serving North East Braintree

What is Essex DaRT?

Demand Responsive Transport (DaRT) is an alternative way of providing access to key services in rural areas.

DaRT services differ from bus services in that they are flexible and may divert on and off route to collect and drop off passengers within their operating area.

DaRT is **not** a taxi service, as there must be sufficient volume of passengers with similar itineraries in order to make the journeys viable. Most DaRT work is former bus routes and group bookings, but unlike a large bus, DaRT only needs three or four passengers to make a group booking. When not operating a timetabled bus route or group booking, vehicles may be available for individual runs where no alternative transport is available. DaRT operates between **0600 and 2000 Mondays to Saturdays only.**

Unlike a conventional bus, you need to first register as a customer and you need to book your seat on a journey at least two hours in advance of travel; you may book up to three months in advance of travel. If you travel regularly you can make a regular booking which lasts for three months, however if you are unable to travel on a particular day, please remember to cancel that journey as soon as possible.

To get more information call Essex DaRT on 01621 874411 or email info@essexandsuffolkdart.co.uk
