of events and activities taking place throughout the year, there is something for all the family to enjoy, including the ever popular live beehive. At Sandford Mill the industrial heritage collection is on display and can be viewed at one of the regular open days.

For more information visit www.chelmsford.gov.uk/museums

Writtle College

Established in 1893, Writtle College is one of the oldest and largest specialist colleges supporting careers focused on Business and the “Green Industries”. The college is also available for private functions and offers accommodation throughout the year. For more information visit www.writtle.ac.uk

Hylands Park

A beautiful Grade II listed neo-classical villa, set in over 500 acres of parkland, including an ancient Victorian periods may be viewed.

A full programme of events takes place in the House and adjacent Pleasure Gardens. Hylands Park is the perfect backdrop for the renowned “c” concerts that have provided the best of contemporary rock and pop music live over one weekend in August each year since 1996.
