

The Essex County Council (Colchester City) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No. 48) Order 202*

STATEMENT OF REASONS

The road is situated in an urban area, with two schools located either side of the carriageway in close proximity. The addition of the 'No Stopping Mon-Fri 8am-9.30am and 2.30pm-4pm On Entrance Markings' was required to facilitate the opening of the Lexden Springs Residential Special School. This provides improved visibility and manoeuvrability on the junction into the school as well as improving traffic congestion during school pick up and drop times.

The school keep clear request is for measures to highlight the presence of the school entrance and to deter vehicles from parking there.
