Loading and Stopping) and (On-Street Parking Places) (Civil  
Enforcement Area) (Amendment No. 53) Order 202\***

**Statement of Reasons**

**Removal of a Disabled Parking Bay:**

Disabled Parking Bays are installed in primarily residential areas for specific individuals, however, any Badge Holder may benefit from them.

Once we have been notified that the original applicant no longer needs the Disabled Parking Bay, redundant bays are removed in order to return the space to the Highway, enabling any vehicle to park there.

This area is covered by Permit Parking, with the removal of the Disabled Parking Bay, the bay will be returned to Permit Parking as appropriate.
