

**The Essex County Council (Brentwood Borough) (Prohibition of Waiting,
Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area)
(Amendment No.31) Order 202***

The property owner of 67A Warley Hill has been granted permission to create a new driveway access. The property already has a hardstanding area suitable for parking.

As a result, there is the need to remove the limited public parking space at the front of this dwelling for accessibility. To install the new access, one public on-street parking space will need to be removed. however, the applicant currently parks their vehicle within this area of parking therefore the ratio between the number of vehicles and the number of parking spaces will not be altered and any significant change in parking behaviour is not anticipated.
