

**The Essex County Council (Various Roads, (North of Rayne Road)  
Braintree) (20mph Zone) Order 202\***

**Statement of Reasons**

The County Council is proposing to implement and to introduce a 20mph Zone Order to reduce vehicular speeds and improve the pedestrian environment.

It is Essex County Council's policy that new housing estate roads are constructed to ensure, as far as possible, that vehicle speeds are 20mph or below. This is done via the introduction of a 20mph Zone and a variety of physical features.

The roads on this estate have been constructed in accordance with this policy and a 20mph Zone is proposed to reinforce the physical features which include speed cushions, raised table, and tight bends.
