1.	Welcome and Introductions The Chairman welcomed those present.	
2.	Apologies for Absence Apologies for absence were received from Claire Harris, Chelmsford City Council.	
3.	Minutes of Previous Meeting The minutes of the meeting on 13 March 2018 were agreed as a correct record.	

<p>4.</p>	<p>Matters Arising from Minutes of the Previous Meeting</p> <p><i>LCHE172023 – High Street, Chelmsford</i> – Officers of the County and City Councils were in discussion about linking this scheme with planned public realm works in Tindall Street.</p> <p><i>LCHE142019 A1245/A32 RAB Rettendon</i> – Councillor Ride had been given the information requested.</p> <p><i>LCHE171004 Pump Lane j/w Crocus Way, Springfield</i> – It had been ascertained that there would be no duplication of work and expenditure on this scheme</p> <p><i>LCHE181002 A1016 Westway j/w Robjohns Road</i> – It was intended to look at whether a detector loop would be best for this location before considering a box junction. Councillor Deakin pointed out, however, that a box junction was already there. Officers would investigate further and keep Councillor Deakin informed.</p> <p><i>LCHE162060 Springfield Green, Springfield</i> – Councillor Mackrory would be kept informed with progress on this scheme</p> <p><i>LCHE162143 Copperfield Road j/w Dickens Place</i> – The Panel was told that these were two distinct and independent schemes. It was pointed out, however, that the cycleway from the Persimmon development would cross Copperfield Road at the zebra crossing before continuing on the other side and therefore the possibility existed of combining LHP and Section 106 funds to create a comprehensive scheme that would include improving the visibility of the crossing. The normal criteria for the provision of Halo lights at pedestrian crossings at casualty reduction sites were not met in this instance.</p> <p>It was requested that:</p> <ul style="list-style-type: none"> (a) the Panel write to the Cabinet Member to clarify the policy around the use of Halo crossing lights and whether they could be provided at this site; and (b) in the meantime it be determined who is responsible for maintaining the trees near the crossing and they be requested to cut them back to improve its visibility. <p><i>LCHE172025 – A114 London Road nr Britvic RAB</i> – There was no Section 106 money available for this scheme and no affordable alternative to providing either a signalled crossing or underpass. Councillor Deakin said that she would discuss with officers the possibility of using CIL funds for some form of crossing.</p>	<p>JS</p> <p>JS</p> <p>DM</p> <p>JS</p>
------------------	---	---

	<p>suggested that the drainage improvements be co-ordinated with any planned resurfacing work to Victoria Road.</p> <p><i>LCHE172023 High Street, Chelmsford</i> – It was anticipated that the police would be willing to enforce the TROs once the correct signage was in place.</p> <p><i>LCHE162104 Well Lane to The Heights, Danbury</i> – Councillor Ambor thought it likely that the proposed scheme would only work if the width of the road was reduced to prevent parking on both sides. Nonetheless, option was preferred.</p> <p>It was AGREED that the recommendations in the detailed schemes for <i>LCHE162059 North Avenue, Chelmsford, LCHE162039 Highwood Road, Edney Common, LCHE162038 Highwood Road, Loves Green and LCHE152057 Old Moulsham</i> be approved.</p> <p>The Panel AGREED to a suggestion by officers that the detailed information required for some schemes should in future be sent electronically to local County and City Council members for comments when they are received from the designers.</p>	SC
6.	<p>Potential Schemes List</p> <p>The Panel was requested to review the current Potential Schemes List and remove any that it did not wish to consider for future funding.</p> <p>AGREED that the Potential Schemes List be confirmed without change.</p>	
7.	<p>Highways Rangers and 2018/19 Revenue Spend Updates</p> <p>The Panel considered a summary of the Chelmsford City Highways Rangers work programme for January to March 2018 and details of the Panel's revenue budget for 2018/19.</p> <p>AGREED that the Highways Rangers Update report be noted.</p>	
8.	<p>Section 106 Update</p> <p>The Panel received an update on Section 106 highway schemes.</p> <p>AGREED that the Section 106 Update report be noted.</p>	
9.	<p>Other Business</p> <p><i>School Crossing Patrols</i></p>

CHELMSFORD CITY LOCAL HIGHWAY PANEL POTENTIAL SCHEMES LIST (Version 37)

This Potential Scheme List identifies all of the scheme requests which have been received for the consideration of the Chelmsford City Local Highways Panel.

At the June 2018 Panel meeting a decision was made to form a Sub-Group to prioritise schemes that could be funded through additional match funding. The Sub-Group met in July 2018 and considered the schemes on the Potential Scheme List, they then prioritised schemes to a value of £200,700. The Panel are asked to review the Sub-Group scheme prioritisations and subject to the match funding being agreed, these can then be added into the 2018/19 Approved Works Programme.

