

The Essex County Council (Brentwood Borough) (Prohibition of Waiting, Loading and Stopping) and (On Street Parking Places) (Civil Enforcement Area) (Amendment 17) Order 20**

Statement of Reasons

On-street parking (pay and display) and width of carriageway creates a pinch point in B185 Kings Road over a substantial length leading to congestion and delays for journeys on multiple frequent bus routes. During the COVID lockdowns, the pay and display parking was temporarily removed which eased bus delays however resulted in complaints from business owners at the loss of parking.

To ease congestion, it is proposed to reduce the length of the pinch point by reducing the length of the pay and display parking providing additional Waiting Restrictions at either end of the current parking bays to aid the passage of buses. Concerns of adjacent business owners have been considered with the preservation of a section of on-street parking with additional maximum stay restrictions to deter longer term parking users.
