

**The Essex County Council (West Stockwell Street, East Stockwell Street,
Maidenburgh Street and George Street, Colchester)
(Prohibition of Motor Vehicles) Order 202***

STATEMENT OF REASONS

Following the Temporary Traffic Restrictions installed in Colchester High Street as part of the Covid response, adjustments were made to the access restrictions for the Dutch Quarter.

Upon subsequent review of these restrictions, it was identified that the legal restrictions on access to West and East Stockwell Streets, George Street and Maidenburgh Street were not in accordance with the measures on the ground.

This proposal allows the cycle and e-scooter access which is clearly intended but is technically restricted by the current Traffic Regulation Order.
