

Dear Resident / Business Owner

Sustainable Transport Corridor - Hammarskjold Road

Road Closure - Hammarskjold Road

On behalf of Essex County Council, Bouygues UK Ltd are undertaking essential works on Hammarskjold Road as part of the Sustainable Transport Corridor project.

As part of these works, Hammarskjold Road, from the Sainsbury's roundabout junction down to Torkildsen Way, will be closed between **Monday 9th September 2024 to Friday 29th November 2024**.

A road closure will be required to ensure both the safety of the public and work force. Please note that these works are weather dependent, and dates may change subject to weather conditions.

Please note that there will be no access for vehicles, including emergency vehicles, due to open excavations across the carriageway, but there will be clearly signed diversion routes during these works. Please see below for a map detailing the closure location and diversion routes.

A certain amount of inconvenience is inevitable with work of this type, and we greatly appreciate your patience whilst the works are being undertaken. These works will unavoidably create some noise, and we will endeavour to keep particularly noisy operations to within daylight hours. We apologise for any disturbance caused during this essential work and wish to assure you that we will undertake these works as efficiently and quickly as possible.

For further information, updates relating to this closure, and to check on any future closures and works taking place during to project, please refer to the following:
