

ROCHFORD LOCAL HIGHWAYS PANEL MEETING AGENDA

Date:	10 December 2018
Time:	14:00
Venue:	Meeting Room 4 – Civic Suite, 2 Hockley Road, Rayleigh, SS6 8EB
Chairman:	Cllr Malcolm Maddocks (ECC)
Vice Chairman:	Cllr June Lumley (ECC)
Panel Members:	Cllr Mike Steptoe (ECC), Cllr Carole Weston (ECC), Cllr Terry Cutmore (ECC), Cllr George Ioannou (RDC), Cllr Brian Hazlewood (RDC), Cllr Ian Ward (RDC), Cllr Cheryl Roe (RDC)
Officers:	Sonia Church – Highways Liaison Manager, Daniel Maclean – Highways Liaison Officer
Secretariat:	Ian Henderson – Senior Road Safety Engineer Michelle Power – Democratic Services Officer, Member Services, Democratic Services, Rochford District Council

Page	Ref.	Item	Owner
	1.	Welcome and introductions	Chairman
	2.	Apologies for absence	All
	3.	Declarations of interest	All
2 - 6	4.	Minutes of meeting held on 27 September 2018 to be agreed as correct record	Chairman
	5.	Matters Arising from Minutes of the previous meeting	All
	6.	Casualty Reduction sites identified for 2019/20	Ian Henderson
7 - 9	7.	Approved Works Programme update 2018/19	Dan Maclean
10 - 17	8.	Potential Schemes list for consideration	Dan Maclean
18	9.	Section 106 Update	Dan Maclean
19	10.	2018/19 Revenue Spend update	Dan Maclean
20 - 29	11.	Highway Rangers update	Dan Maclean
	12.	Any other business	All

Date of next meeting – 18 March 2018

**ROCHFORD LOCAL HIGHWAYS PANEL MINUTES
27 SEPTEMBER 2018 AT 2.00 PM**

**COMMITTEE ROOM 4, CIVIC SUITE, RAYLEIGH
Civic Suite, 2 Hockley Road, Rayleigh, SS6 8EB**

Chairman for the meeting:	Cllr Mrs J R Lumley (ECC)
Panel Members:	Cllrs B T Hazlewood (RDC), G J Ioannou (RDC), Mrs C E Roe (RDC), M J Steptoe (ECC) and Mrs C A Weston (ECC)
Officers:	S Church – ECC Highways Liaison Manager (ECC) (SC), D Maclean – ECC Highways Liaison Officer (ECC) (DM)
Secretariat:	M Power – RDC Democratic Services Officer

Item		Owner
1.	The Chairman welcomed all to the meeting.	
2.	Apologies for absence were received from Cllrs M Maddocks (ECC) and I H Ward (RDC).	
3.	Declarations of interest: Cllrs Mrs J R Lumley declared a non-pecuniary interest in the items on the agenda by virtue of being a Member of Rochford District Council and of Rayleigh Town Council. Cllrs Mrs C E Roe, M J Steptoe and G J Ioannou each declared a non-pecuniary interest in the items on the agenda by virtue of membership of Rayleigh Town Council, Barling Magna Parish Council and Stambridge Parish Council respectively.	
4.	The Minutes of meeting held on 21 June 2018 were agreed as correct record.	
5.	MATTERS ARISING Station Crescent, Rayleigh – Speeding The Neighbourhood Policing Team had approved Station Crescent as a Speed Watch testing centre. A speed survey would be carried out in this location. Barrow Hall Road, Barling Cllr Steptoe had visited the site. DM advised that the Highways Rangers had cut back the vegetation to improve visibility. DM to discuss with Cllr Steptoe the issue of vehicles coming off the road.	 DM DM

