

Advance notice: Temporary closure of parking area for Hadleigh Public Realm improvements

We are about to embark on a scheme of highway improvements to enhance the quality and attractiveness of Hadleigh town centre to shoppers.

During our works the south side parking area outside the shops will be closed from 2pm on Tuesday 1st September 2020 for first two phases of our works. This will allow the area to be accessed by highway vehicles and equipment.

The north side parking area will be closed later in the programme.

Please support us by keeping the access and parking area free from obstructions.