There are currently potential schemes with an estimated cost of £1,891,250 as shown in the summary below -

Potential Schemes List (Version 37)

7	Essex Records Office, Chelmsford	Signage improvements to (1) vehicular access to ERO on Navigation Road and (2) outside pedestrian entrance to ERO	Lack of signage	Councillor	Chelmsford Non Parished	Total scheme	LCHE142085	£500	Validation - Site (2) agreed and Site (1) not necessary as building visible from location. Section 106 monies to be considered if available	G	
8	Park Avenue, Chelmsford	Cars mounting pavement causing conflict with pedestrians	Cars park on one side of road and when two vehicles try to pass, they routinely mount the pavement	Councillor	Chelmsford Non Parished	Total Scheme	LCHE152016	£7,800	Validation - Bollards could lead to vehicles having to reverse to allow passing. Recommendation is for waiting restrictions to create passing places	G	P
9	29-59 North Avenue, Chelmsford	Improved parking	Lack of residents parking	Residents	Chelmsford Non Parished	Feasibility	LCHE152095	£5,000	Validation - Option to encourage residents to apply for dropped kerbs and park on their frontage and Feasibility Study/Design into creating parking within adjacent green area	G

11	Admirals Park Estate, North-West Chelmsford (Boarded Barns)	20mph zone	Speed of vehicles	Councillor	Chelmsford Non Parished	Total scheme	LCHE152115	TBC	In validation - Four ATC carried out - Corporation Road - 30mph speed limit - East bound 26.7mph & West bound 27.4mph, Swiss Avenue - 30mph speed limit - East bound 25.5mph & West bound 27.4mph, Langton Avenue - 30mph speed limit - South bound 25.4mph & West bound 24.6mph, Kings Road - 30mph speed limit - Southwest bound 25.4mph & Northeast bound 26.1 mph. Good compliance with existing 30mph speed limit. Remaining 26 ATC will cost £6,500. Need to await impact of Old Moulsham 20 mph speed limit.	V	
12	Magistrates Court, New Street, Chelmsford	Directional signs to Magistrates Court	Lack of directional signs to Magistrates Court	Councillor	Chelmsford Non Parished	Total scheme	LCHE162140	£6,000	Validation - Feasible to install directional signage on existing street furniture from Bus/Train station to Magistrates Court. Possible Wayfinder scheme also being implemented by CCC may cover this signage request	G	P
13	Stump Lane, Chelmsford	Footway improvements	Narrow footway for pedestrians over railway bridge	Councillor	Chelmsford Non Parished	Feasibility	LCHE152126	£5,000	Validation - Recommends Feasibility Study into priority working and to then consider footway widening	G	
14	Copperfield Road j/w Dickens Place, Chelmsford	Traffic management improvements	Speed of traffic	Councillor	Chelmsford Non Parished	Survey	LCHE162143	£500	Validation - Results of speed survey at two locations - Eastbound 30.0mph & 29.7mph Westbound 30.9mph & 27.6mph. Good compliance with posted 30mph speed limit. Copperfield Road is a Priority Route 2 and Dickens Place is a Local Road, traffic flow priority would be on the PR2. Would be against policy (Traffic Management Strategy) to hold up traffic on a PR2. September 2016 - Joint site visit carried out and new automatic traffic count carried out - 35m E of Nickleby Road - 30mph limit - East bound - 29.6mph & West bound - 30.6mph. Good compliance to speed limit, some evidence of speeding during hours of darkness. Road is a Priority Route 2 and a mini-roundabout would be against policy. Suggestion is to carry out Road Safety Assessment	G	
15	Chelmsford College, Vicarage Road, Chelmsford	Pedestrian/vehicular improvements to College Access	Cars parking too close to College access and no defined pedestrian dropped kerbs	Councillor	Chelmsford Non Parished	Total scheme	LCHE162167	£9,500	Validation - Formalise crossing point, remove KEEP CLEAR road marking and implement double yellow lines across junction	G	P
16	O/s Parade of shops, 90-106 Kings Road, Chelmsford	Parking improvements - echelon parking	Lack of parking for shops	Councillor	Chelmsford Non Parished	Design	LCHE152004	£2,000	Validation - suggests that if echelon parking were introduced this could increase available parking by 10 spaces though scheme costs could be high, recommendation for detailed design which will also provide target costs. Dec 17 removed from 2017/18 Rolling Programme and returned to Potential Scheme List	G	P
