

The Essex County Council (Borough of Brentwood) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.10) Order 20**

Statement of Reasons

This proposal seeks to establish No Waiting At Any Time waiting restrictions at the bell mouth leading from Rayleigh Close onto Rayleigh Road in order to provide junction protection enabling the appropriate visibility as required by the planning permission (17/01527/OUT) granted as subject to local plans and policies.

Essex Highways are also taking this opportunity to correct a minor anomaly on our Map based system (Parkmap) to ensure records are up to date and accurately reflect the restrictions currently on the ground. This is purely a paper exercise and no changes will be made to the restriction on site.
