

**The Essex County Council (Various Roads, Little Clacton)  
(40mph Speed Limit) Order 202\***

**STATEMENT OF REASONS**

Tan Lane is a Priority 2 Road (PR2) in Little Clacton. The area of Tan Lane that is of interest goes from a 40mph Speed Limit to the National Speed Limit, at the exit of the village.

New dwellings known as 'The Oaks' are being developed just south of the existing 40mph Speed Limit which has resulted in a County Member requesting an extension to the 40mph Speed Limit in order for the new dwellings to be included.
