1.	<b><u>Welcome and Introductions:</u></b>	
2.	<b><u>Apologies for Absence:</u></b> Cllr Henry <b><u>Declarations of interest:</u></b> None recorded.	
3.	<b><u>Public Questions:</u></b>	
4.	<b><u>Minutes of meeting held on 28<sup>th</sup> January 2019 to be agreed as correct record:</u></b>  The minutes were agreed as a correct record.	
	<b><u>Matters arising from minutes of the previous meeting:</u></b>  Cllr Smith expressed concern that a number of salt bins had been 'vandalised' and therefore recommended salt bins be fixed to a concrete base (at additional cost). JW stated that we could trial salt bins without a concrete base (for example in Redwing Drive, Billericay).  Cllr Buckley suggested whether we can investigate installing steel rods to stop them from moving. <b>JW to inform the panel on the cost.</b>  JW questioned which way Cllr Smith would like to progress with LBAS183007 – High Road. Cllr Smith insists that he would like a lighting upgrade at High Road.	

	<p>SC advised the panel that the supplier for Bus Shelters had stopped trading. Essex Highways were investigating alternative supplier options. This would, of course, delay the installation of any new Bus Shelters.</p> <p>JW gave an update on Royal Court, and informs the panel that the Section106 team did not believe this scheme was to undertake lining.</p>	
<p>5.</p>	<p><b><u>Approved Works Programme:</u></b></p> <p>JW informed the panel that all schemes marked green have been completed.</p> <p>Cllr Buckley believed that the 20's plenty schemes would be taking priority to be completed within the financial year.</p> <p>JW stated that due to the additional direct delivery schemes that were added into the programme some schemes will not be complete until April 2019.</p> <p><b>JW to request that 20's plenty schemes take priority.</b></p> <p>JW explained to the panel that she has received the feasibility reports for LBAS182048 St Mary's Crescent and LBAS182049 Pendle Drive and will show the panel via a paper copy where it was stated that it would cost £45,500 to move the statutory undertakers along St Mary's Crescent and £23,500 along Pendle Drive.</p> <p>Cllr Davies suggested that the residents along Pendle Drive are willing to contribute to paying for driveways. SC explained that Basildon LHP could contribute however this would need escalating to see if this would be fair across the whole borough.</p> <p><b>JW to speak to the Vehicle Access Team and report back to the panel on whether it is feasible to implement drive ways along the street.</b></p> <p>LBAS142056 Church Road required a £6,000 top-up due to additional UKPN costs. Panel agree top-up.</p> <p>Cllr Buckley asked SC whether we are able to use an alternative supplier rather than UKPN as he states that they are unreliable.</p> <p>SC explained that other companies do not have the correct qualifications to work on the UKPN network and that UKPN work to a statutory agreement to complete the works.</p>	

	<p>LBAS182042 33-39 The Slade has been cancelled with agreement of the panel.</p> <p>JW stated that LBAS185011 Rectory Road has been put on hold while Essex Highways find a new provider.</p>	
<p>6.</p>	<p><b><u>Potential Scheme List</u></b></p> <p>JW gave the panel an overview on the budget summary, informing the panel that they have £426,500 to allocate.</p> <p><b>Traffic Management:</b></p> <p>LBAS182022 Kathleen Ferrier Crescent Feasibility Estimated Cost £7,000 to investigate grasscrete and the price of moving stats.</p> <p>Cllr Hedley feels that the panels need to have more consistency with the way they approach parking around the borough.</p> <p>LBAS182031 Outside 49 Ingaway Total Scheme Estimated Cost £5,500</p> <p>LBAS182041 Scheme put on hold as Cllr Smith would like a concrete base to prevent the salt bin from being vandalised</p> <p>LBAS182045 Latchetts Shaw Agreed to be removed by the panel</p> <p>LBAS182047 Entrance to Woodlands School and LBAS182051 Top of Ryedene off The High Road to be put on hold.</p> <p><b>LBAS182052 JW and Cllr Smith to meet on site to confirm the location of the scheme before commissioning.</b></p> <p>LBAS182054 St Michaels Avenue Agreed to be removed by the panel</p> <p>LBAS182056 Lenham Way and LBAS182057 St Michaels Avenue/ Moutfields to be put on hold.</p> <p><b>JW investigates the possibility of concrete basing on the salt bins.</b></p> <p>LBAS182058 Whitmore Primary School – Whitmore Way Total Scheme</p>

# **BASILDON LOCAL HIGHWAY PANEL**

## **2019/20 FUNDED SCHEMES LIST**

The Approved Works Programme has changed to the Funded Schemes List to ensure clarity of which schemes have funding for delivery and which are awaiting funding.

This report provides an update on the current position of all the schemes which the Basildon Local Highway Panel has recommended for inclusion in the 2019/20 programme.

The budget summary below does not include the Match Funding schemes as £200,000 was fully allocated within the 2018/19 financial year.

<b>Budget summary 2019-20</b>	
Capital Budget	£500,000
Safer Roads Schemes	£105,000
Total Value of Commissioned Schemes	£350,750
Remaining Budget to Allocate	£44,250

Members are reminded that the costs supplied are budget allocations only and there is the possibility that a final scheme cost could change dependant on issues which may arise especially during detailed design and construction. The panel will be informed of any budget adjustments required.

It is recommended that any budget remaining for 19/20 is allocated during the June panel meeting to ensure delivery this financial year. Any budget unallocated will be reported back to ECC.

## BASILDON LOCAL HIGHWAY PANEL REPORT 2 – SCHEMES AWAITING FUNDING

The following Schemes Awaiting Funding list (previously The Potential Schemes List) identifies all the scheme requests which have been received for the consideration of the Basildon Local Highways Panel.

Members are asked to review these schemes and consider funding recommendations for those they wish to see delivered in 2019/20 and remove any they would not wish to consider funding.

The breakdown of scheme types available for consideration in 2019/20 is as below:

Budget Summary	
Traffic Management	£55,500
Walking	£153,000
Passenger Transport	£33,000
PROW	£0
<b>Total</b>	<b>£241,500</b>

Costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

On the Schemes Awaiting Funding List, the RAG column acknowledges the status of the scheme request as shown below:

<b>G</b>	The scheme has been validated as being feasible and is available for consideration
<b>A</b>	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
<b>R</b>	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
<b>V</b>	A scheme request has been received and is in the initial validation process
