

ADVANCE NOTICE: Temporary closure of Footpath 200 and Bridleway 201, 10 July to 31 July 2017

In order to support cycle route improvements to the Lexden Road scheme, temporary closures of Footpath 200 and Bridleway 201 are necessary to enable signing and guardrail installations to be undertaken, as well as widening and surfacing works.

Footpath 200 will be closed from its junction with Queens Road to its junction with Park Road.

Bridleway 201 will be closed from its junction with Norman Way, east for a distance of approximately 35 metres.

Please be aware that the dates may be subject to change as the works are weather dependent. The latest updates will be made available on site signage, and updated to the Lexden Road Improvement Scheme webpage found at: www.essex.gov.uk/majorschemes.

Thank you for your patience while we undertake these works.
