

Dear Resident / Business Owner

Harlow Sustainable Transport Corridor – Fourth Avenue

Road Closure – Fourth Avenue

On behalf of Essex County Council, Bouygues UK Ltd are undertaking essential works on Fourth Avenue as part of the Harlow Sustainable Transport Corridor project.

As part of these works, night closures will take place on Fourth Avenue at the following dates and times:

- **Thursday 12th June, 8pm – 5am: Eastbound from the North Gate Roundabout to the Velizy Roundabout**
- **Friday 13th June, 8pm – 5am: Westbound from the Velizy Roundabout to North Gate Roundabout**

This closure is needed to ensure public and workforce safety during the installation of drainage and ducting on Fourth Avenue. Please note that these works are weather dependent, and dates may change subject to weather conditions.

Due to the nature of these works, there will be no access for vehicles, including the emergency services, but there will be clearly signed diversion routes during this closure period. Please find below two maps detailing the closure locations and diversion routes.

A certain amount of inconvenience is inevitable with work of this type, and we greatly appreciate your patience whilst the works are being undertaken. These works will unavoidably create some noise, and we will endeavour to keep particularly noisy operations to a minimum during these closure times. We apologise for any disturbance caused during this essential work and wish to assure you that we will undertake these works as efficiently and quickly as possible.

For further information, updates relating to this closure, and to check on any future closures and works taking place during the project, please refer to the following:
