-  Any member of the public wishing to attend the Basildon Local Highways Panel (LHP) must arrange a formal invitation from the Chairman no later than 1 week in advance. Any public questions should be submitted to the Highways Liaison Officer no later than 1 week before the LHP meeting date; [will.price@essexhighways.org](mailto:will.price@essexhighways.org)

**BASILDON LOCAL HIGHWAYS PANEL MINUTES – 10th July 2017,  
2pm**

**Committee Room 5, County Hall.**

<b>Chairman:</b>	Councillor Richard Moore
<b>Panel Members:</b>	Councillor Stephen Hillier, Councillor Kerry Smith, Councillor Malcolm Buckley, Councillor Jeff Henry, Councillor Tony Ball (from 2.45pm)
<b>Officers:</b>	Will Price (Highways Liaison Officer), David Gollop (Design Manager)
<b>Secretariat:</b>	Chloe Wood (Intern)

Item		Owner
1.	<p><b>Welcome and Introductions:</b></p> <p>Councillor Moore gave Councillor Ball's apologies for late arrival. It was also noted that Councillor Reid may have been on holiday. Councillor Buckley raised the issue of future meeting dates and asked that they be confirmed. The next meeting was set as 25<sup>th</sup> September with further dates to be circulated via email.</p>	
2.	<p><b>Declarations of interest:</b></p> <p>Councillor Buckley noted there was a potential scheme on the road where he resides.</p>	
3.	<p><b>Minutes of meeting held on 21<sup>st</sup> March 2017 to be agreed as correct record:</b></p> <p>The minutes were agreed as a correct record.</p>	
4.	<p><b>Matters Arising from Minutes of the previous meeting:</b></p> <p>N/A</p>	
5.	<p><b>Approved Works Programme Update 2017/18:</b></p> <p>WP outlined the budgetary situation as summarised on page 7 of the report before moving on to discuss the approved works programme.</p> <p>Councillor Smith began by querying how current and future schemes would be affected by the new 20mph guidance. WP confirmed that existing schemes were still all going ahead, with some slight changes planned to the form of restriction as outlined later in the papers. There was a discussion around the use of</p>	

	<p>85<sup>th</sup> percentile speeds before WP and DG confirmed that the suitability of 20mph restrictions was assessed by mean speeds not the 85<sup>th</sup> percentile (contrary to the content of the previous report). WP explained that the new guidance on 20mph restrictions would target 20 limits on roads with mean speeds slightly over 20mph (specifically in the 24-29mph bracket). In other cases, 20's plenty, variable 20, and 20 zones may be appropriate, but that would vary from site to site.</p> <p>LBAS161011 - Noak Hill Road junction with Wash Road – WP sought approval for a budgetary increase whilst also making the Panel aware of local objections to the scheme. WP advised the Panel that the scheme had previously been unanimously approved and that there had been 13 recorded accidents in 10 years including 1 fatality. He reminded old and informed new Members that the possibility of a roundabout and traffic lights had been assessed and it had been determined that neither were feasible as both would have a detrimental impact on traffic on the A176. Councillor Buckley challenged the proposed initiative of implementing a right turn prohibition from Wash Road on to Noak Hill Road only. He suggested that the need for a right turn prohibition from Noak Hill Rd – Wash Rd would be more beneficial. WP reminded Cllr Buckley that all possible measures had been assessed by road safety and traffic modelled by engineers, and that the right turn prohibition from Wash Rd – Noak Hill Road had been identified as the only means of preventing accidents without compromising traffic levels. Panel Members agreed that this matter needed to be considered in more detail before approval for the budgetary increase and the subsequent delivery of works was granted. The Chairman asked that a sub-meeting be arranged (particularly for new Members) to look at the issue in more detail. WP to arrange.</p> <p>LBAS172021 (Northlands School) and LBAS172014 (Merrylands School) – scope change to 20's plenty schemes in light of new guidance passed unanimously by the Panel. It was also suggested that we undertake follow up surveys post-delivery to assess the impact of the scheme.</p> <p>LBAS173002 – Luncies Road underpass - Councillor Hillier was informed of the presence of this scheme by fellow Members, some of whom were not entirely convinced of its merits. Councillor Hillier said he would have a look at the site.</p> <p>LBAS512014 – Twinstead, Wickford - Councillor Buckley intimated that he was not supportive of this scheme. He queried why the road was adopted if the speed humps did not meet design standards. WP to investigate and feed back to the Panel.</p>	<p><b>WP</b></p> <p><b>Cllr Hillier</b></p> <p><b>WP</b></p>
--	--	--

	<p>LBAS173013 Westmede and LBAS172010 Waldegrave – Councillor Smith asked if the proposed handrails could be installed prior to winter instead of during its current quarter 4 forecast. WP to ask the senior engineer.</p> <p>LBAS175002 (Outside the Swan, Wickford) and LBAS172015 (Outside Janet Duke School) – WP advised that these schemes were now being delivered with S106 funding and therefore would be removed from the LHP programme.</p> <p>LBAS172042 – A13 crossing point in vicinity of Kierbeck business park – there was some discussion around the location and reasoning behind this scheme. DG advised the Panel that he had met with Stephen Metcalfe MP on site, and that this was also being pursued by the Basildon Business Group. Panel to decide upon provision of more accurate costs and further consideration of the site whether they want to retain this scheme in the rolling programme.</p> <p>LBAS162058 – Mandeville Way/Florence Way roundabout - Councillor Hillier queried if this scheme was still necessary or advisable following recent resurfacing. WP advised that there wasn't any evidence to suggest that a review of the layout was required. Councillor Smith and the Panel agreed to cancel the scheme.</p> <p>LBAS175006, LBAS175007 and LBAS175008 (all bus shelter schemes on The Knares) – There was a long discussion surrounding the reasoning behind and costs associated with these schemes. Councillor Smith asked why the LHP budget was being used to replace Basildon Borough Council shelters. WP reminded the Panel that this had been discussed in the past and that BBC no longer had any significant budget for the replacement/installation of bus shelters. Cllr Smith queried the reliability of that information. He also asked whether existing shelters could be refurbished rather than replaced. WP to look into refurbishment and to bring further info back to the next Panel.</p>	<p><b>WP</b></p> <p><b>WP/ALL</b></p> <p><b>WP</b></p>
<p><b>6.</b></p>	<p><b>Potential Schemes List for consideration of Panel in 2017/18:</b></p> <p>LBAS172015 – Church Rd Ramsden Bellhouse - Councillor Buckley asked if we could expedite this scheme. The Panel were all supportive of integrating the scheme into the existing programme if possible. WP to explore and provide feedback.</p> <p>LBAS172033 – Trafford House, Station Way, Basildon – Councillor Smith and WP discussed the land ownership issues associated with this site and agreed to arrange a site visit.</p>	<p><b>WP</b></p> <p><b>WP/Cllr Smith</b></p>

	<p>LBAS182003 – Mountnessing Road, Billericay – The Panel asked that we obtain costs for the removal of the redundant VAS sign.</p> <p>LBAS 182012 (Oak Lane junction with A127) and LBAS 182014 (West Mayne) – Councillor Henry queried the progress of these scheme requests. WP advised that they were in validation and awaiting assessment. WP said he would aim to have proposals by the time of the next meeting.</p> <p>LBAS182010 – Codenham Straight – Councillor Smith agreed that the merits of this proposed scheme were questionable, and therefore agreed to remove it from the potential schemes list.</p>	<b>WP</b>
<b>7.</b>	<p><b>Appendix</b></p> <ul style="list-style-type: none"> <li>- Highways Rangers</li> </ul> <p>Members expressed their unhappiness at the service provided and questioned why so many tasks were deemed unsuitable for the rangers. The possibility of Basildon Borough Council taking responsibility for the rangers was also discussed.</p> <ul style="list-style-type: none"> <li>- Section 106 Schemes</li> </ul> <p>Councillor Hillier raised a historical scheme which appeared to have been lost over the years. Councillor Hillier to send details to WP who in turn would investigate.</p>	<b>Cllr Hillier</b>
<b>8.</b>	<b>AOB</b>	
<b>9.</b>	<p><b>Date of next meeting:</b></p> <p>September 25<sup>th</sup> 2017, 2pm, Committee Room 4</p>	

## BASILDON LOCAL HIGHWAY PANEL – 25<sup>th</sup> SEP 2017 REPORT 2 - APPROVED SCHEMES UPDATE

The following report provides an update on the position of all of the schemes which the Basildon LHP Members discussed and recommended for commissioning at their March meeting. Broken into two parts, the Approved Works Programme shows which schemes are programmed for delivery within the 2017/18 financial year and which sit within the rolling programme for 2018/19 delivery.

The target delivery date for 2017/18 schemes is recorded in quarters, except where delivery is imminent and the road space has been booked.

<b>2017/18 Budget Summary</b>	
<b>Item</b>	<b>Amount</b>
<b>Total Capital Budget</b>	<b>£500,000</b>
Safer Road Schemes	£212,000
Total schemes for delivery in 17/18	£201,890
Total value of schemes in the rolling programme for 2018/19 (excluding cancelled schemes)	£265,100

**Basildon Local Highway Panel - Approved Works Programme 2017/18**

<b>Schemes Key</b>		<b>Completed</b>	<b>Cancelled</b>	<b>Update</b>	
<b>Timeline</b>		<b>Q1 = Apr - June</b>	<b>Q2 = July - Sep</b>	<b>Q3 = Oct - Dec</b>	<b>Q4 = Jan - Mar</b>

Ref	Scheme	Works Description	Scheme Category	Commission	Activity Code	Allocated Budget	Finish	Comments
<b>Approved Schemes - Prioritised for Delivery in 2017/18</b>								
1	Brightside, Billericay, 20mph Limit	Delivery of 20mph limit.	Traffic Management	Implementation	LBAS152003	£12,000	Quarter 4	As with other 20mph schemes, this has been affected by the recent Policy change and it is recommended that it is now delivered as a "20's plenty" scheme.
2	Meadow Rise, Billericay	Request for dropped kerbs to aid disabled and mothers with buggies etc.	Walking	Total Scheme	LBAS163016	£5,000	Quarter 3	
3	St Ediths Lane, Billericay	Installation of "No Through Road" sign.	Traffic Management	Total Scheme	LBAS172031	£3,000	Quarter 3	
4	Outside Sunnymede School, Billericay	Installation of 20mph when lights flash.	Traffic Management	Implementation	LBAS172012	£15,000	Quarter 4	
5	Kenilworth Close/London Road/Mountnessing Rd, Billericay	Request for dropped crossings at junctions to improve pedestrian access.	Walking	Total Scheme	LBAS163014	£11,500	Quarter 3	This scheme is ready for delivery, but requires a budget adjustment with an additional £5,500 needed to complete improvements. One of the main contributors to the cost of the scheme is unforeseen traffic management and working restrictions imposed by the permitting team.
6	Noak Hill Road junction with Wash Road, Noak Bridge	Trial 'No Right Turn' TRO and signage.	Safer Roads	Implementation	LBAS161011	£35,000	TBC	This scheme was approved by the Panel after studies showed that a roundabout or traffic lights would not be feasible. There have been 13 recorded accidents at this junction in the past 10 years including one fatal collision. Informal consultation has led to objections which are to be reviewed by the Cabinet Member. Design and target costing has also led to an increase in the required budget to £60,000. The reason for this is that the scheme will require bolt down posts in the centre of the carriageway, which will in turn necessitate carriageway widening and resurfacing with the installation of 3 new gullies and a new lamp column. This could not have been foreseen prior to detailed design.
7	Gardiners Lane North, Wickford	Weight limit signage and TRO with advanced signage on A127.	Traffic Management	Total Scheme	LBAS152017	£30,000	Quarter 4	
8	London Road close to junction with Sugden Ave, Wickford	New bus shelter.	Passenger Transport	Total Scheme	LBAS165003	£7,000	Quarter 3	
9	Outside Hilltop Infant and Junior School, Wickford	Installation of 20mph when lights flash.	Traffic Management	Implementation	LBAS172016	£14,600	Quarter 4	
10	Cranfield Park Road, Wickford	Installation of bollards to prevent driving over grass verge.	Traffic Management	Total Scheme	LBAS172008	£8,000	Quarter 4	
11	A127 Pedestrian Casualty Sites, Nevendon	Design of "Fatal Collision Site, Do Not Cross" signs at 2 cluster locations (see report) and "Other Danger Ahead" warning signs between A132 Nevendon Interchange and A130/A1245 Interchange.	Safer Roads	Design	LBAS171002	£5,000	Quarter 3	
12	Hill Avenue Wickford, close to Beauchamps School	Design of zebra crossing move to improve safety in vicinity of school.	Traffic Management	Design	LBAS172026	£5,000	Quarter 3	
13	Old Church Road, Bowers Gifford	Installation of bollards to prevent fly tipping and car burn outs. Permanent bollards to be installed south of underpass and close to junction with London Road.	Traffic Management	Total Scheme	LBAS152024	£5,500	Quarter 3	
14	Outside Northlands School, Pitsea	Installation of 20's plenty.	Traffic Management	Implementation	LBAS172021	£7,700	Quarter 4	This was previously a zone. Change agreed by the Panel in line with Policy changes.
15	Underpass between Luncies Road and Chalvedon Estate, Pitsea	Installation of lockable bollard to prevent vehicular use.	Traffic Management	Total Scheme	LBAS173002	£4,000	Quarter 3	
16	Tavistock Rd, Laindon	Move disabled bay or place double yellow lines opposite bay (depending on wishes of disabled resident) to prevent being blocked in/out.	Traffic Management	Total Scheme	LBAS152022	£4,000	Completed	
17	Outside Merrylands Primary School, Laindon	Installation of 20's plenty.	Traffic Management	Implementation	LBAS172014	£9,990	Quarter 4	This was previously a limit. Change agreed by the Panel in line with Policy changes.

18	King Edward Rd junction with Briars Mead, Laindon	Installation of give way signs and road markings.	Traffic Management	Total Scheme	LBAS172007	£3,000	Completed	Scheme requested by the Police as a result of a number of cars failing to give way at the junction.
19	Outside Great Berry Primary School, Langdon Hills	Installation of 20mph limit and enhancement of school crossing patrol signs.	Traffic Management	Implementation	LBAS172019	£11,600	Quarter 4	
20	Westmede, Langdon Hills	2 x handrail on slippery path.	Walking	Total Scheme	LBAS 173013	£2,500	Quarter 3	
21	Highview Avenue, Langdon Hills	Installation of larger reflective crossing warning sign.	Traffic Management	Total Scheme	LBAS172001	£1,000	Quarter 3	
22	In front of 18 Waldegrave, Basildon	Installation of hand rails.	Traffic Management	Total Scheme	LBAS172010	£1,500	Quarter 3	
23	Cortauld Road junction with Repton Close, Basildon	Removal of one westbound lane, refreshment of road markings with longer lasting material, addition of keep clear and slow markings in westbound lane.	Safer Roads	Total Scheme	LBAS172005	£68,000	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member.
24	Cranes Farm Rd/Pipps Hill South/ A1235 roundabout	Yellow backed chevrons, resurfacing of all of circulatory carriageway as well eastbound carriageway from the end of the concrete surface to the roundabout to improve skid resistance, installation of zig zags through Festival Way toucan crossing.	Safer Roads	Total Scheme	LBAS172006	£10,000	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member. This is a £36,500 scheme of which £26,500 of resurfacing is being funded by maintenance.
25	Broadmayne junction with Ghyllgrove, Basildon	Delivery of additional lane destination sign alongside first set of arrow markings, and vegetation cut backs to improve visibility to nearside signal.	Safer Roads	Total Scheme	LBAS172007	£8,500	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member.
26	B164 Pitsea High Road tesco toward Pitsea Road	Investigate feasibility of signalling junction, removing both zebra crossings and incorporating controlled crossing points within the signals.	Safer Roads	Feasibility	LBAS172008	£40,000	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member.
27	A1235 Cranes Farm/Cranes Lane Roundabout	Resurface circulatory carriageway and both A1235 approaches for 50m. Install yellow-backed roundabout warning signs in both directions on the A1235 on the nearside and offside and install SLOW markings in lane one and two.	Safer Roads	Total Scheme	LBAS172009	£10,000	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member. This is a £42,000 scheme of which £32,000 of resurfacing is being funded by maintenance.
28	A1321 Broadmayne/A132 Southmayne Roundabout	Investigate the feasibility of making lane one on the A132 South Mayne left only, lane two straight and right. Replace lane destination signs to Diag. 877 and alter road markings. At the same time assess whether it would be feasible to provide a segregated left turn lane with hatching from the A132 South Mayne to the A1321 Broadmayne.	Safer Roads		LBAS172010	£17,000	Quarter 4	Scheme identified by Road Safety and approved directly by Cabinet Member.
29	CR Site 53 - London Road, Vange Hill Drive, Vange	Red contrasting surfacing in the central hatching leading up to the pedestrian island. SLOW markings next to junction warning sign. Extension of existing edge of carriageway markings on northern side of London Rd.	Safer Roads	Implementation	LBAS161006	£14,000	2018/19	Road safety scheme added to programme with savings from resurfacing outlined above.
30	CR Site 51 - Ballards Walk Zebra Crossing North of Great Knightleys, Basildon	Measures to highlight the presence of the zebra crossing including 'zebrite' illuminated poles, new LED beacons and anti-skid surfacing.	Safer Roads	Implementation	LBAS161005	£36,000	2018/19	Road safety scheme added to programme with savings from resurfacing outlined above.

Approved Schemes - 18/19 Rolling Programme								
31	Greenway, Bilericay	Raised kerbing.	Passenger Transport	Total Scheme	LBAS165002	£5,500	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
32	Outside St Peters Primary School, Bilericay	Installation of 20mph when lights flash.	Traffic Management	Implementation	LBAS172013	£16,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
33	London Road, Wickford close to no 63	Upgrading of zebra to signalised crossing (design, surveys and consultation only).	Traffic Management	Design	LBAS152026	£25,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
34	Dunton Road junction with Steeple View, Dunton	Bus stop kerbing and hard stand.	Passenger Transport	Total Scheme	LBAS165001	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
35	Outside Wickford Infant and Junior School	Installation of 20mph limit.	Traffic Management	Implementation	LBAS172017	£7,200	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery. This scheme may be affected by the change in 20mph Policy.
36	Outside North Crescent School, Wickford	Installation of 20mph limit.	Traffic Management	Implementation	LBAS172018	£9,300	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery. This scheme may be affected by the change in 20mph Policy.
37	Southend Rd junct with Highcliffe Rd, Wickford	Installation of yellow bus markings.	Passenger Transport	Total Scheme	LBAS 175011	£1,200	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
38	Twinstead, Wickford	Replacement of brick top speed humps with asphalt speed humps.	Traffic Management	Implementation	LBAS152014	£65,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
39	A130 path leading to Rushbottom Lane, Bowers Gifford	Request for installation of bollard to prevent ASB under A130.	Traffic Management	Total Scheme	LBAS162001	£1,500	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
40	Broadmayne junction with Upper Mayne, Basildon	Design of measures proposed by road safety team to address collision problem. Proposed measures include addition of chevron and relocating/redesigning of existing signs.	Safer Roads	Design	LBAS171004	£3,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
41	Outside Greenstead Nursery, Infant and Junior Schools, Basildon	Installation of 20mph limit.	Traffic Management	Implementation	LBAS172020	£7,400	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery. This scheme may be affected by the change in 20mph Policy.
42	Laindon Link, just east of the Laindon Link/Staneway roundabout	Replacemement of bus shelter.	Passenger Transport	Total Scheme	LBAS 175003	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
43	Laindon Link, west of the Laindon Link/Staneway roundabout	Replacemement of bus shelter.	Passenger Transport	Total Scheme	LBAS 175004	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
44	Miles Gray Road, Basildon	Installation of concrete filled bollards to prevent traveller camps.	Traffic Management	Total Scheme	LBAS172022	£15,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
45	Moss Drive junction with Moss Close, Vange	Review of all signing and lining on Moss Drive/Moss Close/ Goldings Crescent, with new signs and lines to be installed where appropriate.	Traffic Management	Total Scheme	LBAS162042	£15,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
46	Footpath from Lingcroft to Sparrows Herne, Basildon	Installation of guard rails to prevent vehicular use.	Traffic Management	Total Scheme	LBAS162049	£5,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
47	The Knares (westbound) junction with Leysings	Replacemement of bus shelter.	Passenger Transport	Total Scheme	LBAS 175006	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
48	The Knares junction with Raintree Fold	Replacemement of bus shelter.	Passenger Transport	Total Scheme	LBAS 175007	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
49	The Knares (eastbound) junction with Leysings	Replacemement of bus shelter.	Passenger Transport	Total Scheme	LBAS 175008	£7,000	2018/19	All schemes on the rolling programme have been provisionally approved by the Panel for 18/19 delivery.
50	Clay Hill Road, Basildon	Traffic calming scheme outside Kingswood School.	Traffic Management	Implementation	LBAS002011	£5,000*	2018/19	Scheme previously completed - only £5,000 required for stage 3 safety audit remedial works.
51	A13 crossing point in vicinity of Kierbeck Business Park	Installation of hazard warning signs for pedestrians	Traffic Management	Total Scheme	LBAS 172042	£20,000	2018/19	This scheme has been provisionally signed off but placed on hold in the rolling programme until such a time as Panel approval is obtained. The request for this scheme was raised by Stephen Metcalfe MP and the Basildon Business Group after one person was seriously injured crossing a hazardous but regularly used crossing point. The precise cost of this scheme has not yet been determined and further funding may be required.
52	Church Rd, Ramsden Bellhouse	AMENDED SCHEME - Detailed design of extended footway and transformation of build out into ped refuge.	Traffic Management	Total Scheme	LBAS142056	£25,000	2018/19	We were unable to 'upgrade' this scheme (as requested at the last meeting) as there is no design capacity to do so at this stage in the year.

## BASILDON LOCAL HIGHWAY PANEL – 25<sup>th</sup> SEP 2017 REPORT 3 – POTENTIAL SCHEMES 2018/19

The following list identifies all of the scheme requests which have fed into the Basildon LHP for consideration in future financial years. Please note that costs shown are estimates only. The RAG (Red Amber Green) column acknowledges the status of the request as follows:

= The scheme has been validated as being feasible and is available for consideration.

= The scheme has a design or feasibility study pending and therefore cannot yet be considered.

= The scheme request is against ECC criteria.

= A scheme request has been received and is in the initial validation process.

Total Budget	£500,000
Current Potential Scheme Value	£294,000
Current Rolling Programme Scheme Value	£265,100
<b>Total</b>	<b>£559,100</b>

## Traffic Management

Total Value of schemes	<b>£106,000</b>
------------------------	-----------------

Ref	Scheme name	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
1	Runwell Road, Wickford	Detailed design of widened footway with topographical survey as recommended in feasibility study.	Local resident endorsed by Cllr Le Gresley	Traffic Management	Design	LBAS 172020	£5,000	The Panel opted not to proceed with detailed design within the 16/17 or 17/18 programme due to the high delivery cost (estimated at £139,000). No S106 funding available as previously queried.	<b>G</b>
2	Castledon Road, Wickford	Request for speed reduction measures.	Cllr Buckley	Traffic Management	TBC	LBAS 172011	TBC	Speed survey showed average speeds of 34.3mph and 32.9mph. Does not meet criteria for VAS signs. Site visited with the validating engineer who agreed that the road is more inkeeping with the characteristics of a 40mph road (with houses set back from the road). However, he is liaising with Network Assurance to see if there is anything further we can do to reinforce the 30mph limit (despite relatively good compliance).	<b>V</b>
3	New Avenue, Basildon	Playground warning signs.	Cllr Smith	Traffic Management	Total scheme	LBAS 172024	£2,500	Sign would need to be placed on New Ave itself rather than on Great Berry Lane as that would be too far from the rec.	<b>G</b>
4	Mountnessing Road railway bridge, Billericay	Request for carriageway edge markings on bridge.	Cllr Twitchen	Traffic Management	Total scheme	LBAS 172027	£5,000	Some residents have said that they feel unsafe when walking over the bridge due to the proximity of vehicles. This allocation would allow for the installation of 'SLOW' markings either side of the bridge as well as edge markings on the bridge.	<b>G</b>
5	Gobions, Basildon	Request to change existing steps to a more user friendly ramp.	Cllr Smith	Traffic Management	Total scheme	LBAS 172030	£6,000	There is currently a steep concrete step to access the path	<b>G</b>
6	Tye Common Road, Billericay	Installation of slow markings, reflective bollards and road studs to highlight the slight bend outside "The Croft".	Little Burstead PC and Cllr Twitchen	Traffic Management	Total scheme	LBAS 172032	£10,000	The property owner and the parish council have raised concerns over vehicles leaving the road as well as overriding the verge in this location. The property owner has previously had vehicles drive into his garage.	<b>G</b>
7	Trafford House, Station Way, Basildon	Request for bollards to prevent parking at front of Trafford House.	Cllr Smith	Traffic Management	TBC	LBAS 172033	TBC	Awaiting update on the redevelopment plans for the area. Once we have these plans we can look at if/how best to restrict parking.	<b>V</b>

Ref	Scheme name	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
8	Radford Way, Billericay	Zebra crossing outside new Sainsburys supermarket.	Cllr Twitchen	Traffic Management	Total scheme	LBAS 172034	£60,000	PV <sup>2</sup> score of 0.633 X 108 exceeds the criteria for a zebra crossing. The validating engineer and Network Assurance have agreed that after initial assessment, this looks to be a good crossing location. In ordinary circumstances we would look to deliver this scheme in 2 phases with design in year 1 and delivery in year 2. In this case we could look to design and deliver within 1 year. However, it should be appreciated that delivery costs and timescales cannot be fully understood until design is complete.	G
9	B148 Westmayne / Ford Access / Lower Dunton Rd, Langdon Hills	Installation of tactile paving, dropped kerbs and cyclist give way markings.	Road Safety	Traffic Management	TBC	LBAS 172035	TBC	Scheme awaiting validation.	V
10	B148 Westmayne / Ford Access / Lower Dunton Rd, Langdon Hills	Study to assess whether there is any need to upgrade the uncontrolled crossing points.	Road Safety	Traffic Management	TBC	LBAS 172036	TBC	Scheme awaiting validation.	V
11	Coppice Lane, Wickford	Creation of a formal one way system.	Cllr Buckley	Traffic Management	Total scheme	LBAS172037	£7,000	There is a central island on this road. Most road users travel around it as if it were a roundabout, but some turn right at the island thereby causing confusion. The allocated budget would allow for signs and road markings to support a one way system.	G
12	Berry Lane junction with High Road	Request for physical measures to reinforce the one way restriction.	Cllr Smith	Traffic Management	TBC	LBAS172040	N/A	Existing signs and lining are clear and visible from all directions. Anyone failing to adhere to the 'No Entry' signs is doing so consciously. The entrance to the road is already narrow and therefore there are no further measures we could take to re-inforce the one way system. This is an enforcement issue.	R
13	Jacksons Lane, Billericay	Request to extend existing safety barriers.	Cllr Hedley	Traffic Management	Total scheme	LBAS182002	TBC	The safety barrier was shortened when replaced some years ago, but we cannot find any reason for this. The Panel can choose to install a barrier to the original length, or to lengthen the barrier so that it extends all the way to the more dense vegetation. Prices to be obtained by the time of the next meeting.	G

Ref	Scheme name	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
14	Mountnessing Road, Billericay	Removal of VAS sign.	Cllr Twitchen	Traffic Management	TBC	LBAS182003	£2,500	Mean speeds of 31.4mph for northbound traffic show that this site no longer meets the VAS criteria.	G
15	Lee Chapel Lane, Langdon Hills	Request for "unsuitable for HGV" signage or "No Through Road" signs to prevent HGV's becoming stuck on the narrow part of Lee Chapel Lane.	Cllr Smith	Traffic Management	TBC	LBAS182004	TBC	There is a double backed "No Through Road" sign at the junction of Staneway and Victoria Avenue which leads to Lee Chapel Lane. Drivers should therefore be aware that Lee Chapel Lane is a no through road. It is possible to add a further "No Through Road" sign at the junction of Victoria Ave and Lee Chapel Lane at an estimated cost of £2500, but it certainly isn't technically required and therefore could be considered clutter and a maintenance liability. For that reason we would not recommend installing one.	R
16	Rectory Road, Basildon	Installation of pedestrian crossing warning sign to warn northbound traffic of pedestrian crossing in advance of mini roundabout.	Member of Public/ Cllr Buckley/ Network Assurance	Traffic Management	Total scheme	LBAS182006	£2,500	Numerous sign queries submitted by Cllr Buckley on behalf of a local driving instructor. Additional signage would be beneficial in this location.	G
17	Little Lullaway/Gladwyns, Basildon	Request for installation of a gate/barrier to prevent vehicular access to Gladwyns via Little Lullaway.	Cllr Ferguson	Traffic Management	TBC	LBAS182007	TBC	Lockable bollards which prevent vehicular access have been removed. Something more robust has been requested.	V
18	Coopersales, Laindon	Request for installation of bollards to prevent parking on footway and obstruction of disabled bay.	Cllr Ellis	Traffic Management	TBC	LBAS182011	£3,000	This scheme is supported by a local petition. The installation of bollards could be undertaken at an estimated cost of £3,000. However, the validation has picked up on the fact that the existing disabled bays are not compliant with the TSRGD. This may lead to a proposed scope change and increase in estimated budget in advance of the next meeting as it may be advisable to amend bays as part of the scheme. To be finalised in advance of next meeting.	G

Ref	Scheme name	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
19	Oak Lane junction with A127, Basildon	Request for access to A127 from Oak Lane to be closed, or alternatively for large 'STOP' signs on Oak Lane and concealed warning signs on the A127.	Cllr Twitchen and Cllr Howard	Traffic Management	TBC	LBAS182012	N/A	Oak Lane is a private road, and one of several roads which have direct access to A roads in the County without an acceleration lane. Shutting access to/from Oak Lane would therefore be highly problematic. The LHP are unable to fund signage and lining on private roads. There is also no history of collisions at this site, and no specific sign exists to indicate that a layby is not to be used as an acceleration lane. There are therefore no viable improvements in this location.	R
20	Prower Close, Billericay	"No Through Road" sign at the junction of Prower Close and Langemore Way.	Cllr Hedley	Traffic Management	Total scheme	LBAS182013	£2,500	There is currently no signage to warn that this is a no through road. Property has been damaged as a result of turning HGV's.	G
21	West Mayne, Laindon between junctions with High Road and Fenton Way	Request for measures to prevent parking on grass verge.	Cllr Henry	Traffic Management	TBC	LBAS182014	N/A	It would be very costly to install any physical measures to prevent parking along a stretch of this length. Additionally, it seems that travellers will only move to another stretch of verge in the County if prevented from parking here, thereby moving rather than solving the problem.	R
22	Church Hill, Laindon	Request for measures to reduce vehicle speeds.	MOP supported by Cllr Henry	Traffic Management	TBC	LBAS182015	N/A	Average speeds in Jan 2015 recorded as 21mph. There have been no recorded accidents on this road and therefore there is no evidence of a need for traffic calming. The Panel may wish to consider a 20's plenty scheme in the vicinity of the school in future (subject to validation).	R

