19th March 2026

Dear Resident,

We are writing to update you on the progress of the construction project for the new Stanway Roundabout.

We have now completed the surfacing of the new southern approaches to the roundabout. Our team is currently working on the associated footpaths and ensuring that all new lighting columns are fully installed and operational ahead of the planned opening of this section in mid-April. A further letter will be issued two weeks in advance to confirm the exact opening date and the traffic management arrangements.

The main purpose of this letter is to inform you of an upcoming **road closure** on **Blackberry Road** from **28th March to 12th April**. During this period, we will be carrying out a low-pressure gas main diversion. An official diversion route will be in place via Villa Road and Winstree Road (please refer to the attached plan for details).

We have scheduled these works during the Easter holidays to help minimise disruption to residents and local businesses. However, some inconvenience is unfortunately unavoidable.

Delays are to be expected, and we kindly ask that you allow extra time for your journeys. We appreciate your patience and understanding.

At Natta, we value our responsibility to the local community. We understand that construction can be inconvenient and will do our best to minimize disruption while keeping you updated throughout the project.

If you have any questions or concerns, please do not hesitate to contact us on **01252 851155** or via email at **reception@natta.co.uk**. A member of our team will be happy to assist you.

Further updates will also be available on Essex Highways' dedicated webpage:

"Mersea Homes Development – Stanway – New Roundabout at Fiveways Junction", accessible via:
www.essex.gov.uk/highwayschemes or by using the QR code provided.

Yours sincerely,
Natta Building Company Ltd
