

## Additional Information Document

### Indicative Map of Bus Stops towards Sandford Road

### Indicative Map of Bus Stops towards Chelmsford City Centre

Please refer to Traveline for greater information on the stops that are being served by the shuttle service. Note that the final stop towards Sandford Road will in practice be adjacent to the junction of Springfield Park Lane with Sandford Road (the existing stop is to the right of this junction – however you will not be able to serve this due to the road closure – see below).

### **Arrangements For Accessing Bus Stand at Sandford Road Route Terminal.**

Springfield Park Rd, left into Sandford Road, right into Kingston Crescent, right into Gainsborough Crescent to a temporary bus stand located just before junction with Sandford Road – see map below.

### **Arrangements For Accessing First Bus Stop From Gainsborough Crescent Temp Bus Stand**

The bus would then move forward to pick up passengers from the existing stop in Springfield Park Road – marked by yellow spot on map below.

### **Arrangements For Alighting Passengers at Sandford Road Route Terminal.**

On return back to the area, the bus would drop off passengers close to the Sandford Rd / Springfield Park Road junction – likely location is where the green spot is shown on map 1. A 'temporary bus stop will be located here and marked as 'alighting point only'.
