 - (d) any vehicle to wait or stop provided it is being used for any of the purposes specified in Article 7 (a), (c), (f), (h) or (k).

General Provisions and Dispensations

12. Upon written application on a form issued by and obtainable from the Council any person duly authorised by the Council may on payment of the charge indicated in Schedule 4 of this Order issue a dispensation to exempt that vehicle from the prohibition of waiting.
13. At all times during which a vehicle has obtained a dispensation to park during the prohibition of waiting there shall be continuously displayed in the front or nearside of the windscreen of the vehicle a valid dispensation notice issued in respect of that vehicle so that all particulars are clearly visible and can be easily seen and read from the front or nearside of the vehicle, and which includes information to enable the driver to be contacted in an emergency and that the vehicle is moved if the driver is requested to do so by a police constable in uniform or civil enforcement officer.
14. The Council shall cause the limits of the prohibition or restriction of waiting, loading or stopping to be indicated on the carriageway, verge or footway by placing and maintaining thereof traffic signs of any size, colour or type prescribed or authorised under the 2016 Regulations, or subsequent amendments.
15. The Council is satisfied that, for facilitating the passage of vehicular traffic in the prohibited area, it is requisite that Section 3 (2) of the Road Traffic Regulation Act 1984 should not apply in relation to this Order.

PART III

On-Street Parking Places Or Areas

Designation of Parking Places and Parking Areas

16. Save as provided in this Order no person shall cause or permit any vehicle, other than one displaying a valid parking ticket issued by the Council, or who has purchased a virtual parking ticket granted by the service provider, which exempts them from displaying a parking ticket, in respect of that vehicle, to wait in a permit parking place or area during the permitted hours as identified in the map schedule attached to this Order.

- (a) Each area on a highway identified on the map based schedule as a parking place and, if appropriate, by way of the map tile label and/or map schedule legend, as an area marked out and signed for the use therein of specified classes of vehicles following the conditions specified in this Order in relation to that parking place, is a designated parking place.
- (b) Each area on a highway identified on the map based schedule as a parking area and, if appropriate, by way of the map tile label and/or map schedule legend, as an area signed for the use therein of specified classes of vehicles following the conditions specified in this Order in relation to that parking place, is a designated parking area.
- (c) Unless otherwise so identified, a parking place shall be bounded on one side of its length by the edge of the carriageway and be an area marked out to a road marking and depicted by a traffic sign, either in accordance with the 2016 Regulations or, if applicable, by virtue of any special authorisation given by the Department of Transport.
- (d) Unless otherwise so identified, a parking area shall be bounded on one side of its length by the edge of the carriageway and be an area depicted by a traffic sign, either in accordance with the 2016 Regulations or, if applicable, by virtue of any special authorisation given by the Department of Transport.

- (i) Payment parking place or shared-use payment parking place in which a parking payment applies identified as such in the map tile relating to that parking place, by reference to the map schedule tile and/or legend in the map based schedule to this Order may be used, subject to the provisions of this Order, for the leaving during the permitted hours of any vehicle which displays in the manner specified in Article 59 a valid payment parking ticket issued by a ticket machine or where the driver has purchased a valid virtual parking ticket which exempts them from displaying a payment parking ticket;
- (j) Parking places for loading or unloading by goods vehicles may be used, subject to Article 70, for the leaving during the permitted hours of such vehicles as are goods carrying vehicles for the purpose of continuous loading or unloading;
- (k) Electric vehicle charging bay may be used, subject to Article 73, for the leaving during the permitted hours of such vehicles as are electric vehicles for the purpose of charging in an electric vehicle charging point; and
- (l) Nothing in this Order shall render it unlawful to cause or permit a disabled person's vehicle, which displays in the relevant positions a valid and legible disabled person's badge and a parking disc to park in a parking place or parking area.

