Hello again Councillor,

I have just this minute emailed the applicants and asked them to get in touch with you.

Their reasons for diverting are security and privacy, reasons recently reinforced by advice from the Planning Inspectorate, but I definitely think that if convenient for both you and them that a site visit would best illustrate both the issues with the current routes and the suitability of the proposed ones.

Hopefully they will be in touch with you soon.

Any questions please let me know.

Kind regards

Good afternoon Councillor,

That's not information we would normally make available unless the applicant themselves has reached out to people beforehand (some do).

Suffice to say that it is one of the affected landowners (affected in the sense of the current routes presently going through their gardens etc.) and that we understand that they also have the approval of others similarly affected.

You are welcome to give me a call either of you if you want to know about the proposal or process.

Kind regards

Good morning both,

Yes that's correct ,they do currently run through gardens and the diversion proposal by one of those affected householders is intended to address that.

It's a very long-standing issue and it would be good if this proposal succeeds and provides more usable and less intrusive routes.

Kind regards

Dear Sir/Madam,

Essex County Council would welcome your thoughts on the above diversion proposal. This is an informal consultation only and no Order has yet been made.

Please note this informal consultation is not a statutory requirement on the Highway Authority. Its aim is to enable the principal stakeholders to comment on the proposed changes; feedback which is then considered by the Highway Authority and provided to the applicant.

It is not intended as a public consultation. The public are informed and invited to respond if they so wish at the formal, Made Order consultation stage via on-site notices and plans, and the newspaper advertisement for the order.

To enable us to continue this discretionary service we would appreciate it if informal consultations are not shared with the public beyond any council meetings as no order has yet been made and public comments on the proposals are not at this stage being sought.

Essex County Council intend to make the following orders:

To divert Footpaths 13, 17 & 19 in the parish of Debden in the District of Uttlesford under section 119 of the Highways Act as shown on the attached Plans.

PLEASE NOTE THIS IS A CONSULTATION ON A PROPOSED FOOTPATH DIVERSION ONLY.  
IT IS NOT AN ADVICE OF WORKS.

Dear Sir/Madam,

Essex County Council would welcome your thoughts on the above diversion proposal. This is an informal consultation only and no Order has yet been made.

**This proposal replaces the one consulted upon on 3 November 2023.**

Please note this informal consultation is not a statutory requirement on the Highway Authority. Its aim is to enable the principal stakeholders to comment on the proposed changes; feedback which is then considered by the Highway Authority and provided to the applicant.

It is not intended as a public consultation. The public are informed and invited to respond if they so wish at the formal, Made Order consultation stage via on-site notices and plans, and the newspaper advertisement for the order.

To enable us to continue this discretionary service we would appreciate it if informal consultations are not shared with the public beyond any council meetings as no order has yet been made and public comments on the proposals are not at this stage being sought.