	<p>Central Hockley Railings had been badly damaged – this had been passed to Maintenance for repairs to be undertaken.</p> <p>High Street Zebra Crossing, Great Wakering Passenger Transport had confirmed that it is legal for a bus to park on the zig zags. However, this particular case may not fall within this definition – to be confirmed. DM to update Cllr Steptoe.</p> <p>Request for another crossing in Great Wakering. Concern about the safety of elderly people in sheltered schemes along this busy road had been made to Cllr Mrs Lumley. Exact location to be provided to DM from the Community Policy team with comments from local police.</p>	<p>DM</p> <p>DM</p>
<p>6.</p>	<p>Approved Works Programme Update 2018/19:</p> <p>Hullbridge Road, Rawreth - Zebra lighting upgrade The scheme to be put on hold to see if works can be achieved as part of development in this area.</p> <p>Spa Road, Hockley/Southend Road, opposite White Hart, Hockley/Southend Road, Hawkwell – Zebra Lighting upgrades Design complete.</p> <p>Shopland Road, Sutton – SLOW Marking The SLOW marking has been completed. Carriageway markings are a maintenance issue and not included.</p> <p>Barrow Hall Road j/w Little Wakering Road – Give Way Sign Completed.</p> <p>Rawreth Lane and Laburnum Way – Culvert Works Once complete, the finished design will be passed to the Flood Team to undertake the works.</p> <p>A129 London Road, Rawreth – Traffic Island Completed. DM to confirm exact location with Cllr Mrs Lumley.</p>	<p>DM</p>
	<p>Potential Schemes List for Consideration:</p> <p>Rochford Town Centre, Market Square – feasibility study to look into possible improvements suggested in the Rochford Town Centre Area Action Plan. Cllr Steptoe to meet with S Scrutton (RDC) and G Speller (ECC) on 12 October in respect of a developer contribution.</p>	

	<p>The Direct Delivery Team is now operational, so the Panel can put forward one of the following from the potential schemes list, at no additional cost. Both these schemes fall within the Direct Delivery remit. (There may be the opportunity to do both schemes.)</p> <p>Ferndale Road, Rayleigh – Junction Visibility or Ashingdon Road – Road Roundel (Any deterioration would not be addressed by the LHP, but by the maintenance team.)</p> <p><u>Agreed</u> that the Ashingdon Road scheme be put forward as there was less design work attached and it was therefore likely to be more quickly achievable.</p> <p>Victoria Avenue, Cheapside West, Rayleigh – Traffic Management Improvement A letter drop had been done (to the junction with Cheapside West on both sides) to obtain feedback from residents on the option of installing speed cushions. Responses would be collated by the end of September and circulated to the Panel.</p> <p>Lark Hill Road, Canewdon – speed limit reduction Following a discussion with Cllr Bentley, the Cabinet Member for Infrastructure, the policy objection previously in place would be lifted, meaning that the 40mph speed limit could potentially go ahead and is currently in validation.</p> <p>Lark Hill Road, Canewdon – horse warning signs and carriageway markings. This scheme was put forward to improve road safety – but only in the event that the speed limit reduction (above) was disallowed. In response to a query from Cllr Mrs Weston, DM advised that the option of a flashing horse warning sign had not been a part of the proposals. The matter could be raised with the County Member for this Division (Cllr Ioannou to be copied in).</p> <p>Priory Chase, Rayleigh – bollards on footway The Cabinet Member for Infrastructure had announced that some time in the future certain aspects, including bollards, will be devolved to Parish/Town Councils. Currently, the NALC had been asked to put forward Parish Councils who would be willing to undertake a trial.</p> <p>London Road, Rayleigh – Pedestrian crossing. The works may be included in an adjacent development – scheme to be put on hold until confirmation is received.</p>	DM
8.	<p>Section 106 Update</p> <p>Sutton Road/Purdey’s Way – Passenger Transport</p>	

	It was noted that the parish is Sutton, not Ashingdon	
	<p>Speed Surveys The results of speed surveys completed would be provided to Members. A number of requests received during the summer holidays had been left until term time to be undertaken. A column showing details of speed surveys undertaken would be included in future reports.</p> <p>Lark Hill Road, Canewdon District and County Members have been informed.</p> <p>Survey points at Warner’s Bridge. These surveys were not being done by the LHP and, therefore, the LHP would not automatically have access to the data from them. S Church to find out whether Essex Highways has to give permission for private companies to undertake surveys on the highway.</p>	SC
9.	<p>Highway Rangers Update A full list of works is on the LHP webpage.</p> <p>Stambridge Road – Opposite Coombes Farm – overgrown vegetation (Page 1) Cllr Ioannou advised that this had been done, so could be removed from the list.</p> <p>Barrow Hall Road (Page 2) As this is 60mph it is outside the remit of the Rangers. Nothing getting done. The Rangers can clean the signs.</p> <p>Landwick before the entrance to Foulness An overgrown hedge has been reported but had not been trimmed. This should be raised with Member Enquiries as they will investigate and contact the resident.</p> <p>Footpath 22, Heron Gardens The PROW team was arranging for the contractor to undertake works.</p>	
10.	<p>Any Other Business:</p> <p>The wigwag sign outside Barling school. The LHP revenue budget could be used to replace the school wigwag sign. A new location for the replacement sign may be appropriate and a solar panel unit would be put in if there is no electricity supply. To be discussed further after the meeting.</p>	

	<p>Reduction to 30 mph along Stambridge Road. A report had been submitted with supporting evidence from the Speedwatch team for a nine month period.</p> <p>Stambridge School Following a request from the headmaster for a crossing outside the school, an application to be submitted.</p> <p>Hall Road - speed survey. This is in the programme and an update from engineers will be provided. A Members' guide showing the criteria for speed limit reduction requests is on the LHP webpage.</p> <p>Buckingham Road – road markings. This would be forwarded to the maintenance team. Lights on the bollards flashing constantly is a maintenance issue.</p> <p>Pedestrian crossing, High Road, Hockley. This is in the programme - update to be provided.</p> <p>Church Road Cutting back the vegetation on the camera was not a Highways Rangers job. The issue of graffiti on the camera should be raised as a maintenance issue.</p>	
11.	<p>Dates of Next Meetings – 10 December 2018 and 18 March 2019.</p> <p>The meeting started at 2.00 pm and closed at 3.22 pm.</p>	

ROCHFORD DISTRICT LOCAL HIGHWAY PANEL

Approved Works Programme - 2018/19

It is envisaged that the 2019/20 Capital Budget for the Rochford District LHP will be the same as that in 2018/19 at £214,000, though this will be finalised by ECC at their full Council meeting in February 2019. The Panel are now asked to start to consider those schemes they may wish to make a funding recommendation against for delivery in 2019/20. The intention will be to finalising any 2019/20 scheme funding recommendations at the March 2019 Panel meeting.

Colleagues in our Safer Roads team have advised that in 2019/20 they envisage there will be one Safer Roads scheme that will need to be progressed within the District. Our Safer Roads team are currently finalising the detail of this scheme.

Members are reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost could change significantly dependant on issues which may arise especially during detailed design and construction.

The 2018/19 Rochford District LHP Capital Budget Summary is as follows –

Budget Summary 2019/20		
Ref.	Item	Amount
1	Expected 2018/19 Capital Budget	£214,000
2	Safer Roads Schemes	TBC
3	Feasibility Studies & Detailed Designs	TBC

Rochford District Local Highway Panel - Approved Works Programme 2017/18

Schemes Key	Completed	Cancelled	Update
-------------	-----------	-----------	--------

Ref	Cost Code	Scheme	Parish	Finish	Scheme Stage	Scheme Type	Works Description	Allocation Budget	Comments
Approved Schemes - 2018/19 Casualty Reduction Schemes - Total £38,500									
1	LROC181001	Ashingdon Rd j/w Hall Road	Rochford	Jan-19	Feasibility	Casualty Reduction	Undertake a Feasibility Study to determine if cyclist safety can be improved at the roundabout junction, either by providing off carriageway facilities or signing an alternative route	£5,000	Feasibility complete - Recommendation is to do nothing at this stage as the site is highly restricted for space and is also part of the Rochford Cycle Action Plan
2	LROC181003	Ashingdon Rd j/w Rectory Road	Rochford	Nov-18	Total Scheme	Casualty Reduction	Provide a physical kerbed island on the Rectory Road approach to the mini roundabout junction to prevent motorists from speeding over the junction and undercutting the roundabout island.	£26,000	
Approved Schemes - Prioritised for Delivery in 2018/19 - Total £168,000									
3	LROC152065	Stambridge Road, Rochford - 30mph Repeaters	Stambridge	Sep-18	Total Scheme	Traffic Management	Installation of 30mph repeater signs required due to the lack of street lighting in this area to make the existing 30mph limit clearer to drivers	£6,500	Complete
4	LROC162073	Hullbridge Road, Rawreth - Zebra Lighting Upgrade	Rawreth	Q3	Feasibility	Traffic Management	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	£5,500	On hold
5	LROC162076	Spa Road, Hockley - Zebra Lighting Upgrade	Hockley	Mar-19	Feasibility	Traffic Management	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	£5,500	This scheme was commissioned as a Feasibility Study but will instead be progressed as Design Only. This will allow the design and target costs to be produced by end of March 2019
6	LROC162074	Southend Road opp White Hart, Hockley - Zebra Lighting Upgrade	Hockley	Mar-19	Feasibility	Traffic Management	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	£5,500	This scheme was commissioned as a Feasibility Study but will instead be progressed as Design Only. This will allow the design and target costs to be produced by end of March 2019
7	LROC162075	Southend Road, Hawkwell - Zebra Lighting Upgrade	Hawkwell	Mar-19	Feasibility	Traffic Management	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	£5,500	This scheme was commissioned as a Feasibility Study but will instead be progressed as Design Only. This will allow the design and target costs to be produced by end of March 2019

Rochford District Local Highway Panel - Approved Works Programme 2017/18

Schemes Key	Completed	Cancelled	Update
--------------------	------------------	------------------	---------------

Ref	Cost Code	Scheme	Parish	Finish	Scheme Stage	Scheme Type	Works Description	Allocation Budget	Comments
8	LROC162080	Canewdon, Ashingdon & Stambridge - Weight Limit Review	Canewdon, Ashingdon & Stambridge	Mar-19	Design	Traffic Management	Recommendations from previously commissioned Feasibility Study. New 7.5tonne weight limit restriction on Hyde Wood Lane, Scotts Hall Road, Gardeners Lane and the installation of up to 30mph signs in various locations indicated in design.	£8,000	
9	LROC162070	Sutton Road j/w Shoplands Road - Roundabout	Sutton	Mar-19	Feasibility	Traffic Management	Recommended to carry out a feasibility study to look into possible options and recommendations in this location.	£8,000	
10	LROC172088	Eastwood Rd opp Sainsbury's, Rayleigh - Signalised Crossing	Rayleigh	Mar-19	Design	Traffic Management	PV2 survey has exceeded criteria to install a signalised crossing in this location. Recommended to proceed with detailed design	£26,000	
11	LROC152064	Rawreth Lane and Laburnum Way - Culvert Works	Rawreth	Mar-19	Design	Traffic Management	Following the agreement from the land owner to the scheme to proceed, it is now recommended to allocate funding for the detailed design with view to implement via the Flood Team	£6,500	Top up of £11,500 required to for culvert clearing works
12	LROC163016	Gt Wakering High Street - Tactile Paving	Great Wakering	Mar-19	Total scheme	Walking	Recommended to proceed with the installation of the tactile paving and kerb upgrades a the 7 locations. This would involve 6 sets and scheme will be grouped together to minimise disruption. This scheme will improve access for all pedestrians through Great Wakering High Street	£53,000	
13	LROC163015	Lambourne Hall Road, Canewdon - Tactile Paving	Canewdon	Mar-19	Total scheme	Walking	Recommended to proceed with the installation of the tactile paving and kerb upgrades at the 3 locations as this will provide a much needed improvement for residents accessing the school, village hall and village centre. This would involve 6 sets and scheme will be grouped together to minimise disruption	£19,500	
14	LROC162081	Hanover Bridge, Watery Lane / Beeches Road - Weak Bridge Signage	Rochford	Sep-18	Design	Traffic Management	Detailed design and costing following feasibility recommendations into signage improvements for the weight limit	£7,000	Design complete - Quote for implementation is £52,500
Direct Delivery Schemes Prioritised for Delivery in 2018/19 - Total £22,500									
15	LROC172089	Ferndale Road, Rayleigh - Junction Visibility	Rochford	Mar-19	Total scheme	Traffic Management	Recommended to install appropriate gateway features and junction warning signage on both approaches	£14,000	
16	LROC182104	Ashingdon Road, Ashingdon - Road Roundel	Ashingdon	Mar-19	Total scheme	Traffic Management	Installation of roundels and vegetation clearance	£8,500	

ROCHFORD DISTRICT LOCAL HIGHWAY PANEL POTENTIAL SCHEMES LIST

At the September LHP meeting the panel reviewed all of the schemes on the Potential Schemes List and agreed to the inclusion or removal of each scheme. The following pages contain a full list of all of the current potential schemes for the Panel's consideration.

At this stage the Panel are encouraged to allocate schemes up to the value of the budget (£214,000).

There are currently potential schemes with an estimated cost of £237,750 as shown in the summary below -

Potential Schemes List		
Ref.	Scheme Type	Estimated Scheme Costs
1	Traffic Management	£227,750
2	Passenger Transport	£10,000
3	Walking	£0
	Total	£237,750

ROCHFORD DISTRICT LOCAL HIGHWAY PANEL POTENTIAL SCHEMES LIST

On the Potential Schemes List the RAG column acknowledges the status of the scheme request as shown below:

RAG Status	Description of RAG status
G	The scheme has been validated as being feasible and is available for Panel consideration
A	The scheme has been commissioned for a feasibility study which needs completing before any Panel consideration
R	A scheme which is against policy or where there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process

Traffic Management

Total Value of schemes	£227,750
-------------------------------	-----------------

Ref	Location	Description	Problem	Requested by	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Rochford Town Centre, Market Square – Regeneration	A request has been received to look into carrying out a layout change and upgrade of the Rochford Town Centre Market Square as described within Rochford's Area Action Plan	Improvements are required to reduce congestion along West Street and to make more effective use of the available space to allow for increased parking facilities within Market Square	Cllr Steptoe / RDC	Rochford	Feasibility	LROC172094	£6,500	Validation results - Recommendation to undertake Feasibility Study to look into possible improvements suggested in the Rochford Town Centre Area Action Plan.	G
2	Victoria Avenue, Cheapside West, Rayleigh - Traffic Management improvement	Speed and volume of traffic	Speed and volume of traffic	Cllr Lumley	Rayleigh	Design	LROC172012	£10,500	Validation results - Speed cushions could be installed but residents will need to be informed of the noise and vibration issues that arise from speed cushions. Strong local public support will be required to proceed with this measure. Liaison with stakeholders required.	R
3	Eastwood Road/High Street - Pedestrian railings	A request has been received to look into the possibility of introducing additional pedestrian railings or bollards at the junction of Eastwood Road and High Street, Rayleigh	The railings that are currently in place are regularly damaged and this poses a danger to pedestrians.	Cllr Lumley	Rayleigh	Total Scheme	LROC182001	£4,000	Validation results - Feasibility Study could be carried out to determine the best option for this site, as there are a number of possibilities.	G
4	Lark Hill Road, Canewdon - Horse warning signs and carriageway markings	A request has been received to determine whether additional road signs and carriageway markings can be introduced to warn drivers of the many horse riders using Lark Hill Road	The local residents feel that it is currently very unsafe for horse riders due to the speeds at which vehicles travel.	Cllr Cutmore	Canewdon	TBC	LROC152044	£23,000	Validation results - This was discussed at Cllr Bentley's Highways Surgery, where he made the decision to remove the policy objection to implementing the 40mph limit. The proposal to implement a 40mph can now be considered by the panel.	G
5	Thorpe Road, Hawkwell - HGV Signage	A request has been received to determine whether a Not Suitable for HGV sign can be installed at the unmade section of Thorpe Road	There is a pinch point at the point where the unmade road meets the new development. HGVs attempt to use the unmade section but then have to reverse back down as there is no forewarning of the pinch point.	Cllr Cutmore	Hawkwell	Total Scheme	LROC182003	£1,750	Validation results - A Not Suitable for HGVs sign could be placed at the southern end of Thorpe Road. There is no requirement for a sign at the opposite end.	G
6	Lower Road, Hullbridge – Speeding	Concerns have been raised by residents that vehicles appear to enter the 30mph section of Lower Road but continue to travel at excessive speeds.	There have been a number of RTCs along this stretch of road and residents feel that vehicles regularly speed	Cllr Weston	Hullbridge	Total Scheme	LROC182008	NA	Validation results - Carriageway roundels / speed limit repeaters are not feasible due to the street lighting. Road is a PR2 so vertical measures such as speed cushions are not possible. Horizontal measures such as build outs would cause considerable congestion. Recommendation is that a Community Speed Watch programme be pursued.	R