Types of Parking Permit and Who Can Apply

18. The Council or any other permit issuing authority, may issue specific parking permits, or the service provider may grant specific virtual permits to qualifying residents or qualifying individuals following an application for a permit in accordance with Articles 19 to 32 for the leaving of a vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates, as follows:
- (a) Resident permit: A qualifying resident who is the owner of a vehicle, may apply to the Council for the issue of a Resident Permit or service provider for the granting of a virtual residents' permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (b) Visitor permit: A qualifying resident may apply to the Council for the issue of multiple visitor permits or the service provider for the granting of multiple virtual visitor permits for the leaving of a vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (c) Business permit: A business trader may apply to the Council for the issue of a business permit or service provider for the granting of a virtual business permit for the leaving of a vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (d) Carer permit: A carer may apply to the Council for the issue of a Carer permit or service provider for the granting of a virtual Carer's permit in respect of that vehicle, for the leaving of the said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (e) Professional Carer permit: A professional carer may apply to the Council for the issue of a Professional Carer's permit or service provider for the granting of a virtual Professional Carer's permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (f) Traders Permit: A trader may apply to the Council for the issue of a Traders permit or service provider for the granting of a virtual Traders permit for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
 - (g) Household Permit: A qualifying resident may apply to the Council for the issue of a Household permit or service provider for the granting of a virtual Household permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;

- (h) **Parking Partnership permit:** A local authority officer or contracted service provider may apply to the Council for the issue of a parking partnership permit or service provider for the granting of a virtual parking partnership permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
- (i) **NHS Permit:** Any NHS employee who is the owner of a vehicle may apply to the NHS for the issue of a NHS permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in a relevant parking place or parking area to which that permit relates;
- (j) **Station Approach Permit:** Any qualifying person who is the owner of a vehicle, may at the discretion of the council apply to the service provider for the granting of a virtual Station Approach Permit in respect of that vehicle, for the leaving of said vehicle during the permitted hours in any permit parking place or permit parking area situated within Station Approach;

Application for a Parking Permit

- 19. Provided that the council shall at its absolute discretion decide which permits are available to apply for at any particular time as permits or virtual permits.
- 20. Any qualified resident or individual may apply to the Council or other permit issuing authority for the issue of a permit, subject to the "Conditions of Use" set out in Schedule 4, Column 5 for each permit type in Column 1 of that Schedule, in respect of a vehicle for the use of any relevant parking place which is valid as indicated in Column 1 of Schedule 6 where the permit is included under Column 2 and subject to the conditions stated under Column 3 of that Schedule and subject to the provisions of this Order. All parking permit applications are to be made on the current standard form issued by and obtainable from the Council or other permit issuing authority where appropriate.
- 21. All permit applications in respect of a virtual permit are to be made using the telephone or electronic payment system.
- 22. On making any such application the applicant will -
 - (a) produce such evidence to the Council as it may reasonably require to substantiate that the information and particulars given in the application are correct; and
 - (b) pay the Council or as the case may be the service provider the appropriate Permit fee as specified in Schedule 4 of this Order.
- 23. On receiving an application and the applicant complying with Article 20 and 22 the Council shall if it is satisfied that the information is correct issue a parking permit to the applicant of the type specified in Article 18, for the leaving during the permitted hours in a relevant parking place or parking area to which such permit relates, up to the maximum permissible number.
- 24. On receiving an application and the applicant complying with Article 21 and 22 the service provider shall if it is satisfied that the information is correct, grant a virtual parking permit to the applicant of the type specified in Article 18, for the leaving during the permitted hours in a parking place or parking area to which such permit relates, up to the maximum permissible number.
- 25. A separate application with remittance of the fee specified in Schedule 4 column 3, in relation to each type of permit specified in column 1 of that schedule, must be made for each vehicle at an address by a qualifying individual or a qualifying resident whose property is within one of the zones specified in Schedule 3, but the number of permits that shall be issued to any one eligible postal address as set out in Schedule 5, will be as stated in Column 5 of Schedule 4.
- 26. The resident of a property in a road or section of road included in Schedule 5 shall not be automatically eligible to apply for a parking permit if excluded for any reason stated in the Notes to Schedule 5 or the property has been converted to multiple occupancy, save that the Council may at its absolute discretion allow for the issue of one or more permits where it is satisfied that there is sufficient parking capacity within the relevant zone to accommodate the additional vehicle(s).
- 27. If a parking permit is mutilated or accidentally defaced or the particulars therein have become faded or altered the permit holder shall apply to The Council for a duplicate, such application to be made on the current standard form issued by and obtainable from The Council.

28. On making such application as mentioned in Article 27 the Permit Holder will be required to surrender the original Parking Permit to The Council and until such surrender no duplicate shall be issued.
29. If a Permit (other than a Visitors Permit) is lost or destroyed the Permit Holder shall apply to The Council for a replacement, such application to be made on the current standard form issued by and obtainable from The Council.
30. On making such application as mentioned in Article 29 the Permit Holder shall pay to The Council the Permit fee and The Council shall be satisfied of the circumstances referred to in the application before the duplicate is issued.
31. Upon receipt of the application, where applicable the Permit fee and, other than where the original permit has been stolen, the original permit, The Council shall issue to the permit holder a replacement permit and upon such issue the original permit shall become invalid.
32. The provisions of this Order shall apply to a replacement permit and an application therefore as if it were a permit or as the case may be an application therefore.

Form and Display of a Parking Permit

33. A parking permit may be obtained by any of the methods provided from time to time by the Council and to be valid must be registered on an account in an electronic database approved by the Council with an indication that payment has been made.
34. At all times during which a vehicle is left in a relevant parking place or parking area, during the permitted hours the parking permit must be continuously displayed so that all details are clearly visible and can be easily seen and read from the outside of the vehicle, unless the parking permit holder has obtained a virtual parking permit which exempts them from displaying a parking permit or visitor ticket.
35. A Driver shall not display more than one permit at any one time.
36. A parking permit (other than a visitor permit) shall be produced by the Council, or Service Provider as a record which can be accessed by a hand held device, and shall contain the following details:
- (a) the registration number of the vehicle;
 - (b) the expiry date of the permit;
 - (c) the Zone to which the permit relates, if any; and
 - (d) an authentication that it has been issued by the Council.
37. A parking permit (other than a visitor permit) shall not be altered or defaced by the qualifying individual or any other person.
38. A visitor parking permit shall be produced by the Council only and shall make provision for the following details, which shall be entered by the qualifying permit holder or the driver of the vehicle, as follows:
- (a) the registration number of the vehicle;
 - (b) the date and time at which the vehicle was left in the permit parking place or area; and
 - (c) an authentication that it has been issued by the Council.
39. It shall be the responsibility of the driver of the vehicle to ensure all details on the visitor permit are correct and clearly marked and the visitor permit shall not be valid without such details.
40. A visitor parking permit may not be transferred from one vehicle to another vehicle.
41. Where a parking permit has been displayed on a vehicle in accordance with the provision of this Order, no person, not being the driver of the vehicle, shall remove the parking permit from the vehicle unless authorised to do so by the driver of the vehicle.

Validity, Withdrawal and Surrender of Parking Permits

42. A parking permit displayed on a vehicle in a permit parking place or a virtual parking permit related to that vehicle shall cease to be valid on the occurrence of any of the events set out below-
- (a) the permit holder ceasing to be a qualifying resident or qualifying individual;
 - (b) the resident permit holder ceasing to be the owner of the vehicle in respect of which the resident permit was issued;

- (c) the vehicle in respect of which such resident permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 46 of this Order;
 - (d) the parking permit is not displayed in accordance with Article 34 of this Order unless exempt from being displayed;
 - (e) the parking permit displayed on the vehicle or the virtual parking permit issued in relation to that vehicle was not issued for the zone in which the vehicle is parked;
 - (f) the parking permit or ticket holder failing to satisfy the Council upon demand as to his or her continued eligibility to be a parking permit holder;
 - (g) immediately after the vehicle is left in a permit parking place or area the bona-fide visitor did not visit the usual place of abode of the qualifying resident to whom the visitor permit, was issued by the Council;
 - (h) a visitor permit that has previously been displayed on another vehicle; and
 - (i) the parking permit or virtual parking permit has expired.
43. A visitor permit is only valid for 24 hours from the time of arrival recorded by the driver on the visitor permit. If no time is recorded or it is not visible on the visitors permit when it is checked by a Civil Enforcement Officer the permit will not be valid. The visitors permit will not be valid if the address or vehicle registration box is not completed.
44. An applicant may be required by the Council at any time to produce such evidence as may be reasonably required to verify any particulars or information given to the Council in order to ascertain the parking permit is valid.
45. Each valid visitor permit or valid virtual visitor permit shall enable the Driver of a vehicle who is the bona fide visitor of the permit holder to leave their vehicle in a parking place or parking area for which that permit is valid for a maximum period of 24 hours.
46. Permits may only be used by the following classes of vehicle:
- (a) Dual Purpose Vehicles
 - (b) Goods Vehicles (not exceeding 3 tonnes unladen weight)
 - (c) Passenger Vehicles
 - (d) Motorcycles, or
 - (e) A vehicle owned and used by a person with an Invalid Carriage or any registered disabled person.
47. A parking permit shall remain the property of the Council at all times and may be withdrawn by the Council in accordance with the provisions of this Order.
48. If a parking permit is issued or a record of a virtual parking permit created by the Council or its agent on receipt of a cheque and that cheque is subsequently dishonoured the parking permit shall cease to be valid and the permit holder shall be required to surrender the same to the Council within 48 hours of the receipt of written notice from the Council.
49. The Council may withdraw a permit at any time by written notice to the permit holder's address or by notice attached to the vehicle such written notice having immediate effect, and upon either of which the permit holder must surrender the permit to the Council within 48 hours.
50. In the event of the Council withdrawing the permit. The Council shall not be obliged to refund the Permit Fee or any part thereof if:
- (a) the permit holder ceasing to be a qualifying resident or qualifying individual;
 - (b) the permit holder ceasing to be the owner of the vehicle in respect of which the permit was issued;
 - (c) the vehicle has been adapted or used in such a manner that it ceases to be the type of vehicle in respect of which the permit was granted or issued;
 - (d) the parking permit holder failing to satisfy the Council upon demand as to his or her continued eligibility to be a parking permit holder;
 - (e) the qualifying resident has allowed a person who is not a bona fide visitor to use the visitor permit or virtual visitor permit; or
 - (f) the provisions of this Order are revoked.

51. A parking permit holder may surrender a parking permit at any time.
52. A parking permit holder shall surrender a parking permit, upon surrender the Council or service provider shall refund a relevant proportion of the Permit Fee, less an administration charge.
53. The selling of any parking permit, other than by the North Essex Parking Partnership, is not allowed nor are any parking permits transferable to another person. The Council reserves the right to revoke any existing parking permits and refuse to supply any further permits to those who abuse the parking scheme, either by fraudulent use of a parking permits, or by allowing persons other than bona fide visitors, to use visitor permits or virtual visitor permits, or by any other means infringing any of the Articles in this Order.
54. Any permit parking place may be used without any limit on time, subject to the provision of this Order, for the leaving during the permitted hours of a vehicle which displays in the relevant position a disabled persons badge, but only if that vehicle has been or is about to be driven or used by the person to whom the badge has been issued, or as the case may be, used for carrying of disabled person(s) as passenger(s).
55. The Council may determine from time to time to exempt any category of person or class of vehicle from any or all of the provisions of this Order in relation to the use of a permit parking place.

Payment Parking Places

56. Save as provided in this Order, no person shall cause or permit any vehicle other than one displaying a valid payment parking ticket obtained from a ticket machine or having a record of a parking payment transaction on the telephone parking payment system, to wait in a payment parking place during the permitted hours as identified in the map schedule attached to this Order.
57. A payment parking ticket shall be issued by a ticket machine or a record of a payment parking period shall be recorded on the telephone payment parking system on payment of the charge specified in column 3 of Schedule 7 in the location and at the times identified in column 1 and for the period stated in column 2 of that Schedule and any administrative charge payable to the service provided for use of the telephone parking payment system. The charge shall be paid by using the appropriate banknotes, coins, electronic card or by phone.
58. Upon payment of the charge specified in Schedule 7 of this Order or, where there is no charge for an initial period of time for a vehicle as indicated in Schedule 7 and on the ticket machine in the vicinity of the parking place, the driver shall continuously display on the vehicle a payment parking ticket issued by a ticket machine relating to the parking place in which the vehicle is left, valid for that day and that time, and such ticket shall be continuously displayed throughout the stay of the vehicle unless there has been recorded on the telephone parking payment system a valid record of the parking period for that vehicle.
59. The payment parking ticket shall be continuously displayed on the vehicle on the front windscreen, side window, dashboard or fascia so that all details including the expiry time shown on the front of the ticket are clearly visible and can be easily seen and read from the outside of the vehicle at all times.
60. Any reference to displaying a payment parking ticket in Articles 56, 57, 58 and 59 does not apply if the driver has purchased a virtual parking ticket which exempts them from displaying a payment parking ticket.
61. Where a payment parking ticket has been displayed on a vehicle in accordance with the provision of this Order, no person, not being the driver of the vehicle, shall remove the payment parking ticket from the vehicle unless authorised to do so by the driver of the vehicle.
62. The driver of a vehicle shall not allow that vehicle to wait in a payment parking place if that vehicle displays a parking ticket which has been purchased (whether by the driver or another person) for a different vehicle or at a different payment parking place than the payment parking place where the vehicle is waiting.
63. Save as provided in Article 65, no person shall cause or permit any vehicle to remain in a payment parking place during the permitted hours for longer than the maximum stay period as indicated in relation to that parking place on the map schedule attached to this Order.

64. No vehicle which has been taken away from a payment parking place after the initial period of parking has expired shall return within a period separated by an interval of not less than the time period indicated on the map tile label and/or the map schedule legend for that parking place as a period of no return.
65. The payment parking place may be used without any limit on time, subject to the provision of this Order, for the leaving during the permitted hours of a vehicle which displays in the relevant position a disabled persons badge, but only if that vehicle has been or is about to be driven or used by the person to whom the badge has been issued, or as the case may be, used for carrying of disabled person(s) as passenger(s).
66. If at any time when a vehicle is left during the permitted hours in a payment parking place there is on the nearest ticket machine a notice placed by any person duly authorised by the Council indicating that the ticket machine is out of order, then a ticket shall be obtained where possible from another ticket machine or a parking period must be recorded on the telephone parking payment system. However, if the other ticket machines are out of order and there is no facility to make a telephone parking payment system record the vehicle shall be exempt from the charge provided that it is removed within the maximum stay period within the permitted hours.

Limited Waiting Parking Places

67. Each area on a highway designated as a limited waiting parking place or a shared use (permit and limited waiting) parking place and is indicated as such in the map schedule to this Order, may be used by vehicles to wait for a limited period, not exceeding the maximum period of waiting specified, or returning within the "no-return" period specified in the map tile label and/or map schedule legend attached to this Order in respect of that parking place from a previous period of waiting by the same vehicle in the same length of road on the same day.
68. The limited waiting parking place may be used without any limit on time, subject to the provision of this Order, for the leaving during the permitted hours of a vehicle which displays in the relevant position a disabled persons badge, but only if that vehicle has been or is about to be driven or used by the person to whom the badge has been issued, or as the case may be, used for carrying of disabled person(s) as passenger(s).

Disabled Badge Holders Only Parking Places

69. Each area on a highway designated as a parking place for disabled badge holders only and indicated as such in the map schedule attached to this Order, may be used by vehicles to wait without any limitation on time, except where traffic signs indicate otherwise, provided the disabled person's badge is displayed at all times during which the vehicle is left in the parking place and –
 - (a) it is exhibited on the dashboard or fascia of the vehicle so that the front of the badge is clearly legible from the outside; or
 - (b) in the case of a vehicle not fitted with a dashboard or fascia the badge is exhibited in a conspicuous position, so that the front of the badge is clearly legible from the outside of the vehicle; and
 - (c) where there is a limit on time the disabled person's parking disc must also be displayed and set at the time of arrival;
 - (d) where there is a limit on time in respect of that parking place, that period of waiting not being a period separated by an interval of less than the return period specified on the signs and map tiles attached to this Order, or where a return period is unspecified that period of waiting not being a period separated by an interval of less than 1 hour from a previous period of waiting by the same vehicle in the same length of road on the same day.

Parking Places for Loading or Unloading by Goods Vehicles

70. Each area on a highway designated as a parking place for the loading or unloading by goods vehicles, which is indicated as such in the map schedule attached to this Order, may be used by vehicles to enable goods to be loaded or unloaded from the vehicle in connection with adjoining trade or business premises during the permitted hours subject to any limitation on class of vehicle or maximum period of waiting. Loading or unloading has to be continuous while the vehicle is parked and includes taking goods into premises, waiting for them to be checked and documents signed. Once the delivery process has been completed the vehicle must be moved.

Parking Places for Motor Cycles

71. Each area on a highway designated as a parking place for Motor Cycles only and indicated as such in the map schedule attached to this Order, may be used by vehicles to wait without any limitation on time, except where signs indicate otherwise, provided the vehicle is a motor cycle.

Parking Places for Pedal Cycles

72. Each area on a highway designated as a parking place for Pedal Cycles only and indicated as such in the map schedule attached to this Order, may be used by vehicles to wait without any limitation on time, except where signs indicate otherwise, provided the vehicle is a pedal cycle.

