

Public notice

Upgrade Traffic Signal Junctions and Pedestrian Crossings at the junction of A121 (High Road), The Drive and Brooklyn Avenue/Brooklyn Parade, Loughton

Relocation of Traffic Signals and Pedestrian Crossing on Brooklyn Avenue at its junction with Brooklyn Parade, Loughton

NOTICE IS HEREBY GIVEN that under Sections 23 of the Road Traffic Regulation Act 1984, the Essex County Council proposes the following, in the District of Epping Forest:

1. To Refurbish the three sets of Traffic Signals and Pedestrian Crossings located at the junction of the A121 (High Road), The Drive and Brooklyn Avenue/Brooklyn Parade, Loughton

The traffic signals and existing controlled crossing equipment used at this junction are to be upgraded to Extra Low Voltage (ELV) technology as part of the refurbishment of traffic signal technology across Essex. The traffic signal poles will be fitted with near-sided pedestrian signals (not far sided signals). The crossings will remain in the same location, except for Brooklyn Avenue (see below)

2. Relocate the Traffic Signal set and Pedestrian Crossing on Brooklyn Avenue at its junction with the A121 and Brooklyn Parade, Loughton.

The equipment and crossing will be relocated 2.4 metres southeast from its current location to ensure that the new installation is to current standards. The proposed crossing centre line will be 5.7 metres southeast of its junction with Brooklyn Parade. The double yellow lines are to be repositioned and reinstated either side of the crossing.

Further details: (1) The current parking restrictions (yellow lines) will remain in force by virtue of the crossing points and existing Traffic Orders. (2) The minimum distance between the studs and stop lines at the pedestrian crossings will be 2.4 metres. (3) No zigzags installed, as they are not required at a junction. (4) All the above measurements are approximate. (5) All associated documents for the proposals are available on the Essex Highways website: www.essexhighways.org/traffic-regulation-orders . If you need to view a hard copy of these documents please call 07786 125874 to arrange a suitable time to inspect the documents quoting the below reference number.

Representations: Anyone who wishes to make any representation(s) regarding the proposal(s) should send them via e-mail to TrafficRegulation.Order@essexhighways.org , if you need to post them, the address is TRO Comments, Network Assurance, Seax House, 2nd Floor, Victoria Road South, Chelmsford, CM1 1QH, quoting reference TRAF/7827 by 27 May 2022
