

The Essex County Council (Castle Point Borough) (Permitted Parking Area and Special Parking Area) (Amendment No.44) Order 201*

Statement of Reasons

We are proposing the implementation of a No Waiting at Any Time restriction at the junction of Matlock Road and Hertford Road Canvey Island. It was reported to the Local Highways Panel that vehicles are driving over the kerbs and grass verge areas in Hertford Road at its junction with Matlock Road, subsequently the verges in Hertford Road have become heavily damaged.

The Local Highways Panel instructed the validation of a scheme proposal to prevent the misuse of and damage to the highways environment.

At the validation stage of the scheme design it was suggested that as well as installing physical measures such as bollards that we also introduce junction protection markings to ensure the junction is clear of parked vehicles therefore making it easier for larger vehicles to negotiate the junction without the need to mount the pavement. This has been agreed by the Local Highways Panel.
