

Road closure for Vehicle Restraint System installation work - Marks Tey Station Bridge, North Lane, Marks Tey

North Lane will close at Marks Tey Station Bridge from Monday 13 January 2020 to all vehicles, for the installation of a vehicle restraint system (VRS). This will be needed for the full duration of the works 24 hours a day, 7 days a week until the works are complete. These safety improvements are due for completion July 2020.

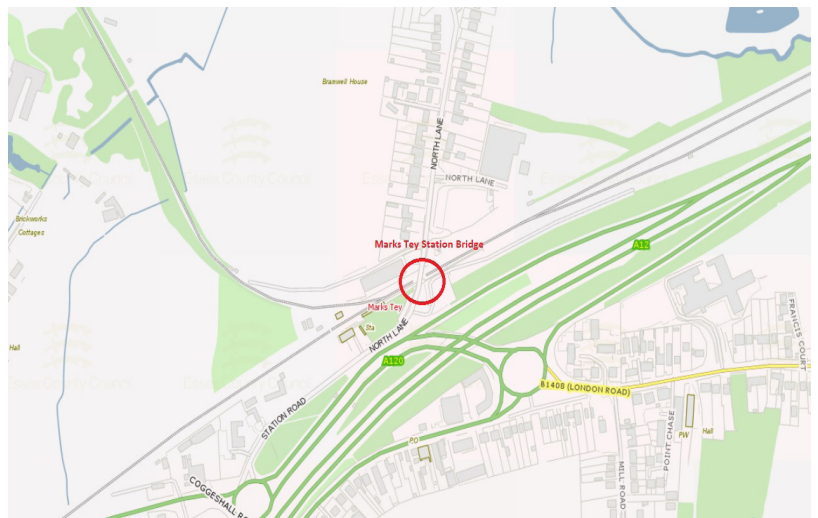

Arrangements are being made to ensure pedestrian access is maintained over the bridge during the work.

During the road closure a signed vehicle diversion will be in place via North Lane, Brook Road, New Road, A1124 Halstead Road, A1124 Essex Yeomanry Way, B1408 London Road, A120 Marks Tey Interchange, Station Road and vice versa. Please allow extra time and drive cautiously through the area as large vehicles will also be using the diversion route.

Dates may be subject to change if affected by poor weather or if unexpected issues arise. The latest information will be reflected on the webpage: www.essex.gov.uk/highwayschemes choosing the link for 'Marks Tey Station Bridge (VRS), North Lane, Marks Tey' and on site signage.
