## Duty to Consult on Street Tree Felling

Consultation Number: COLSTB038449

Notice was given under S115 of the Environment Act 2021 and 96A of the Highways Act 1980 that this tree is proposed to be felled.

No objections have been received in relation to COLSTB038449 and having reviewed all reasonable alternative solutions, we find that felling is necessary for the scheme to be delivered.

Replacement planting will be carried out in the next available planting season after the scheme has been completed (November to March inclusive) and will be maintained to aid establishment of the young trees.

Date of decision notice: 19 October 2026
