STATEMENT OF REASONS

With the completion of the development at Lodge Farm the developer has asked for a bus gate to be introduced between the Lodge Farm estate and Allectus Way. The introduction of the bus gate will improve commuter routes and access to the local amenities for the new residents of Lodge Farm while minimising journey times for the buses. The introduction of the bus gate will ensure this access will not be used by unauthorised users and will ensure the new bus route is kept clear at all times.
