

The Essex County Council (City of Colchester) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.75) Order 202*.

STATEMENT OF REASONS

To improve accessibility and convenience for residents in the local area, two new bus stops are to be strategically installed along Tollgate Road. These transport facilities aim to address the growing demand for reliable and efficient public transit within the community. Each bus stop will include tactile paving and low-curb access.

This initiative not only enhances connectivity between residential zones and essential services like schools, healthcare centres, and shopping districts, but also encourages sustainable travel by offering a viable alternative to private vehicles. By prioritising inclusivity and ease of use, the new bus stops are expected to contribute significantly to overall community well-being and help reduce traffic congestion and carbon emissions in the area.