Ref	Location	Description	Problem	Requested by	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
7	Church Road, Hockley - HGV Restriction	Request for staggered traffic calming gates, HGV restriction and advanced warning signage.	Residents feel that vehicles regularly speed throughout Church Road and Folly Lane and are requesting traffic calming measures. Additionally, it is stated that HGVs are regularly getting stuck on the narrow bends throughout these three roads and as such, there should be HGV restrictions in place.	Cllr Weston	Hockley	Total Scheme	LROC182009	£20,500	Validation results - Improve Height restriction warning signage at Alderman Hill and Folly Lane. Review and improve signage for an HGV route towards Hullbridge.	G
8	Clyde Crescent, Rayleigh - Parking Improvements	Request to consider possible improvements throughout Clyde Crescent that could address the regular obstructive parking and vehicles driving over the green to access their properties	Residents regularly drive over the green to park on their driveways, which damages the footway and the green. Other vehicles park obstructively and dangerously throughout the crescent.	Cllr Lumley	Rayleigh	Total Scheme	LROC182010	£107,500	Validation results - A section of the green could be removed and converted to a parking area, which would prevent residents crossing the green to park on their frontages, as well as alleviating some of the congestion on the carriageway	G
9	Star Lane, Great Wakering - Extension to 30mph speed restriction	Request to extend the 30mph restriction on Star Lane further south past the residential properties	The 30mph speed limit ends next to 41/43 Star Lane and as such, vehicles regularly speed up as they see the national speed limit signs. The residents are concerned by the speed at which vehicles are passing by their homes.	Cllr Steptoe	Great Wakering	Total Scheme	LROC182011	TBC	In validation - speed survey has shown that the average vehicle speed adjacent to house number 45 is 28.1mph	V
10	New Road / Shoebury Road, Great Wakering - Traffic Calming and Pedestrian Safety	Request to consider the introduction of bollards at the junction of New Road and Shoebury Road, as well as determining whether there are any additional improvements that could be made to prevent vehicles from hitting this corner at excessive speeds.	A number of cars travelling along Shoebury Road have lost control on the bend and ploughed through the church railings. This section of the road is at the end of the High Street and as such, it is a much used walkway from the centre of the village.	Cllr Steptoe / Cllr McPherson	Great Wakering	Total Scheme	LROC182012	TBC	In validation - speed survey has shown that the average vehicle speed just south of the junction with New Road is 20.5mph	V
11	Priory Chase, Rayleigh - Bollards on footway	Request to install bollards on the footway outside St. Nicholas School, Priory Chase, due to obstructive parking and vehicles driving along the footway.	Many residents have complained that cars regularly drive along the footway here and that there have been many near-misses involving children.	Cllr Maddocks	Rayleigh	Total Scheme	LROC182005	NA	Validation results - This issue can only be resolved by improving the parking restrictions; there are no engineering options which would prevent this problem from continuing. Recommended that this matter be forwarded to SEPP for consideration.	R
12	Church Lane, Ashingdon - Pedestrian signage	Request to install signage to warn drivers of pedestrians in the road	At the end of Church lane is a community hall and a church. As there are no footways throughout Church Lane, there are regularly pedestrians walking in the	Ashingdon Parish Council	Ashingdon	Total Scheme	LROC182007	£1,500	Validation result - A sign to warn drivers that pedestrians may be in the road is feasible and could be installed on the highway verge at the junction.	G

