

Dear Resident / Business Owner

Harlow Sustainable Transport Corridor: Edinburgh Way and Fifth Avenue – Zelenskyy Avenue A1019

Road Closure: Edinburgh Way and Fifth Avenue – Zelenskyy Avenue A1019

On behalf of Essex County Council, Bouygues UK Ltd are undertaking essential works on Edinburgh Way and Fifth Avenue – Zelenskyy Avenue A1019 as part of the Harlow Sustainable Transport Corridor project.

As a result of these works, the following road closures will be taking place:

- **Both the eastbound and westbound carriageway on Edinburgh Way, between the Toby Carvery Roundabout to the Burnt Mill Roundabout. This closure will last for one night, from 8pm on Friday 4th of July to 5am on Saturday 5th of July 2025.**
- **Both the northbound and southbound carriageway on Fifth Avenue – Zelenskyy Avenue A1019 between the Burnt Mill Roundabout and the Sainsbury's Roundabout. This closure will be in place across the weekend, from 5am on Saturday 5th of July to 8pm on Sunday 6th of July 2025.**

The road closures on Edinburgh Way and Fifth Avenue – Zelenskyy Avenue A1019 are required to carry out surfacing work, with closures in both directions of each road needed to ensure public and workforce safety. Please note that these works are weather dependent, and dates may change subject to weather conditions.

Due to the nature of this work, there will be no access for vehicles on Edinburgh Way and Fifth Avenue – Zelenskyy Avenue A1019 during their respective closure periods, however access will be maintained for the emergency services in the event of an emergency. There will be clearly signed diversion routes during these closure periods, with maps detailing the closure locations and diversion routes detailed below.

A certain amount of inconvenience is inevitable with work of this type, and we greatly appreciate your patience whilst the works are being undertaken. This work will unavoidably create some noise, but we will endeavour to keep particularly noisy operations before 22:00 hours each evening. We apologise for any disturbance caused during this essential work and wish to assure you that we will undertake these works as efficiently and quickly as possible.

For further information, updates relating to this closure, and to check on any future closures and works taking place during the project, please refer to the following:
