Civic Suite, 2 Hockley Road, Rayleigh SS6 8EB

Chairman for the meeting:	Cllr Mrs J Lumley (ECC)
Panel Members:	Cllrs T Cutmore (ECC), B Hazlewood (RDC), C Roe (RDC), G Ioannou (RDC)
Visiting Member:	Cllr M Steptoe (ECC)
Officers:	D Maclean – ECC Highways Liaison Officer (DM), S Church – ECC Highways Liaison Manager (SC)
Secretariat:	M Power – RDC Democratic Services

Item		Owner
1.	The Chairman welcomed Dan Maclean, the new Highways Liaison Officer for Rochford LHP.	
2.	Apologies for absence were received from Cllr M Maddocks.	
3.	Declarations of interest: Cllrs Mrs J Lumley and Mrs C Roe each declared an interest in items on the Agenda by virtue of being Members of Rayleigh Town Council. Cllr G Ioannou declared an interest in items on the Agenda by virtue of being Chairman of Stambridge Parish Council. Cllr B Hazlewood declared an interest in items on the Agenda by virtue of being a Member of Hockley Parish Council. Cllr M Steptoe declared an interest in items on the Agenda by virtue of being a Member of Barling Parish Council.	
4.	The Minutes of the meeting held on 21 December 2017 were agreed as correct record.	
5.	<p>High Street zebra crossing, Great Wakering – works due to be completed by the end of the financial year.</p> <p>Barling Road, Barling – footway. Works completed. The final cost of the works was likely to be lower than the £33,000 allocated: this would be confirmed at the June meeting.</p>	

<p>The Cabinet Member for Highways, Cllr Grundy, would be making a decision on how final costs of works would be reported to Highways Panels going forward.</p> <p>Approved Works Programme Update:</p> <p>A budget of £214,000 for 2018/19 for the Rochford LHP had been confirmed but awaiting Cabinet Member sign-off. Rochford LHP programme of works was currently over commissioned.</p> <p>Cllr Grundy would review the four casualty reduction schemes for 2018/19 on 20 March. (The A129 Southend Road j/w Old London Road scheme had not met first year rate of return criteria and as a result may not be progressed.)</p> <p>The Panel was asked to review the schemes designated at the last meeting as High Priority, as follows:-</p> <p>Shoplund Road, Sutton – SLOW marking. This may not have to be funded from the LHP budget as it is part of the road surfacing programme.</p> <p>Canewdon, Ashingdon & Stambridge – weight limit review. There is an issue with enforcement as Trading Standards no longer has responsibility for enforcement. If the existing sign can be used, there will be no cost to the Panel’s budget for a replacement. A copy of the feasibility study to be sent to Cllrs Cutmore and Ioannou.</p> <p>Sutton Road j/w Shoplands Road – roundabout. There is the potential for S106 monies from proposed developments.</p> <p>Barrow Hall Road j/w Little Wakering Road – Give Way sign. S Church advised that a direct delivery team, dedicated to LHP work, had been formed, which would be able to undertake signs, lines, dropped kerbs etc for schemes at a significantly lower cost.</p> <p>Eastwood Road, opp Sainsbury’s, Rayleigh – signalised crossing. If design agreed, implementation could be early 2019/20.</p> <p>Rawreth Lane and Laburnum Way – culvert works. Detailed design works to be undertaken. Implementation as part of the surface water alleviation scheme in the area.</p> <p>Great Wakering High Street – tactile paving. Can be passed to the direct delivery team for implementation. <u>MEDIUM PRIORITY</u></p>	<p>DM</p>
--	-----------

	<p>Lambourne Hall Road, Canewdon – tactile paving. <u>MEDIUM PRIORITY</u></p> <p>Twyford Avenue, Great Wakering – grasscreting. <u>LOW PRIORITY</u></p> <p>Rochford Garden Way, Rochford - grasscreting. <u>LOW PRIORITY</u></p> <p>(Neither grasscreting scheme is a priority from a Highways and Traffic Management perspective. There is also the issue of ongoing maintenance.)</p>	
<p>6.</p>	<p>Potential Capital Schemes</p> <p>These schemes do not have funding allocated but can be validated and added to the Future Schemes List. (The Public Rights of Way team can be approached in respect of maintenance/surfacing.)</p> <p>Hanover Bridge, Watery Lane/Beeches Road – weak bridge signage. Feasibility study is available and would be circulated to the Panel by email. The Scheme would look at advanced directional signage so lorries could be forewarned. The implementation cost would be £70,000. To be added to the Programme – <u>MEDIUM PRIORITY</u>. It was noted that the development work taking place might alter the road layout, which would affect traffic flow, which in turn would determine where the signs should be placed. There would be a need for liaison with the planners/developers and the developer could be asked to contribute financially.</p> <p>Station Crescent, Rayleigh – speeding. <u>REMOVE</u> due to average speeds recorded not breaching the 30mph speed limit. Contact Rayleigh Town Council regarding adding the road to their Speed Watch programme.</p> <p>Rochford Town Centre, Market Square – regeneration. The development team for Rocheway school had offered £10,000 towards looking at possible improvements to the market square area. The Cabinet Member for Highways could allow third parties to fund highways schemes. An application could be submitted to the LHP. If approved, the scheme could be added to the list for validation. Detail to be discussed after the meeting (S Church/Cllr Steptoe).</p> <p>Ashingdon Road, Rochford – Holt Farm School congestion. The school was supportive of putting in a South Essex Parking Partnership scheme to address the issue – IN VALIDATION.</p>	<p>DM</p> <p>DM</p>

	<p>Fountain Lane, Hockley – speeding vehicles. No speeding issues recorded and no HGV movement. REMOVE.</p> <p>Southend Road, Great Wakering – speeding traffic. DM to feed back validation results to Cllr Steptoe when available. The scheme is urgent due to the lack of footpath on this stretch of road.</p> <p>A129 London Road, Rayleigh – crossing facility. S106 monies available for improving the pedestrian facility. Survey to be arranged and results sent to Cllr Maddocks.</p> <p>Ashingdon Road – road rounder. This is a small scheme and could be dealt with directly by the Panel at its June meeting.</p> <p>Plumberow Avenue, adj Greensward Lane, Hockley – bus info board. This is not currently strategically viable – <u>REMOVE</u> from list. The location could be considered for inclusion in a future scheme.</p> <p>Revenue Budget. A revenue budget for 2018/19 had been agreed at approximately £5,000. The Highways Rangers service had used some of the total revenue budget.</p> <p>Section 106 Schemes. S106 Rochford Contribution list. A detailed report would be available that would show all S106 contributions coming in. As planning applications are received the system would log and keep a record of progress and could provide a notification on what the monies have been spent on. S106 funds have an expiry date, by which time works must have been started on site.</p> <p>Sweyne Park school site. An update would be provided at the June meeting.</p>	<p>DM</p> <p>DM</p> <p>DM</p> <p>DM</p> <p>DM</p> <p>DM</p>
7.	<p>Rangers Work summary:</p> <p>The Highways Rangers are now under the direct control of Rochford District Council.</p> <p>Only completed works are shown on the list currently. A full list, including outstanding works, would be circulated to the Panel electronically.</p> <p>An instruction sheet on how to raise jobs via the Rangers inbox would be recirculated. Parish Clerks would use the same inbox to log job requests.</p>	<p>DM</p> <p>DM</p>

9.	Any Other Business (1) Cllr Roe requested a speed survey in The Chase, Rayleigh as there were ongoing issues with speeding. Form to be submitted with details of exact location. (2) The ECC Maintenance Team would maintain road signs. Highways Rangers could be asked to clean signs as long as they were in a 30mph maximum speed area. (3) Canewdon Parish Council had requested that the zigzags in front of the Canewdon School be extended. Cllr Cutmore, as County Member, would sign off the request, which could then be submitted. (4) Cllr Steptoe to be provided with any previous speed surveys undertaken along Hall Road, Rochford that were still valid. He had received complaints from residents of speeding. (5) Great Wakering Church corner with New Road and Shoebury Road – accidents had occurred. Cllr Steptoe to send details of accidents reported to S Church. (6) Cupids Corner, Great Wakering – there had been a history of accidents and residents reported speeding incidents – to be logged. Access to accident data was available to County Members via Essex Traffweb. (7) Starr Lane, Great Wakering – report of an accident. Further information to be provided. (8) Church Road, Hockley – two signs needed maintenance work. Cllr Hazlewood to report via Maintenance team on ECCH website. VAS in Church Road to be repaired. Cllr Hazlewood to be advised. (9) The Stambridge School – bend by the church. The walk from the church to the school was along a narrow path. A request for a barrier between the wall of the school and the road. A site visit to be undertaken by the HLO. (10) Larkhill Road – death of horse. Agreed site survey with a view to creating bridleway behind the hedges and off the road.	Cllr Roe Cllr Cutmore Cllr Steptoe DM DM DM
-----------	---	--

	<p>(11) Brays Lane, Canewdon. Cllr Ioannou to be advised of owner (from land registry).</p> <p>The Panel wished to record a vote of thanks to Gregg Speller for his hard work and help in his role as the Panel's Highways Liaison Officer over the past three years.</p>	
10.	<p>Date of next meeting: 21 June 2018</p> <p>The meeting started at 2 pm and closed at 3.51 pm.</p>	

ROCHFORD DISTRICT LOCAL HIGHWAY PANEL

Approved Works Programme – June 2018 Update

The following report provides an update on the current position of all of the schemes which the Rochford District Local Highway Panel (LHP) had recommended for inclusion in the 2018/19 Works Programme.

The Approved Works Programme is shown in two parts, firstly those schemes for delivery within the 2018/19 financial year and secondly those schemes which are within the rolling programme for future delivery.

The scheme finish dates have been allocated year quarters until such a time that we have an accurate month for delivery and the road space has been booked, whereupon the month can be shown.

For the information of the Panel our Safer Roads team have identified four Safer Roads schemes within Rochford District which will need to be delivered in 2018/19. They are now included within the Approved Works Programme.

Members are also reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost could change significantly dependant on issues which may arise especially during detailed design and construction. The estimated scheme costs on the Rolling Programme/Potential Scheme List have been reviewed and adjusted as necessary to reflect this.

ROCHFORD DISTRICT LOCAL HIGHWAY PANEL POTENTIAL SCHEMES LIST

This Potential Scheme List identifies all of the scheme requests which have been received for the consideration of the Rochford District Local Highways Panel. In order for the design teams to programme the works as efficiently as possible, the Panel will again be asked to start to develop their 2019/20 Approved Works Programme at the December 2018 meeting.

At this stage we would ask the Panel to review the schemes on the current Potential Scheme List, to consider those they may wish to fund in the future and to remove any that the Panel would not wish to fund.

There are currently potential schemes with an estimated cost of £32,000 as shown in the summary below -

Ref	Location	Description	Problem	Parish	Cost Code	Estimated cost	Comments	RAG
1	Ferndale Rd, Rayleigh - Junction Visibility	Concerns have been raised over the visibility of the junction of Ferndale Rd and Hullbridge Rd	It has been reported vehicular accidents and near misses have regularly occurred at this junction when vehicles try to negotiate turning into and out of Ferndale Road	Rayleigh	LROC172089	£10,000	Recommended to install appropriate gateway features and junction warning signage on both approaches.	G
2	Rochford Town Centre, Market Square – Regeneration	A request has been received to look into carrying out a layout change and upgrade of the Rochford Town Centre Market Square as described within Rochford's Area Action Plan	Improvements are required to reduce congestion along West Street and to make more effective use of the available space to allow for increased parking facilities within Market Square	Rochford	LROC172094	£5,000	Validation - Recommendation to undertake feasibility study to look into possible improvements suggested in the Rochford Town Centre Area Action Plan.	G
3	Ashingdon Road, Rochford - Holt Farm School Congestion	Request to look into the problems surrounding congestions and antisocial parking at school times	Due to the wide nature of the existing footways and the location of the school, during school pick up and drop off times vehicles are parking in considerately and blocking footways and residents driveways	Rochford	LROC172097	NA	Validation - Parking restrictions will only move the problem further along the same road or into neighbouring roads. Suggested that contact is made with the school directly, to determine whether there are any initiatives that they could be part of in order to address inconsiderate parking practices	R
4	Southend Rd, Gt Wakering - Speeding Traffic	Request to look into possible options to improve safety for residents living along Southend Road	Residents have raised concerns about speeding vehicles and the lack of footway along Southend Road, Gt Wakering making the road dangerous for pedestrians	Gt Wakering	LROC172099	NA	Validation - speed survey showed good compliance with speed limit. No further action required at this time.	R

5	Victoria Avenue, Cheapside West, Rayleigh - Traffic Management improvement	Speed and volume of traffic	Speed and volume of traffic	Rayleigh	LROC172012	£8,000	Validation - Average speeds are below 30mph, although there are a few instances of vehicles speeding during the hours of darkness. Speed cushions could be installed but residents will need to be informed of the noise and vibration issues that arise from speed cushions. Strong local public support will be required to proceed with this measure. Liaison with stakeholders required.	G
6	Glasseys Lane through to Eastwood Road A129, Rayleigh	Traffic management improvements	congestion	Rayleigh	LROC172103	NA	Validation - Installing speed cushions would have a detrimental impact on the surrounding areas. One option may be to consult with the civil amenity centre to see if there is a better way to work the closures to minimise disruption to the local area.	R
7	A129 London Road, Rayleigh - Crossing Facility	Request to look into possible solutions to assist pedestrians crossing the road at the newly constructed BP M&S garage	Due to the increase of pedestrians crossing the road to the M&S there is concern that no crossing point is present	Rayleigh	LROC172101	TBC	In validation - awaiting copy of results from ATC / LNK survey.	V
8	Ashingdon Road – Road Roundel	A request has been received to look into the possibility of painting a speed limit road roundel on Ashingdon Road, Rochford	The Parish Council have reported that residents have raised issues with perceived speeding along Ashingdon Road where the 40mph becomes a 30mph limit close to Ashingdon Primary Academy	Ashingdon	LROC182104	£6,000	Validation - Roundels could be introduced; however, any deterioration would be assessed in accordance with the maintenance Strategy, risk assessed and prioritised in accordance with the remaining defects at a County wide Level. Scheme should also include a review of the signage on approach to the speed limit change, as well as adjacent vegetation cutting.	G
