

13 March 2020

Dear Resident/Business Owner

**Colchester to Clacton Route Improvements  
Overnight road closures – A133 Little Clacton Bypass, 30 March to 3 April 2020.**

We are writing to advise you that it will be necessary to temporarily close the A133 Little Clacton Bypass (northbound only) between Progress Way Roundabout and Weeley Roundabout for 4 nights from Monday 30 March 2020 until Friday 3 April. The temporary road closure is required for resurfacing works and will close at 9pm each night and re-open at 5am the next morning.

Arrangements may be subject to change, for example if the work is completed earlier than planned or if the works are delayed due to unsuitable weather conditions.

During the closure period, motorists are advised to follow the diversion route that will be in place via B1441 London Road, The Street, Weeley Road and Clacton Road. Bus services serving the local Clacton area will operate as usual.