Ref	Location	Description	Problem	Requested by	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
13	Old London Road - Junction Safety	Request to look at the junction of Old London Road / London Road (A129) due to the speed at which traffic meets the junction (travelling south along A129) and also the position of the bus stop, which is situated on the corner of the junction.	Old London Road joins London Road (A129) on a bend. Heading south, the derestricted speed limit changes to 40mph just before the junction. This means that vehicles are speeding around the bend and are met with traffic attempting to leave Old London Road. In addition, there is a bus stop on the bend / on the corner of the junction, which poses a risk to vehicles heading south (as they come round the bend at 60mph to find a stationary bus) and it also obstructs the view for people leaving Old London Road	Cllr Maddocks	Rayleigh	Total Scheme	LROC182013	TBC	In validation	V
14	Stambridge Road, Stambridge - Speed Limit Reduction	Request to make Stambridge Road 30mph throughout its entirety	Stambridge Road is approximately 2.5 miles long. From the junction with Little Stambridge Lane to Apton Hall Lane (approx. 1.9 miles). Residents feel that this causes drivers to exceed the speed limit throughout 30mph sections	Cllr Cutmore / Cllr Ioannou	Stambridge	Total Scheme	LROC182014	TBC	In validation	V
15	Barrow Hall Road, Barling - Traffic Calming	Request to determine what options are available to improve safety on the S-bend due to numerous RTCs at this location.	A number of vehicles have hit this bend heading both east and west, causing damage to adjacent property and also resulting in the death of a number of alpacas in the adjacent field.	Cllr Steptoe	Great Wakering	Total Scheme	LROC182015	TBC	In validation	V
16	Hall Road, Rochford - Speed Limit Reduction	Request to make Hall Road 30mph throughout its entirety	There is a 40mph section of Hall Road which now has a housing development built adjacent to it. It is felt that the speed limit should be reduced to remain in keeping with the rest of the road	Cllr Steptoe	Rochford	Total Scheme	LROC182016	NA	Validation results - The housing estate is set back from the road and as such, does not require a speed limit reduction. Suggestion is to liaise with Development Management to determine whether this matter has been discussed as part of a S106 agreement.	R
17	Hanover Bridge, Watery Lane / Beeches Road - Weak Bridge Signage	Signage improvements for the weight limit	Current weight limit signage is not up to standard and is inaccurate	Cllr Maddocks	Hullbridge	Implementation	LROC162081	£52,500	Design recommendation: Installation of new signing to reinforce the 3t structural weight limit at Hanover Bridge (Watery Lane) at various locations along the alternative route avoiding the low bridge.	G
18	A129 London Road, Rawreth - Traffic Island	Recommended to proceed with a detailed design only at this stage. Road safety are to be consulted during this design due to the low volume of recorded accidents.	While vehicles are waiting to turn right there have been many cases of near-miss head-on collisions with vehicles traveling in the opposite direction	Highways Officers / Cllr Lumley	Rawreth	Design	LROC172085	TBC	Design recommendation: Installation of 2 traffic islands/bollards and keep left arrow with high mast and keep left sign - awaiting target cost	A
19	Hullbridge Road, Rawreth - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Concerns regarding current street lighting at crossing point	Cllr Maddocks	Rawreth	Feasibility	LROC162073	TBC	Major development works are due to commence at this location in January 2019. It is therefore recommended that this feasibility study be placed on hold until the development works are complete.	A

