

Salary Bridge, Elmstead Road, Colchester

A temporary lane restriction was introduced on Salary Bridge, Elmstead Road in November 2016 after inspections found one of the three brick arches underneath the structure to be suffering from deterioration.

Preparations have been made for strengthening works and defect repairs to be undertaken and these are scheduled to begin week commencing 24 July 2017, taking approximately 10 weeks to complete.

Dates may be subject to change if hindered by poor weather or unexpected issues.

During the works, adjustments will be made to the traffic management so please take additional care when passing through the area and observe local signage.

A pedestrian route across the bridge and access to properties will be maintained throughout the works.

It is necessary for barriers and a lane restriction to remain in place for the safety of the public and the workforce until the works are complete.

Information about the scheme is available via the website:
www.essex.gov.uk/highways, search for Information & Applications/Highway Schemes & Developments/ Other Schemes.

If you have any queries please contact us by email: contact@essex.gov.uk or telephone 0345 603 7631.
