

Dear Resident / Business Owner

Harlow Sustainable Transport Corridor: Fifth Avenue – Zelenskyy Avenue A1019

Road Closure: Fifth Avenue – Zelenskyy Avenue A1019

On behalf of Essex County Council, Bouygues UK Ltd are undertaking essential works on Fifth Avenue – Zelenskyy Avenue A1019 as part of the Harlow Sustainable Transport Corridor project.

As a result of these works, a road closure will take place in both directions on Fifth Avenue – Zelenskyy Avenue A1019 between the Burnt Mill Roundabout and the Sainsbury's Roundabout.

This closure will begin at 8pm on Friday 24th of October, with Fifth Avenue – Zelenskyy Avenue A1019 remaining closed until 5am on Monday 27th of October 2025.

The road closure on Fifth Avenue – Zelenskyy Avenue A1019 is required to carry out surfacing on both the northbound and southbound carriageways, with a full closure in both directions needed to ensure public and workforce safety. Please note that these works are weather dependent, and dates may change subject to weather conditions.

Due to the nature of this work, there will unfortunately be no access for vehicles, including the emergency services, during this closure of Fifth Avenue – Zelenskyy Avenue A1019. However, there will be a clearly signed diversion route throughout this closure period, with a map detailing the closure location and diversion route detailed below.

A certain amount of inconvenience is inevitable with work of this type, and we greatly appreciate your patience whilst these works are being undertaken. Unfortunately, this work will unavoidably create some noise, and we sincerely apologise for any disturbance caused. We wish to assure you that we will undertake these works as efficiently and quickly as possible.

For further information, updates relating to this closure, and to check on any future closures and works taking place during the project, please refer to the following:
