Item		Owner
1.	<p>Welcome and Introductions:</p> <p>The Chairman; Councillor J Knapman welcomed those Members present and those attending in an observational role.</p> <p>The Highways Liaison Officer (HLO) advised Members that this would be his last meeting in the post and that a replacement had been appointed, who was also present at the meeting, in an observational role.</p>	
2.	<p>Declarations of interest:</p> <p>There were no declarations of interest pursuant to the Council's Code of Member Conduct.</p>	
3.	<p>Minutes of meeting held on 13th December 2016 to be agreed as correct record:</p> <p>That the minutes of the meeting held on Tuesday 13th December 2016 be taken as read and signed by the Chairman as a correct record.</p>	
4.	<p>Matters Arising from Minutes of the previous meeting:</p> <p align="center">N/A</p>	

5.	<p>Approved Works Programme Update 2017/18:</p> <p>The HLO updated members on the schemes approved and delivered from 2012/13 to 2016/17. After discussion it was moved by the Chairman and RESOLVED.</p>	
6.	<p>Potential Schemes List for consideration of Panel in 2017/18:</p> <p>The HLO advised members of the possibility of match-funding from Epping Forest District Council becoming available, however the decision was very much in the initial stages and a decision would be made on 6th April.</p> <p>The Chairman, HLO, and Local Highway Panel members considered the 2017/18 Scheme list to determine which potential schemes should be commissioned within the 2017/18 financial year's budget and those to be removed.</p> <p>(1) Passenger Transport</p> <p>Item 1 – Bus Stop IM379b Brook Parade, Chigwell – PT Relocate and re-mark bus cage. After discussion it was agreed that this project would be removed from the potential schemes list.</p> <p>(2) Public Rights of Way</p> <p>Item 4 – Footpath 3 – Theydon Bois – PROW Improvements; The embankment to be shored up with concrete bag work then infilling with concrete and plannings and compacting firmly. After a full and in-depth discussion it was agreed that this project would be progressed.</p> <p>(3) Traffic Management</p> <p>Item 1 – Pyres Lane, Chester Road, Hillyfields – After a full discussion it was agreed that a formal decision with regards to this project would be deferred because of the anticipated changes to the 167 Bus route.</p> <p>Item 3 – B181/Upland Road – After a discussion with regards to the missing items not picked up in the feasibility study, it was agreed that the recommendations should be progressed.</p> <p>Item 6 – Tidy's Lane, Epping - After discussion it was agreed that this project should be supported by the LHP and progressed.</p>	

	<p>Item 7 - Pump Hill, Loughton – After discussion it was agreed that this project should be supported by the LHP and progressed.</p> <p>Item 14 – Forest Lane, Chigwell – After a full and in-depth discussion it was agreed that a second survey should be conducted in the furtherance of this project. To be progressed.</p> <p>Item 20 – The Campus j/w Boarders Lane, Loughton - After a full discussion it was agreed that this project should be supported by the LHP and progressed.</p> <p>Item 21 – Brooklyn Avenue j/w Churchfields, Loughton - After a full discussion it was agreed that this project should be supported by the LHP and progressed.</p> <p>Item 34 – HGV Routing for Lea Valley Glasshouses – After a full discussion it was agreed that this project should be supported by the LHP and progressed.</p> <p>(4) Walking</p> <p>No Change</p> <p>RESOLVED:</p> <p>That the 2017/18 Scheme Recommendation list be altered in compliance with the suggestions from the Local Highways Panel, and possible future schemes be proposed by members at subsequent meetings.</p>	
<p>7.</p>	<p>RANGERS/S106</p> <p>The HLO advised members of the task specifications and responsibilities of the Highway Rangers, and the respective procedures for their assignment to these tasks. After a full and in-depth discussion it was agreed that the possibility of having the Highway Rangers undergo supplementary training to further expand their expertise would be investigated. The HLO further advised members on the completed schemes and those presently being undertaken by the Highway Rangers. The HLO and Sonia Church also explained the new Rangers process from 1st April of which a correspondence is to be circulated to all LHPs across the County, guiding members of the new process. After discussion it was moved by the Chairman and RESOLVED.</p>	

<p>8.</p>	<p>AOB</p> <p>(1) Maintenance of Signposts</p> <p>A full and in-depth discussion took place concerning the apparent lack of progress of the aforementioned project. It was then moved by the Chairman and RESOLVED:</p> <ul style="list-style-type: none"> • That this information be NOTED. • The allocated budget in the furtherance of this project be £9,000. <p>(2) Road Traffic Collision Reporting</p> <p>An in-depth discussion took place concerning the aforementioned subject, during which it was generally acknowledged that the procedures and categorisations for the reporting of road traffic collisions was highly misrepresentative of what transpires in actuality. After further discussion it was then moved by the Chairman and RESOLVED that:</p> <ul style="list-style-type: none"> • This information be NOTED. • A relevant representative from the Safer Essex Road Partnership would advise and explain the observed shortcomings in the reporting procedures as they now exist. 	
<p>9.</p>	<p>Date of next meeting:</p> <p>Members agreed that an exceptional meeting of the LHP would be held at the Civic Offices in April 2017 at a date to be determined by the HLO. The primary purpose of this meeting would be to re-confirm approved schemes after the budget has been more accurately established.</p> <p>RESOLVED:</p> <p>(1) That the next meeting of the Local Highways Panel would be held at the Civic Offices in April 2017, during normal working hours. The specific date and time is to be determined by the HLO.</p> <p style="text-align: right;">CHAIRMAN</p>	

**EPPING FOREST DISTRICT LOCAL HIGHWAYS PANEL EXTRAORDINARY
MEETING MINUTES
20TH June 17:30
EPPING FOREST DISTRICT COUNCIL OFFICES,
COUNCIL CHAMBERS**

Chairman:	Cllr V Metcalfe
Attendees:	County Councillors R Gadsby, A Jackson, G Mohindra, C Pond, C Whitbread District Councillors N Avey, R Bassett, G Waller
Officers:	Sonia Church – Highways Liaison Manager Sarah Alcock – Highways Liaison Officer Q Durrani – EFDC
Minutes:	Cllr V Metcalfe

Item		Owner
1.	<p>Welcome and Introductions:</p> <p>The ECC appointed Chairman, Cllr V Metcalfe, welcomed those present and observed that although there were now new Terms of Reference for LHPs across the County, this meeting was taking place to replace the cancelled meeting in April 2017, in order to tie up the loose ends from the previous year. Also members noted that all County Councillors had had the opportunity to meet with the new Highways Liaison Officer, Sarah Alcock, in order to discuss progress and plans for schemes within their division.</p>	
2.	<p>APOLOGIES FOR ABSENCE</p> <p>Apologies for absence had been received from Cllrs M McEwen, E Webster, G Chambers.</p>	
3.	<p>Declarations of interest:</p> <p>There were no declarations of interest pursuant to the Council’s Code of Member Conduct.</p>	

4. MATCH FUNDING

Members noted that Epping Forest District Council had agreed a £50K contribution as matched funding for the LHP, which meant that with ECC's contribution £100K was available for additional schemes to be included in the 2017/18 approved programme of works. The schemes listed below were unanimously agreed by those present.

From the Approved Schemes - For 2018/19 Rolling Programme

39.	LEPP172001	B181/Upland Road, Epping Upland	Widening and signage design, including topographical survey and Road Safety Audit.	£5,000
51.	LEPP161003	Daws Hill j/w A112 Sewardstone Road, Sewardstone	Junction safety improvements.	£60,000

From the Potential Schemes List

27.	LEPP172019	Audley Gardens, Loughton	Street light assessment	£1,000
31.	LEPP162069	Dobbs Weir, Roydon- Footway	A feasibility study to investigate if a footway between Eldon Road and Lee Valley Regional Park Authority entrance is feasible.	£4,000
34.	LEPP172006	A112 Sewardstone Road (Dowding Way, Waltham Abbey to Baden Drive, Gilwell Hill)	Further investigation following road safety route based strategy	£5,000
35.	LEPP172007	B194 Waltham Abbey to Bumbles Green	Further investigation following road safety route based strategy	£5,000
36.	LEPP172008	Waltham Road j/w St Leonards Road	Further investigation following road safety route based strategy	£5,000

<p>5.</p>	<p>Members were asked to note</p> <p>(a) Indicative Programme List for Schemes Approved 2017/18.</p> <p>(b) The 2017/18 Budget Summary which showed a total of £350K</p> <p>(c) The new LHP Terms of Reference. The representatives from EFDC would be elected to serve on the LHP at the July Council Meeting. The Chairman reiterated that all County Councillors would be invited to attend meetings and that it was still hoped to revert to the previous composition of the EFDC LHP which had worked well in previous years.</p>	
<p>10.</p>	<p>Date of next meeting: Tuesday, 12 September 2017 Committee Room 2 – 5.30pm</p>	

EPPING FOREST DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 12TH SEPTEMBER 2017 REPORT 2 – APPROVED SCHEMES UPDATE

As part of the Essex County Council 2017/18 budget the 2017/18 capital budget for the Epping Forest Local Highways Panel (LHP) will remain the same as that for 2016/17, namely £349,774. Additionally Essex County Council have contributed a further £50,000 which has been match funded by Epping Forest District Council bringing the total Capital Budget for 2017/18 to £449,774.

The following report provides an update on the current position of all of the schemes which the Epping Forest Members discussed at the January panel meeting and the extraordinary June meeting that were recommended for inclusion in the 2017/18 programme.

The target for the delivery for all schemes is split into quarters, unless they have been identified as being for 2018-19 delivery in the report.

Specific dates for scheme progression will be provided when schemes have been formally programmed and road space booked.

The Approved Schemes List contains the schemes that Essex Highways commit to deliver in 17/18. Service delivery costs are towards the Highways Liaison Service.

2017/18 Budget Summary

Item	Amount
Total Capital Budget (including £50,000 ECC and £50,000 EFDC match funding)	£449,774
Service Costs	£43,000
Safer Road Schemes (meeting the intervention criteria)	£35,000
Total schemes for delivery in 17/18	£371,774

47	LEPP162004	Honey Lane, Waltham Abbey	Cllr Gadsby	Waltham Abbey	2018/19	Feasibility	To look at the land issue to install a pedestrian refuge	£3,000	Substantial amount of Corporation of London land required currently in discussion with them, so the feasibility study for the pedestrian refuge can be progressed.
48	LEPP162046	The Campus j/w Boarders Lane, Loughton	Cllr Pond	Loughton	2018/19	Total Scheme	Extended double yellow lines by approximately 15m on both sides of the junction	£4,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
49	LEPP162047	Brooklyn Avenue j/w Churchfields, Loughton	Cllr Pond	Loughton	2018/19	Total Scheme	Replace the single yellow line with 15m double yellow lines at the junction	£4,500	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
50	LEPP162003	Church Lane and Harlow Road Sheering	Parish Council	Sheering	2018/19	Total Scheme	3x advanced signs to be installed on the approaches to Church Lane - unsuitable for HGV's	£6,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
51	LEPP162024	A113 Romford Road	Parish Council	Stanford Rivers	2018/19	Total Scheme	Drainage works	£12,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.
52	LEPP162025	Watery Lane, Little Laver	Cllr Maggie McEwen	Epping	2018/19	Total Scheme	Quiet lane	£6,000	Panel decision required to fund this scheme for delivery in the 2018/19 financial year.

EPPING FOREST DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 12th SEPTEMBER 2017 REPORT 3 – POTENTIAL CAPITAL SCHEMES

As the capital budget for the Epping Forest Local Highway Panel has been fully committed the potential schemes list represents all of the schemes for which future consideration can be given.

It is recommended that Parishes or Councillors who wish to submit scheme requests for 2018-19 submit them in the coming weeks so that all of the necessary surveys and assessments can be undertaken during September and October to ensure the validation can be completed before the January meeting.

A comprehensive list of schemes will then be available in time for Members to consider for funding at the January Panel.

The value of the schemes currently on the potential list stands at £267,000, with further value set to be added throughout the year once feasibility studies and recent validations have been returned.

2017/18 Budget Summary	
Scheme Type	Total Estimated Costs
Traffic Management	£34,000
Passenger Transport	£29,000
Public Rights of Way	£199,000
Walking	£5,000
Cycling	£0
Congestion	£0
Total	£267,000

Members are reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

The following list identifies all of the scheme requests which have fed into the Epping Forest LHP. The RAG column acknowledges what the status of the scheme request is as below:

G	The scheme has been validated as being feasible and is available for consideration
A	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
R	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process

Traffic Management

Total Value of schemes	£34,000
-------------------------------	----------------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Pyrles Lane, Chester Road, Hillyfields - Implementation of a speed table	<p>1) Remove the existing material and replace with new material to current road specification</p> <p>2) Remove old warning signs related to the junction and install new 'staggered junction ahead' warning signs on yellow backing board including new posts along Chester Road and Hillyfields</p> <p>3) Install two new grey backed give way regulatory signs and two new grey backed "give way 'x' yards ahead" warning sign on Pyrles Lane (north and south) with new posts</p> <p>4) Take down some of the existing guard railing which is sited within the visibility splays for Pyrles Lane give way position and replace with PG2 type guard railing</p>	Cllr Pond raised concerns over the safety aspect of the existing table	Loughton	Implementation	LEPP172011	£29,000	<p>After full discussion at the March 2017 panel meeting, it was agreed that a formal decision would be deferred because of the anticipated changes to the 167 bus route.</p> <p>The bus route changes have now been completed, this location is in the process of being reviewed to see if the recommended measure are still relevant.</p>	R
2	Laundry Lane, Nazeing - Stopping up	To implement a ' No through Road' or install a lockable gate	The Lane is being used as a rat run and a prime location to fly tip	Nazeing	Total scheme	LEPP152078	TBC	As raised at the December meeting further discussions are still needed at a Highway Surgery with the Cabinet Member.	R
3	B181 Lindsey Street, Epping - VAS Sign	Install a VAS by Shaftesbury Farm going west	Vehicles are unclear they are still within the 30mph limit and speeding passed properties	Epping	Total scheme	LEPP172012	TBC	Against Officers recommendation. The speed limit at this location is 30mph. The 7 day average daily speed northwest bound was 35mph and 31.5mph southeast bound. Although the criteria is met northwest bound, drivers will drive at an appropriate speed for the geometry of the road. There are fields on one side of the carriageway and properties are set back. As drivers are leaving Epping they will likely accelerate once passed the majority of houses and this is the reason for the 35mph average.	R

Traffic Management

Total Value of schemes	£34,000
-------------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
4	A113 London Road, Stanford Rivers – North of Church Road - TMI	Remove the centre lining where the width of the carriageway is less than 55m	Perception of vehicles driving fast and creating a danger at this location due to the width of carriageway	Stanford Rivers	Total scheme	LEPP162033	TBC	In Validation.	V
5	Sedge Green, Roydon - Signage	Request for possible signage- (other danger ahead) with a 'road liable to flood' sub plate	Road regularly floods restricting the free flow of traffic	Nazeing	Total scheme	LEPP162036	TBC	Validation complete, however further discussions with the Parish Council are required to establish best solution.	V
6	Ivy Chimney Road, Epping	A feasibility study to be carried out to determine options to improve the parking issue along the footway	Local congestion caused by parked cars	Epping	Total scheme	LEPP172013	TBC	The feasibility is complete and has not identified any suitable engineering measures. The recommendation of a controlled parking zone is to be pursued via NEPP.	R
7	Highfield's Green j/w Bury Lane- Keep Clear Markings	A Keep Clear box at the junction to help vehicles exit when there is a high volume of traffic	Vehicles are struggling to exit the junction at peak times due to volume of traffic	Epping	Total scheme	LEPP162037	TBC	During the site visit there was no evidence of queuing across the junction.	R
8	Buckhurst Way, Buckhurst Hill	Traffic calming measures	Perception of vehicles speeding along this residential street	Buckhurst Hill	Total scheme	LEPP172014	TBC	The speed survey results were as follows; Southbound average 32mph Northbound average 29.7mph This shows excellent compliance so therefore doesn't meet the criteria for traffic calming.	R
9	Forest Lane, Chigwell	Traffic calming measures	Vehicles are travelling too fast along this narrow road	Chigwell	Total scheme	LEPP172015	TBC	Against policy. The speed limit at this location is 30mph. Following the 7day speed and volume survey, the average daily speed south bound was 28.4mph and 28mph north bound. This would be deemed very good compliance. There have been no accidents along this stretch of road. HLO to contact Parish Council to discuss issues.	R

Traffic Management

Total Value of schemes	£34,000
-------------------------------	----------------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
10	Alderton Hall Lane j/w Alderton Hill- Junction protection Markers	Install double yellow lines as junction protection markers	Vehicles are parking close to the junctions	Loughton	Total scheme	LEPP162041	TBC	Against officers recommendation. No parking was identified at the time of the site visit and the location is some distance away from any schools or town centre shops. Furthermore every house at and near the junction had off street parking provision for multiple vehicles. Therefore no on street parking issues were identified or considered to be problematic and no measures are proposed.	R
11	Lower Road / England Lane- junction protection markers	Install double yellow lines as junction protection markers	Vehicles are parking close to the junctions	Loughton	Total scheme	LEPP162042	TBC	Against officers recommendation. All properties near to the junction had off street parking provision and there are no properties located directly at the junction. No parking was observed at the time of the site visit.	R
12	St Johns Road / A121 both sides- Junction protection markers	Extend the double yellow lines by 15m due to new housing estate entrance being blocked by vehicles	Vehicles are parking close to the junctions and blocking of the entrance to the new housing facilities	Loughton	Total scheme	LEPP162043	TBC	Against officers recommendation. Double yellow lining are already implemented throughout the A121 junctions with Church Lane and St Johns Road. These extend around 15m into both junctions and would eradicate any visibility / safety concerns.	R
13	The Drive / Habgood	Replace the single yellow line with double yellow lines for junction protection	Vehicles are parking close to the junction	Loughton	Design	LEPP162044	TBC	This will include the design, Traffic Regulation Order and works / Supervision elements.	R
14	The Uplands, j/w entrance to Cricket Club	Install double yellow lines to reduce the parking on the bend of the Cricket Club entrance	Vehicles are blocking the entrance to the Cricket Club on regular occasions	Loughton	Total scheme	LEPP162045	TBC	Against officers recommendation. If cars are parked over the dropped crossing this would be an enforcement issue.	R

Traffic Management

Total Value of schemes	£34,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
15	Burney Drive / Colebrook Lane	To implement double yellow lines for a distance of approximately 15m from the junction	Vehicles are parking close to the junction	Loughton	Total scheme	LEPP162048	TBC	This will include the design, Traffic Regulation Order and works / Supervision elements.	R
16	Colebrooke j/w Colebrooke Gardens	To implement double yellow lines for a distance of approximately 15m from the junction	Vehicles are parking close to the junction	Loughton	Total scheme	LEPP162049	TBC	This will include the design, Traffic Regulation Order and works / Supervision elements.	R
17	Traps Hill, south side, entrance road to surgery	Install double yellow lines to improve sight lines of vehicles exiting the surgery	Vehicles are parking too close to the surgery entrance and vehicles are struggling to exit	Loughton	Total scheme	LEPP162050	TBC	Officers would not agree with installing junction protection markings at this location or the installation of the double yellow lines from this point to the A121. We do not install junction protection markings for individual drives / properties.	R
18	Fyfield Road, Ongar	Upgrade the existing zebra crossing	The existing crossing is being highly used by patients of the medical centre and children walking to Ongar Academy	Chipping Ongar	Total scheme	LEPP172016	TBC	Against policy. The speed limit at this location is 30mph. The Pedestrian / vehicle (PV2) survey over 7 days was 0.100. Where the value of a PV2 is below 0.2 then a signalised crossing point would not be justified.	R
19	Coopers Hill, Ongar - between Brentwood Road and The Borough	Traffic calming measure along this section of Coopers Hill	Perception that vehicles are travelling too fast along this section of Coopers Hill	Ongar	Total scheme	LEPP172017	TBC	Against policy. The speed limit at this location is 30mph. Following two 7day speed and volume surveys, the average daily speed South bound range from 28.8mph and 31.3mph and north bound range from 28.7mph and 30.6mph This would be deemed very good compliance.	R

Traffic Management

Total Value of schemes	£34,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
20	Fairmead Road at Crossroad to Robin Hood Roundabout	Install Horse Warning Signs	Vehicles are unaware that horse riders may be in the road	Waltham Abbey	Total scheme	LEPP162053	TBC	Not highway land so discussion needed with Corporation of London to ascertain if permission would be granted to place signage on their land. Also it was noted that there is existing cattle grid signage that actually states 'Horse drawn vehicles and animals' with an arrow directing towards the bypass facility. Therefore you would assume that motorists should already be aware that horses and horse drawn vehicles are likely to use the road.	R
21	Wake Road j/w Woodridden Hill, Waltham Abbey	Install Horse Warning Signs	Vehicles are unaware that horse riders may be in the road	Waltham Abbey	Total scheme	LEPP162054	TBC	The highway boundary data that has been obtained shows that we do not own any of the verges adjacent to the carriageway along Woodridden Hill. Therefore discussions are needed with Corporation of London.	R
22	Avey Lane, Waltham Abbey	Install Horse Warning Signs	Vehicles are unaware that horse riders may be in the road	Waltham Abbey	Total scheme	LEPP162055	TBC	Horse warning signage has already been installed at the western end of the road for eastbound traffic. All eastbound traffic would enter via Sewardstone Road and the signage is in advance of all of the stables. The highway boundary data that has been received shows that there is very little available space to implement any signage at the eastern end of the road. Not Highway land so discussion needed with Corporation of London	R
23	Mott Street, Waltham Abbey	Install Horse Warning Signs	Vehicles are unaware that horse riders may be in the road	Waltham Abbey	Total scheme	LEPP162056	TBC	From reviewing the highway boundary data and from site observations there appears to be limited space to install horse warning signage along Mott Street.	R
24	Daws Hill and Bury Road, Waltham Abbey	Install horse warning signs	Vehicles are unaware that horse riders may be in the road	Waltham Abbey	Total scheme	LEPP162057	TBC	Two horse warning signs have already been installed towards the southern end of Bury Lane. Any additional signage is considered to be excessive.	R

Traffic Management

Total Value of schemes	£34,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
25	Mott Street, Waltham Abbey	Advisory '20mph when lights show' sign and wigwags on both approaches to the Primary School	Perception that vehicles are driving too fast passed the school and drivers need to be made aware of the Primary School	Waltham Abbey	Total scheme	LEPP162058	TBC	Officers recommendation is not to progress this request. The speed survey does not indicate a speeding issue as mean speeds are below 20mph. Therefore it is considered there is little benefit in providing such facilities.	R
26	Pick Hill, Waltham Abbey	Investigate if Pick Hill can be made a one way	Single track road where vehicles struggle to pass each other	Waltham Abbey	Feasibility	LEPP162065	TBC	Awaiting survey result	V
27	Epping Road, Roydon-Safety improvements	There is currently no footway to gain access to the bus stop along Epping Road	Children are crossing the road at an unsafe point to gain access to the bus stop	Roydon	Total scheme	LEPP162067	TBC	Officers recommendation is not to progress this scheme. From reviewing the highway boundary data and from site observations there appears to be limited space to install a footpath at this location and also the bend in the road restricts visibility.	R
28	Forest Lane j/w New Forest Lane & Manor Road	Request to look into safety improvements at the junction	Many accidents have occurred at this junction and improvements are needed	Chigwell	Feasibility	LEPP162066	£5,000	Validation complete, Road Safety have suggested exploring options of keeping road users along Tomswood Rd and then onto B173 Manor Rd rather than using New Forest Lane as a cut through – such as a possible left turn only out of New Forest Lane.	G
29	Dobbs Weir, Roydon	A request to improve the build out along Dobbs Weir Road	The current design of the build out is not slowing traffic	Roydon	Total scheme	LEPP162068	TBC	Speed survey undertaken does not indicate a speeding issue average daily speeds were 30.7mph Eastbound and 29.3mph Westbound. Therefore Officers recommendations are to make no changes to the current build outs.	R
30	Tyler's Cross Roundabout-Signage	Request to look into warning signage for farm vehicles at the junction between B1133 and B181 of the roundabout	Vehicles travelling down the B1133 and B181 are unaware that farm traffic may be pulling out from the junction in-between	Roydon	Total scheme	LEPP162070	TBC	This location was assessed and the existing warning signage was deemed adequate. There have been no reported accidents at this location involving farm traffic.	R

Traffic Management

Total Value of schemes	£34,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
31	Loughton Way, Buckhurst Hill	Traffic calming measures	Perceived speed issue at this location	Buckhurst Hill	Total scheme	LEPP172018	TBC	The speed survey results were as follows; Southbound average 32.5mph Northbound average 33.5mph The results would indicate that there is not a generic speeding problem. Therefore doesn't meet the criteria for traffic calming.	R
32	Oak Hill Road, Stapleford Abbots	Dropped kerb opposite Redbridge, Oak Hill Stapleford Abbots	Local resident in wheelchair is unable to negotiate kerbs	Stapleford Abbots		LEPP172010	TBC	In Validation.	V
33	Romford Road j/w Lambourne Road	To look at possible engineering solutions to prevent unauthorised access to EFDC car park	A number of traveller families in vehicles & caravans had illegally gained access and set up camp in a small access road/car park that serves Chigwell Row Recreation Area This has happened twice this year in February and July	Chigwell		LEPP172020	TBC	Site visited by validation Engineer and HLO. The width of the footway may not be wide enough to accommodate the amount of bollards/guard railing required to prevent access to EFDC car park, as they need to be set back 450mm from the edge of the carriageway, this would restrict the footway making it difficult for pedestrians with pushchairs and mobility scooters. It was also noted that there are utility apparatus in the footway that if they need to be diverted will be costly. Officer recommendation is not to proceed as this is not a highway improvement scheme.	R
34	Church Road, Buckhurst Hill	Request to look at improving signage at bend before the church and school to warn drivers to slow down	Safety concerns of speeding vehicles travelling East along Church Road towards Buckhurst Hill High Road as they approach the bend	Buckhurst Hill		LEPP172021	TBC	In validation.	V
35	Stonards Hill j/w Alderton Way	Request to install bollard to prevent parking on the junction	Concerns of destruction of grass verge caused by inconsiderate parking	Loughton		LEPP172022	TBC	In validation.	V
36	Garnon Mead/Garnon Bushes Pathway	Request for footway from the corner of Garnon Mead, Coopersale, Nr Epping, Essex past the Garnon Bushes Public House to join the existing footpath	A number of residents have contacted Cllr Whitbread with regards to the lack of a pathway from the corner of Garnon Mead, Coopersale, Nr Epping, Essex past the Garnon Bushes Public House to join the existing footpath and give safe passage to the local shops	Epping		LEPP172028	TBC	In validation.	V

37	Epping Road - Theydon Bois	Request for traffic calming measures or VAS to get drivers to slow down	The apparent narrow width of the road and a perceived speeding of vehicles is causing concerns for residents Vehicles are mounting the kerb to pass each other	Theydon Bois		LEPP172023	TBC	In validation.	V
38	ButtercrossLane - Street Lighting	Request for more street lighting	It currently has three street lights running the length of the Lane Leaving it very badly lit and over the past year has been subject to problems with anti social behaviour	Epping		LEPP172024	TBC	In validation.	V
39	j/w Fiddlers Hamlet/Stewards Green Road and Coopersale Street	Request for traffic calming/safety measures as this junction	Concerns raised by resident that the junction of Fiddlers Hamlet/Stewards Green Road and Coopersale Street is a dangerous junction where there have been a number of reported incidents	Epping		LEPP172025	TBC	In validation.	V
40	Bell Common to the j/w Epping Road	Request for traffic calming from the stretch of Bell Common, Epping from the Forest Gate Inn junction with Epping Road to the end of the adopted road section on to the High Road	The apparent narrow width of the road and a perceived speeding of vehicles is causing concerns for residents	Epping		LEPP172026	TBC	In validation.	V
41	Thornwood Common on the B1393 - Pedestrian Refuge	Request for a pedestrian refuge	Perceived speeding vehicles makes it difficult for pedestrians to cross the road to the bus stop	Epping		LEPP172027	TBC	In validation.	V
42	j/w Lower Queens Road and Albert Road, Buckhurst Hill	Request for signage at the junction of Lower Queens Road and Albert Road, Buckhurst Hill on the approach to Queens Court nursing and residential home	Request from Manager of Queens Court home as paramedics etc have difficulty in locating Queens Court nursing home	Buckhurst Hill		LEPP172028	TBC	In validation.	V

Passenger Transport

Total Value of schemes	£29,000
------------------------	----------------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	42001003 Stops at Baldwins Hill- PT	Increase hardstand area, provide barriers and general bus stop improvements	The current hardstand area is too small for pedestrians and not safe	Loughton	Implementation	LEPP165010	£13,000	It was agreed to defer this at the March panel until further notice. Following on from the detailed design.	R
2	Chigwell Rise, Chigwell - PT	To install new Kassel Kerbs and footway works at newly installed bus stop	Currently stops are too far away and an additional one is needed	Chigwell	Total scheme	LEPP175004	TBC	This scheme including costings will need to be revisited, as previous request for top up was rejected by the panel.	R
3	Opposite Carpenters Arms, Thornwood	Install a bus shelter	Currently there is no stop at the bus stop	Epping	Total scheme	LEPP175005	£6,000		G
4	Outside Stewards Green	Install a bus shelter	Currently there is no stop at the bus stop	Epping	Total scheme	LEPP175006	£10,000		G
5	Bushfields near corner of Deepdene Road - Bus shelter	Request for a new bus shelter	Currently there is bus shelter at this location	Loughton	Total scheme	LEPP175007	TBC	In validation.	

Public Rights of Way

Total Value of schemes	£199,000
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Byway 61, Willingale - PROW Improvements	1) Clear the ditches to protect any new surface from water damage 2) Remove side overgrowth to let air and sunlight onto the byway so it dries out 3) Improve the vehicle access along the byway	Unsafe state of the byway for users Places with deep ruts filled with water	Willingale	Total scheme	LEPP168001	£39,000		G
2	Bridleway 66 - PROW Improvements	1) Improvements to the drainage of the surface 2) Ditch clearance and cutting of grips 3) Overlay the surface with road planings and compact firmly	Boggy, underlating and uneven surface that makes the bridleway a very difficult route to follow	Waltham Abbey	Total scheme	LEPP168002	£35,000	Not all of bridleway but approximately less than 600m of total length will require extensive work.	G
3	Bridleway 89 - PROW Improvements	1) Improvements to the drainage of the surface 2) Ditch clearance and cutting of grips 3) Overlay the surface with road planings and compact firmly	Boggy, undulating and uneven surface which in part has been due to damage caused by misuse which now makes the bridleway a very difficult route to follow	Waltham Abbey	Total scheme	LEPP168003	£25,000	Not all of bridleway but approximately less than 300m of total length will require extensive work.	G
4	Footpath 3 - PROW Improvements	1) The embankment to be shored up with concrete bag work 2) Infill with concrete and planings and compact firmly	Path is disappearing into the river The footpath at present is uneven and difficult in places to negotiate if unsure of footings In poor light, the issues may be intensified	Theydon Bois	Total scheme	LEPP168004	£50,000	HLO liaised with Maintenance and although there is a maintenance budget this is not enough to deliver the works that are required for PROW, therefore other funding is sought to maintain PROW network.	G

Public Rights of Way

Total Value of schemes	£199,000
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
5	Byway 21 - PROW Improvements	Undertake improvement works to the drainage and surface to enhance the accessibility for all users of the byways	At present the lane is partly naturally surfaced Some sections are open and exposed to the elements while the majority is enclosed by trees and hedges The constant use by motorised vehicles has made a section of the route almost impassable for most parts of the year The lane becomes highly waterlogged, rutted and boggy and is very difficult to negotiate and dangerous to use for all users There have been instances of horses and four-wheel users becoming stuck	Fyfield	Total scheme	LEPP168005	£50,000		G
6	Public Bridleway no 14 from Forest Way to Woodbury Hill	Request to resurface the bridleway	Badly deteriorated surface	Loughton	Total scheme	LEPP178001	TBC	Scheme to be assessed by the PROW Team.	V

Walking

Total Value of schemes	£5,000
------------------------	--------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Church Road, Moreton - Footway	Installation of a footway for 32m outside Moreton Primary School	The lack of footway is forcing school children into the road. Other facilities including the village hall and the church require pedestrian access which is not currently available.	Moreton	Implementation	LEPP173001	TBC	The implementation cost is around £20k, however we will need to relocate GigaClear Fibre Optics and until the relocation costs are provided we will not have an estimate for the total cost.	A
2	Church Lane to The Rabbits bus stop - Footway	Request for a footpath to make access to The Rabbits bus stop easier for residents that live down Church Lane	Residents down Church Lane are finding it hard to access The Rabbits bus stop as there is currently no footway.	Stapleford Abbots	Design Only	LEPP163001	£5,000	The design will also include a street lighting assessment, any ecology assessments as well as Safety Audit requirements.	G

EPPING FORESTDISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 12TH SEPTEMBER 2017 REPORT 4: HIGHWAYS RANGERS

The process surrounding making requests for works by the Epping Forest Rangers changed in April.

In line with a uniformed process across all twelve District / Borough and City Councils in Essex all Parishes and Councillors in Essex were emailed in April 2017 outlining the new way of working.

The main amendment being that requests are to be completed on the Rangers Request form supplied in the email and returned to the dedicated LHP Rangers email address instead of submitting the request using the online portal.

Requests will then be collated and submitted to the Rangers team on a monthly basis.

We will be unable to provide timescales for when specific requests will be attended to as the nature of the request and the time of year will dictate the priorities which will be assigned by the Rangers team.

The lists of requests and completion dates where appropriate will be reported back to the Panel at the quarterly LHP meetings.

The following report identifies the Rangers requests for the months of April to July.

April
