

Construction Work Notice (Night Works)

10th January 2017

Dear Sir/ Madam

Advance information: A1168 Chigwell Lane/Langston Road, Loughton Improvement Scheme

We would like to inform you of overnight road works required along **A1168 Chigwell Lane/ The Broadway junction** to support utility services crossing the carriageway.

The works are currently planned for the following dates in this year but there may be further needs in the future:

Friday 13 January
Friday 20 January
Friday 27 January
Friday 3 February

Friday 10 February
Friday 17 February
Friday 24 February
Friday 3 March

In order to minimise disruption to area, it will be necessary to undertake these works between the hours of 8pm and 5am. Where possible we will endeavour to complete the noisiest operations before midnight however it should be noted that works will continue throughout the times specified.

Every effort will be made to keep general disturbance to a minimum and to keep to the dates given, however the program for the works may be subject to change if poor weather conditions or other difficulties are encountered.

As this is a traffic sensitive site, traffic management will be set up and removed each night so that the road network will operate as normal during the day.

Thank you for your patience as these works progress. Further information about the improvement scheme, including the latest updates can be found on the Essex Highways website:

<http://www.essexhighways.org/Transport-and-Roads/Highway-Schemes-and-Developments/Other-Schemes/A1168-Chigwell-Lane-Langston-Road.aspx>

Should you have any concerns or questions about the above arrangements, please do not hesitate to contact me on 07899 896667 during office hours.

Yours faithfully

Nick Lawes
Site Manager
