Traffic Management

Total Value of schemes	£126,000
-------------------------------	-----------------

Ref	Scheme name	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	Date request received	RAG
1	Stambridge Road, Stambridge - Speed Limit Reduction	Request to make Stambridge Road 30mph throughout its entirety	Stambridge Road is approximately 2.5 miles long. From the junction with Little Stambridge Lane to Apton Hall Lane (approx. 1.9 miles). Residents feel that this causes drivers to exceed the speed limit throughout 30mph sections	Stambridge	Validation	LROC182014	NA	Validation results - Speed data and RTC data do not show an issue at this location. Speed limit is suitable for this road as per ECC policy.	30/10/2018	R
2	Hanover Bridge, Watery Lane / Beeches Road - Weak Bridge Signage	Signage improvements for the weight limit	Current weight limit signage is not up to standard and is inaccurate	Hullbridge	Implementation	LROC162081	£52,500	Design recommendation: Installation of new signing to reinforce the 3t structural weight limit at Hanover Bridge (Watery Lane) at various locations along the alternative route avoiding the low bridge (on hold).	28/12/2016	G
3	Victoria Avenue, Rayleigh - Traffic Calming	As residents do not support speed cushions/humps, determine whether an alternative form of traffic calming could be introduced (such as chicanes).	Residents feel that traffic regularly speeds throughout Victoria Avenue	Rayleigh	Validation	LROC182020	NA	Validation results: Due to the number of dropped kerbs, there would not be room for a sufficient number of buildouts to have an effect. Additionally, buildouts have been known to increase careless driving behaviour. As there is no significant evidence of speeding, it is recommended that no scheme progress.	18/03/2019	R
4	Clyde Crescent, Rayleigh - One Way System	Request to consider introducing a one-way system in Clyde Crescent, as this would address the regular obstructive parking	Residents regularly drive over the green to park on their driveways, which damages the footway and the green. Other vehicles park obstructively and dangerously throughout the crescent	Rayleigh	Validation	LROC182019	TBC	In validation - results of consultation being reviewed.	22/02/2019	V

Traffic Management

Total Value of schemes	£126,000
------------------------	----------

Ref	Scheme name	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	Date request received	RAG
5	Canewdon Directional Signage	Request to consider installing various directional signs to Canewdon	Cllr feels that there is insufficient signage to identify Canewdon	Canewdon	Validation	LROC192001	NA	Validation results - Policy states that we should be looking to reduce signage clutter. There is no clear reason as to why this signage is required and as such, it is recommended that no scheme progress.	03/04/2019	R
6	Star Lane, Great Wakering – Traffic Calming	Request to consider installing village gates/traffic calming measures	Vehicles accelerate toward the national speed limit / do not slow and they leave it and enter the 30mph section (supported by results of recent speed survey). This is a residential street, with a number of families living along this road	Great Wakering	Total Scheme	LROC192002	£13,000	Validation results - Prominent gateway features and additional signage could be implemented.	05/04/2019	G
7	North Street, Great Wakering - HGV Restriction	Request to restrict HGVs from entering North Street at the southern end	Although this is a private street, there are highway rights over it and HGVs are damaging the condition of the carriageway	Great Wakering	Total Scheme	LROC192003	£7,000	Validation results - HGV restriction can be introduced here, although there will be no active enforcement.	09/05/2019	G
8	Rochford Garden Way, Rochford - Grasscrete	Installation of grasscrete	Grass verges are regularly damaged by vehicles	Rochford	Total Scheme	LROC162058	£30,000	Carried over from 2018/19 rolling programme.		G
9	Twyford Avenue, Great Wakering – Grasscrete	Installation of grasscrete	Grass verges are regularly damaged by vehicles	Great Wakering	Total Scheme	LROC152063	£23,500	Carried over from 2018/19 rolling programme.		G
10	The Chase, Rayleigh - Speed Table	Request to implement speed table at the junction Warwick Road	There have been a number of collisions at this junction in recent weeks	Rayleigh	Validation	LROC192004	TBC	In validation.	05/07/2019	V
11	Ashingdon Road, Rochford - Bollards	Request to install bollards on the grass verge	Drivers regularly park on / drive over the grass verge	Rochford	Validation	LROC192005	TBC	In validation.	26/07/2019	V
12	High Street, Great Wakering - Bus cage	Request to install a bus cage outside of the bus stop/flag	The bus shelter is situated prior to the official stop and as such, the busses are stopping at the shelter, which causes the vehicle to obstruct the pedestrian crossing	Rochford	Validation	LROC192006	TBC	In validation	26/07/2019	V

Walking

Total Value of schemes	£0
-------------------------------	-----------

Ref	Scheme name	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	Date request received	RAG
1	Pedestrian Crossing - London Road, Rayleigh	Request to look into possibility of introducing a crossing facility to provide pedestrian access to the BP garage / M&S	Pedestrians currently have no safe way to cross the A129 to gain access to the shop	Rayleigh	Validation	LROC183016	TBC	Validation results - Following the upgrade to the pedestrian refuge by the adjacent developer, the LHP can then consider upgrading it to a pedestrian crossing. HLO to progress this stage of the validation once developers works are complete.	23/07/2018	V
2	Nelsons Gardens, Rayleigh - Footway	Request to look into options to improve the footway leading to the playing field	There is a large tree next to the footway which is causing large cracks and ridges to appear. Wheelchair users now have difficulty accessing the park	Rayleigh	Validation	LROC193001	TBC	In validation	26/07/2019	V
