

The Essex County Council (Tendring District) (Prohibition of Waiting, Loading and Stopping and (On Street Parking Places) (Civil Enforcement Area) (Amendment No.30) Order 202*

Statement of Reasons

Summary of the Location

The scheme is located within the Gorse Lane Industrial Estate, indicating the presence of Heavy Goods Vehicles (HGV's) with the addition of heavy traffic counts throughout the day.

Reasons for the Proposed Changes

These proposals are to be provided as part of required improvements under planning permission 21/00486/FUL for the construction of 4 industrial units including access and parking and involve the removal of an existing Bellmouth access and the construction of a new Bellmouth access, with the existing restrictions relocating to accommodate the new access.

Benefits of the Proposed Changes

It is anticipated the scheme will allow for the continued free flow of traffic in and around the development access, reducing the risk of collisions and traffic incidents.
