

**The Essex County Council (Basildon Borough) (Prohibition of Waiting,
Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement
Area) (Amendment No. 40) Order 202***

Statement of Reasons

This proposal is for the construction of a new bus stop cage heading southbound on Guernsey Gardens, Wickford.

The existing stop pole is located alongside 11 Alderney Gardens Wickford, and the area is currently restricted Monday - Friday 10 - 11am. Parked vehicles prevent the bus from pulling up against the kerb, making it difficult for passengers to board and alight the bus. The proposed No Stopping Except Buses restriction will reduce the likelihood of vehicular parking, assisting both the driver and passengers.