Ref	Location	Description	Problem	Requested by	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
20	Spa Road, Hockley - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Concerns regarding current street lighting at crossing point	Unrecorded	Hockley	Feasibility	LROC162076	TBC	It has been recommended that this scheme be converted into "design only". This will allow any recommendations to be commissioned at an earlier stage.	A
21	Southend Road, opposite White Heart, Hockley - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Concerns regarding current street lighting at crossing point	Unrecorded	Hockley	Feasibility	LROC162074	TBC	It has been recommended that this scheme be converted into "design only". This will allow any recommendations to be commissioned at an earlier stage.	A
22	Southend Road, Hawkwell - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Concerns regarding current street lighting at crossing point	Unrecorded	Hawkwell	Feasibility	LROC162075	TBC	It has been recommended that this scheme be converted into "design only". This will allow any recommendations to be commissioned at an earlier stage.	A
23	Canewdon, Ashingdon & Stambridge - Weight Limit Review	Recommendations from previously commissioned feasibility study. New 7.5 tonne weight limit restriction on Hyde Wood Lane, Scotts Hall Road and Gardeners Lane. Also includes the installation of up to 30 signs in various locations as indicated in the design	several signs are either out-dated, in a need of renewal or can be easily misread. Also most advanced direction signs were in the format of a map, which can take up a considerable amount of space.	Unrecorded	Canewdon, Ashingdon & Stambridge	Design	LROC162080	TBC	Awaiting results of design	A
24	Sutton Road j/w Shoplands Road - Roundabout	Recommended to carry out a feasibility study to look into possible options and recommendations in this location.	This junction is situated on a corner along Sutton Road which makes turning right into Shoplands Road a safety concern due to restricted visibility of oncoming traffic on the opposite side of the carriageway	Sutton Parish Council, supported by Cllr Seagers	Sutton Parish Council	Design	LROC162070	TBC	Awaiting results of design	A
25	Eastwood Rd opp Sainsbury's, Rayleigh - Signalised Crossing	PV2 survey has met criteria to install a signalised crossing in this location. Recommended to proceed with detailed design	Due to a new Sainsbury's store being built in the parade of shops, demand has increased on the zebra crossing and safety issues have been raised	Cllr Maddocks	Rayleigh	Design	LROC172088	TBC	Awaiting results of design	A

Passenger Transport

Total Value of schemes	£10,000
------------------------	---------

Ref	Location	Description	Problem	Requested by	Parish	Scheme Stage	Cost Code	Estimated cost	Comments	RAG
1	Tudor Way, Hawkwell - Bus Stop	Levelling of footway / shelter base	Large puddle forms inside bus shelter during periods of bad weather. This results in the shelter being unusable when it rains heavily. Works required to level off the footway/shelter base.	Passenger Transport	Hawkwell	Total Scheme	LROC175003	£10,000	Validation results - The footway could be reprofiled to prevent water ponding in the bus stop	G

Walking

Total Value of schemes	£0
-------------------------------	-----------

Ref	Location	Description	Problem	Requested by	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Pedestrian Crossing - London Road, Rayleigh	Request to look into possibility of introducing a crossing facility to provide pedestrian access to the BP garage / M&S	Pedestrians currently have no safe way to cross the A129 to gain access to the shop	Cllr Lumley	Rayleigh	Total Scheme	LROC183016	NA	Validation results - There is a S278 agreement for the development opposite the for the developer to utilise the existing traffic island and upgrade it to a pedestrian refuge island. Additionally, they will provide a 2m wide footway to link with either side of the newly upgraded pedestrian island.	R
2	High Road, Hockley - Pedestrian Crossing	Request to consider installing a pedestrian crossing	The local County Member feels that there are no facilities for pedestrians to cross this road safely, despite there being numerous bus stops along the route. As there is a new proposed housing development down Bullwood Hall this will increase the footfall of residents and as such, there are serious concerns as to how both adults and children will be able to get across this very busy road.	Cllr Weston	Hockley	Validation	LROC183017	TBC	In validation	V
3	Chestnut Close, Hockley - Pedestrian Railings	Request to introduce pedestrian railings at the end of Chestnut Close as there is currently a large drop next to the set of stairs which leads to PROW 42	There is a set of steps at the end of Chestnut Close which leads down to a PROW. There are no railings along the footway which means pedestrians could easily fall down to the PROW.	Cllr Weston	Hockley	Validation	LROC183018	TBC	In validation	V

Section 106 update

Scheme Name	District	Scheme Category	Delivery Method	Works Description	Anticipated Finish	Current Stage	Comments
Sutton Road / Purdys Way	Rochford	Passenger Transport - Bus Stops	Design Only	Formally mark 2 stops that are currently unmarked	NA	Cancelled	The only suitable location for a bus stop is outside of the highway boundary. Furthermore, a bus stop would require the introduction of raised kerbs, hard standing and dropped crossing points, which would far exceed the available budget for this site. The scheme has therefore been cancelled.

Speed Surveys and Revenue

Total spent	£2,200
-------------	--------

Ref	Scheme name	Description	Problem	Requested by	Parish	Cost	Date requested
1	The Chase, Rayleigh	Speed survey request	Residents regularly witness vehicles speeding along The Chase	Cllr Roe	Rayleigh	£200	01-May-18
