

**The Essex County Council (Cowper Crescent, Myland)
(One-Way) Order 202***

STATEMENT OF REASONS

The One-way system in Cowper Crescent is part of the original Estate Design approved plans. The road was designed and constructed with reduced road widths and bend radii to accommodate only one way traffic in a clockwise direction. This is a retrospective advert to formalise the current signing that has been installed a number of years, to ensure that traffic can use the road layout correctly and safely. This Traffic Regulation Order is being funded by the Developer.
