

The Essex County Council (Braintree District) (Prohibition of Waiting, Loading and Stopping) and (On Street Parking Places) (Civil Enforcement Area) (Amendment 30) Order 20**

Statement of Reasons

Installation/Upgrade of Disabled Parking Bays

New Bays: Some Essex residents need a disabled parking bay marked on the street outside their home to help reduce the distance they need to travel between their home and their car. Essex County Council will consider providing such bays for residents with a valid Blue Badge and a vehicle registered to the property.

Although Disabled Parking Bays are installed for specific individuals, any Badge Holder may benefit from them.

Removal of a Disabled Parking Bay

Removal of Bays: Disabled parking Bays in primarily residential areas are installed for specific individuals. Once we have been notified that the person no longer needs the disabled parking bay, it is removed in order to return the space to the Highway and enable any vehicle to park there.