## Walking

Total Value of schemes	<b>£169,000</b>
------------------------	-----------------

Ref	Location	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Pound Lane, Basildon	Installation of footpath to lead to bus stop.	Design Team	Walking	Total scheme	LBAS173001	£55,000	There is currently no footpath leading from Clare House nursing home to the nearest bus stop. The installation of a footpath could help residents and staff.	G
2	Adjacent to Wickford Cof E Infant School	Delivery of signalised crossing	Cllr Le Gresley	Walking	Implementation	LBAS172044	£110,000	More precise estimate TBC. Will have this figure by time of next meeting.	G
3	Heathleigh Drive, Langdon Hills	Request for mud track to be surfaced.	Cllr Smith	Walking	TBC	LBAS173003	N/A	Highway Boundary check has confirmed that this is not highway or PROW. This scheme therefore cannot be undertaken via the LHP. The land may be the responsibility of BBC.	R
4	Hill Avenue Wickford, close to Beauchamps School	Moving of zebra crossing	Cllr Buckley	Walking	Implementation	LBAS183001	TBC	Subject to outcome of scheme design.	A

## Passenger Transport

Total Value of schemes

**£19,000**

Ref	Scheme name	Description	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
1	Near 213 Clay Hill Road, Basildon	Request for a bus shelter	Cllr Smith	Passenger Transport	Total scheme	LBAS175013	£12,000	Seems a good location for a shelter. A new hardstand will need to be created alongside dropped kerbs on both sides of Clay Hill Road, hence the greater cost.	G
2	Laindon Link junction with Albert Drive	Request for a bus shelter	Cllr Henry	Passenger Transport	Total scheme	LBAS185001	£7,000	A new shelter could be placed here at an estimated cost of £7,000. Previous shelters have often been vandalised in this location.	G

## Surveys

Money allocated	£6,340
Spent	£4,352
Money remaining	£1,988

Ref	Scheme name	Description	Problem	Requested by	Scheme Category	Scheme stage	Cost Code	Allocated Budget	Comments
1	Radford Way, Billericay	PV2 survey.	See comments	Clr Twitchen	Traffic Management	Surveys	LBAS172099	£900	PV2 score of 0.633 x 108 exceeds the criteria for a zebra crossing.
2	Guernsey Gardens, Wickford	Speed survey.	See comments	Clr Buckley	Traffic Management	Surveys	LBAS172099	£250	Mean speeds of 27.4mph and little discrepancy between north bound and south bound traffic (which could have been attributed to the lop-sided island). No speed reduction measures required.
3	Sparrows Herne, Basildon	Speed survey.	See comments	Clr Smith	Traffic Management	Surveys	LBAS172099	£250	Mean speeds of 30.4mph suggest good compliance with the speed limit. No further action possible.
4	Mountnessing Road junction with Station Road, Billericay	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Mean speeds of 31.4mph for northbound traffic show that this site no longer meets the VAS criteria. This is a Swarco sign.
5	Hornbeam Way, Wickford	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Eastbound mean speeds of 36.3mph show that this location still meets the VAS criteria. Panel to decide if they wish to fund repairs through revenue budget.
6	Lower Dunton Road, Dunton	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Southbound mean speeds of 38.5mph in 40mph area show that this location does not meet the VAS criteria. This is a Swarco sign.
7	Whitmore Way, Basildon	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Eastbound mean speeds of 30.1mph show that this location does not meet the SID criteria. This is a Swarco sign.
8	Outside propert called Trevine, Crays Hill, Ramsden Crays	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Eastbound mean speeds of 36.1mph show that this location still meets the VAS criteria. Panel to decide if they wish to fund repairs through the revenue budget.
9	On approach to 'Premier' post office, Crays Hill, Ramsden Crays	Speed survey.	See comments	VAS check	Traffic Management	Surveys	LBAS172099	£250	Westbound mean speeds of 33.7mph show that this location does not meet the VAS criteria.
10	VAS repair assessments	VAS repair assessments	VAS repair assessments	LHP	Traffic Management	Surveys	LBAS182099	£1,452	Cost of assessment of Swarco VAS signs.
