

Dear Resident / Business Owner

Harlow Sustainable Transport Corridor – Crown Gate and Velizy Avenue Northbound

Road Closure – Crown Gate and Velizy Avenue Northbound

On behalf of Essex County Council, Bouygues UK Ltd are undertaking essential works on Crown Gate and Velizy Avenue as part of the Harlow Sustainable Transport Corridor project.

As part of these works, the following two nighttime road closures will be taking place:

- **Crown Gate will be closed between Velizy Avenue and Terminus Street from 8pm on Saturday 5th of July until 5am on Sunday 6th of July 2025**
- **Velizy Avenue will be closed northbound, between the Water Gardens roundabout and the Velizy roundabout, from 8pm on Sunday 6th of July until 5am on Monday 7th of July 2025. Due to the nature of this closure, there will be no access into Crown Gate or Post Office road during this closure period.**

This closure is needed to ensure public and workforce safety while road resurfacing work takes place in Crown Gate and Velizy Avenue. Please note that these works are weather dependent, and dates may change subject to weather conditions.

Please note that there will be no access for vehicles, including the Emergency Services, during this closure period. A map detailing the closure location is provided below.

A certain amount of inconvenience is inevitable with work of this type, and we greatly appreciate your patience whilst the works are being undertaken. This work will unavoidably create some noise, but we will endeavour to keep particularly noisy operations before 22:00 hours each evening. We apologise for any disturbance caused during this essential work and wish to assure you that we will undertake these works as efficiently and quickly as possible.

For further information, updates relating to this closure, and to check on any future closures and works taking place during the project, please refer to the following:
