

Construction Work Notice (Night Works)

20th July 2017

Dear Sir/ Madam

Advance information: A1168 Chigwell Lane/Langston Road, Loughton Improvement Scheme

We would like to inform you of the proposed overnight road works along the **A1168 Chigwell Lane and Rectory Lane** to complete the carriageways widening works. This will include concrete slab repairs, resurfacing, installation of high friction surfacing and road marking.

These works are currently planned from the night of Monday 24th July; and could last up to five weeks.

In order to minimise the disruption in the area during the day time, it has been necessary to undertake these works between 8pm and 5am. We will endeavour to complete the noisiest operations before the midnight where possible but less noisy operations will continue throughout the times specified.

Every effort will be made to keep disturbance to a minimum level as possible and to keep to the above dates, however the program for the works are subject to change if poor weather conditions or other technical difficulties are encountered.

Thank you for your patience as these works progress. Further information about the improvement scheme, including the latest updates can be found on the Essex Highways website:

<http://www.essexhighways.org/Transport-and-Roads/Highway-Schemes-and-Developments/Other-Schemes/A1168-Chigwell-Lane-Langston-Road.aspx>

Should you have any concerns or questions about the above arrangements, please do not hesitate to contact me on 07500 860 222 during office hours. 24 hrs Emergency contact number is 07710 077 737.

Yours faithfully

Josh Budd
Project Manager
