

**The Essex County Council (Tendring District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.34) Order 202\*.**

**Statement of Reasons**

**New Bays:** Some Essex residents need a disabled parking bay marked on the street outside their home to help reduce the distance they need to travel between their home and their car. Essex County Council will consider providing such bays for residents with a valid Blue Badge and a vehicle registered to the property.

**Removal of Bays:** Disabled parking Bays in primarily residential areas are installed for specific individuals. Once we have been notified that the person no longer needs the disabled parking bay, it is removed in order to return the space to the Highway and enable any vehicle to park there.

**Traffic Order for Disabled Parking Bay:** Essex County Council will provide a Traffic Order for a Disabled Parking bay where it is necessary to prevent other road users from using this space.

**Amendments to Traffic Order of Disabled Parking Bay:** Essex County Council will alter an existing Traffic Order to accommodate changing requirements.