Electric Vehicle Charging Bays

73. Each area on a highway designated as an electric vehicle charging bay and is indicated as such in the map schedule attached to this Order, may be used by electric vehicles to wait within the permitted hours provided the vehicle is an electric vehicle parked for the purpose of charging an electric vehicle in an electric vehicle charging point and that charging does not exceed the maximum of 3 hours continuous charging time;

Exceptions

74. Nothing in the provisions of this Order shall render it unlawful to cause or permit a disabled person's vehicle, which displays a valid and legible disabled person's badge and a parking disc to park in a parking place.
75. Notwithstanding the provisions of this Order any vehicle may wait during the permitted hours in any parking place (other than a parking place the use of which has been suspended) for so long as may be reasonably necessary if -
- (a) directed to do so with the permission of a police constable in uniform;
 - (b) the vehicle is waiting to enable a person to board or alight from the vehicle;
 - (c) the vehicle is waiting to enable goods to be loaded or unloaded from the vehicle;
 - (d) the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond their control or in order to avoid an accident;
 - (e) the vehicle is waiting owing to the driver being required by law to stop;
 - (f) the vehicle is being used for police, fire brigade or ambulance purposes, or a vehicle (other than a passenger vehicle) in the service of a local authority, or a vehicle being used in connection with providing medical attention to any person in the neighbouring area (evidence of such a purpose may be required by The Council), or a statutory undertaker, if it cannot conveniently be used for such purposes in any other road and is being used in pursuance of statutory powers or duties;
 - (g) the vehicle is in the service of or employed by a postal or parcel delivery business and is being used in conjunction with the delivery of goods;
 - (h) the vehicle is a recovery vehicle and is waiting to enable it to be used in connection with the removal of a traffic obstruction or a vehicle which has broken down;
 - (i) the vehicle is in actual use as a removal vehicle in connection with the removal or delivery of furniture to or from an office or dwelling house in the neighbouring area;

- (j) the vehicle is being used for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or parking area, or the laying, erection, alteration, removal or repair in or adjacent to the parking place or parking area of any sewer service, conductor or apparatus and cannot conveniently be used for that purpose in any other neighbouring road;
- (k) the vehicle is waiting only for so long as it is necessary to enable it to be used in connection with posting or removing of advertising material in the form of posters on or from, cleaning windows or chimneys, in premises adjacent to the parking place or area.

Part IV

General Provisions, Suspensions and Dispensations relating to Parking Places

Power to suspend the use of a Parking Place or Area

- 76. Any person authorised by The Council or a Civil Enforcement Officer may suspend, on payment of the charge as set from time to time by the Council (in addition to any fee for a temporary traffic regulation order that may be required), the use of a parking place or parking area or any part thereof if the suspension is reasonably necessary:
 - (a) for the purpose of facilitating the movement of traffic or promoting its safety;
 - (b) for the purpose of any building operation, demolition or excavation in or adjacent to the permit parking place or in the maintenance, improvement or reconstruction of the permit parking place or laying, erection, alteration, removal or repair in or adjacent to the permit parking place any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telegraphic line or traffic sign;
 - (c) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or
 - (d) in such circumstances or on such other special occasions as may from time to time be considered necessary.
- 77. A police constable in uniform may suspend the use of a parking place or area for a period not exceeding 24 hours if he or she considers it reasonably necessary.
- 78. Any person may apply to the Council to have the use of a parking place or area or a section thereof suspended on payment of the charge as set from time to time by the Council (in addition to any temporary Traffic Regulation Order charge that may be required) and such application to be made on the current standard form issued by and obtainable from the Council.
- 79. Any person suspending the use of a parking place or area in accordance with the provisions of this Order shall place or caused to be placed at the suspended part of the parking place or area a sign indicating that waiting by vehicles is prohibited.
- 80. No person shall cause or permit a vehicle to be left in a parking place or area or part of a parking place or area during such period as there is in or adjacent to that parking place or area or part thereof a sign placed in pursuance of Article 79 of this Order.

Dispensation of Parking Place or Area

- 81. Any person authorised by the Council may on payment of the charge specified in Schedule 4 of this Order issue a dispensation notice in respect of the use of a parking place or area or any part thereof if it is considered such dispensation is reasonably necessary-
 - (a) for the purpose of any building operation, demolition, internal or external repair or decoration of a property adjacent to the Parking Place;
 - (b) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository;
 - (c) for the convenience of occupiers of premises adjacent to the parking place at times of weddings, funerals or on other occasions;

(d) in such circumstances or on such occasions as may from time to time be considered by the Council necessary.

82. At all times during which a vehicle is left in a parking place or area during the permitted hours there shall be continuously displayed in the front or nearside of the windscreen of the vehicle a valid dispensation notice issued in respect of that vehicle so that all particulars are clearly visible and can be easily seen and read from the front or nearside of the vehicle, and which includes information to enable the driver to be contacted in an emergency and that the vehicle is moved if the driver is requested to do so by a police constable in uniform or civil enforcement officer.

General Provisions

83. No person shall use a vehicle in a parking place in connection with the sale of any article to any person in or near the parking place or in connection with the selling or offering for hire of his or her skill or services.
84. The driver of a vehicle using a parking place or area shall stop the engine as soon as the vehicle is in position in the parking place; and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place or area.
85. No person shall without the consent of the Council cause or permit a trailer to wait in a parking place during the permitted hours.
86. No person shall use any part of a parking place or area for sleeping, camping or cooking.
87. No person shall use any part of a parking place or area for the purpose of servicing any vehicle or any part thereof other than is reasonably necessary to enable that vehicle to depart from the parking place.
88. No person shall use a parking place so as to prevent access to any premises adjoining the road, or the use of a parking place so as to be a nuisance.
89. No person shall place, erect or cause to be erected, any skip, tent, booth, stand, building or other structure or store any materials in a parking place without the written consent of the Council.
90. No person shall use a parking place or any part thereof if the highway authority has restricted or prohibited its use temporarily under Section 14 of the Road Traffic Regulation Act 1984 or the Road Traffic Regulation (Special Events) Act 1984; and exhibited notice of such closing on or near the parking place.
91. The Council shall:
- (a) cause the limits of a parking place to be indicated on the carriageway by placing and maintaining thereon traffic signs of any size, colour and type prescribed or authorised under the 2016 Regulations, or subsequent amendments;
 - (b) place and maintain on or in the vicinity of the parking place traffic signs of any size, colour and type prescribed or authorised under the 2016 Regulations, or subsequent amendments indicating that such parking place may be used during the permitted hours and days identified on the plans attached to this Order for the leaving only of the class of vehicle indicated therein; and
 - (c) carry out such other work as is reasonably required for the purposes of the satisfactory operation of the parking place.
92. No person shall drive or permit to be driven any vehicle in a parking place or parking area for any purpose other than the purpose of leaving that vehicle in the parking place or parking area in accordance with the provisions of this Order or for the purpose of departing from the parking place or parking area.

Manner of standing and removal

93. Every vehicle, other than a motorcycle or a pedal cycle, left in a parking place, parking area or loading bay in accordance with the foregoing provisions of this Order shall stand so:

- (a) in the case of a parking place, parking area or loading bay in relation to which a special manner of standing of a vehicle in that parking place, parking area or loading bay is identified on the highway by means of appropriate road markings and/or the placing of an appropriate sign nearby, as to be in accordance with that identification and/or sign;
 - (b) in the case of any other parking place, parking area or loading bay:
 - (i) if the parking place, parking area or loading bay is not in a one-way street, that the left or near side of the vehicle is adjacent to the left-hand edge of the carriageway; and
 - (ii) that the vehicle is parked in compliance with section 85 of the Act of 2004;
 - (c) that every part of the vehicle shall be positioned so that it is within the limits of a parking place, area or loading bay, as the case may be;
 - (d) that no part of the vehicle obstructs any vehicular means of ingress to or egress from any premises adjacent to the side of the road on which the vehicle is waiting.
94. Every motorcycle left in a parking place or pedal cycle left in a pedal cycle parking place in accordance with the foregoing provisions of this Order shall stand so that every part of the vehicle is within the limits of that parking place and that no part of the vehicle obstructs any vehicular means of ingress or egress from any premises adjacent to the side of the road on which the vehicle is waiting.
95. If a vehicle is left in a parking place or parking area in a position other than in accordance with the provisions of this Order a person authorised by the Council or Essex County Council may alter or cause to be altered the position of the vehicle so that its position is in accordance with the said provisions.
96. If a vehicle (or any other thing) is left in a parking place or parking area in contravention of this Order a person authorised by the Council or Essex County Council may remove the vehicle from the parking place or parking area or arrange for the removal of a vehicle from a parking place or parking area.
97. For the purpose of meeting the requirements of an emergency a person authorised by the Council or Essex County Council or a police constable in uniform may alter or cause to be altered the position of a vehicle in a parking place or remove or arrange for the removal of a vehicle from a parking place.
98. Any person altering or causing the alteration of the position of the vehicle under the provisions of this Order or removing or causing the removal of a vehicle under the provisions of this Order may do so by towing or driving the vehicle or in such other manner as is reasonably necessary to enable the position of the vehicle to be altered or for the vehicle to be removed.
99. Any person removing or arranging for the removal of a vehicle under the provisions of this Order shall make such arrangements as are reasonably necessary for the safety of the vehicle in the place to which it is removed and shall use all reasonable means to notify the owner of the place to which it has been removed. Neither such person nor the Council shall be responsible for any loss or damage to the vehicle or other thing or to anything contained therein or thereon arising from or in consequence of the exercise of these powers other than such loss or damage occasioned by the negligence of such person or of the Council.
100. Where a vehicle (or any other thing) has been removed from a parking place or parking area in accordance with this Order, the driver, or owner of the vehicle (or any other thing) or person authorised by the owner in writing in that behalf shall be required to pay the Council up to the maximum sum set out in the relevant legislation applicable at that time and furnish satisfactory proof of identity.
101. Following payment of the sum mentioned in Article 100 and upon production of satisfactory proof of identity the Council shall issue a receipt, together with details of the place where the vehicle (or any other thing) has been impounded.
102. Upon production of the receipt given in accordance with Article 101 to an authorised person at the place of impound the vehicle (or other thing) shall be released to the person producing the receipt.

103. Any vehicle (or any other thing) removed from the parking place or parking area in accordance with this Order, which appears to the Council to be abandoned shall be disposed of in accordance with the provisions of the Refuse Disposal (Amenity) Act 1978 and its related Regulations.
104. Notwithstanding the foregoing provisions of this Order, the Council may at its discretion issue a temporary dispensation notice allowing a specific vehicle to wait for a specified purpose in a road or a parking place during the hours of operation of any restriction or prohibition to the contrary, or a temporary suspension notice temporarily suspending any restriction imposed by this Order. The Council shall set a charge for the issue of such notices as it considers appropriate.

PART V

Contravention of Order

105. If a vehicle is left without complying with any of the requirements of this Order, then a Contravention will have occurred and a Penalty Charge shall be payable for each period identified in the Map Schedule attached to this Order at the location where the said vehicle is so parked.
106. If a Contravention has occurred, a Penalty Charge showing the Information required by the Act of 2004 may then be issued by a Civil Enforcement Officer.
107. The notification of a Penalty Charge to be given in respect of a stationary vehicle-
- (a) by a Penalty Charge Notice affixed to the vehicle; or
 - (b) by a Penalty Charge Notice given to the person appearing to be in charge of the vehicle; or
 - (c) where a Civil Enforcement Officer attempted to serve a penalty charge notice but was prevented from doing so by some person then the Council shall serve the penalty charge notice by post in accordance with the Act of 2004;
 - (d) where a Civil Enforcement Officer has begun to prepare a Penalty Charge Notice for service, but the vehicle concerned was driven away from the place it was stationary before the civil enforcement officer has finished preparing the Penalty Charge Notice then the Council shall serve the penalty charge notice by post in accordance with the Act of 2004.
108. The Penalty Charge shall be payable not later than 16.00 hours on the Applicable Date subject to the provisions of the Penalty Charge and the 2007 Regulations.
109. The Penalty Charge shall be paid to The Council or to the address detailed on the Penalty Charge Notice in accordance with the instructions contained on the Penalty Charge Notice.

PART V

Resolution of Conflicts and Seal

110. Save as provided in Article 2 of this Order the restrictions imposed by this Order shall be in addition to and not in derogation of any restriction or requirement imposed by any regulations made or having effect as if made under the Act or by or under any other enactment, but in so far as any provision of this Order conflicts with any provision of any other Order relating to the waiting of vehicles, the provision of this Order shall prevail.

THE COMMON SEAL of the
