

## Tendring Local Highway Panel Meeting Agenda

Date: Thursday 30th January 2014  
 Time: 18:00 hrs  
 Venue: Weeley Council Offices

**Chair** CC Member Mick Page

**Panel Members** CC Member Roger Lord, CC Member Pierre Oxley, CC Member Andy Wood, CC Member Paul Honeywood, CC Member Ivan Henderson, CC Member Andrew Erskine, CC Member Carlo Guglielmi, Tendring Cllr Nick Turner

**Other Attendees** ECC Officer Alan Lindsay Principal Area Transportation Co-ordinator, ECC Officer Rob Macdonald Highways Liaison Officer, TDC Officer Mike Badger  
**Secretariat: Corinne Pickett Highways Technical Advisor Customer Services**

	Item	Lead:	Papers:
1	Welcome and Introductions	Chair	Verbal
2.	Declarations of Interest	All	Verbal
3.	Minutes of meeting held on 29 <sup>th</sup> September 2013 to be agreed as correct record	Chair	Attached
4	Private/Public meetings	All	Verbal
5.	Tendring VAS – additional locations for consideration	All	Verbal
6	Casualty reduction schemes	All	Attached
7.	Potential Schemes for consideration of Panel – <b>remaining budget: £126,980</b> <ul style="list-style-type: none"> <li>• Improvements</li> <li>• Small Works</li> <li>• Bus Stop / Route Improvements</li> </ul>	Chair	Attached
8.	Scheme Programme list	Chair	Attached
9.	<ul style="list-style-type: none"> <li>• AOB</li> </ul>	All	Verbal
10.	<ul style="list-style-type: none"> <li>○ Date of next meetings:               <ul style="list-style-type: none"> <li>• 13<sup>th</sup> March 2014</li> <li>• 12<sup>th</sup> June 2014</li> <li>• 18<sup>th</sup> September 2014</li> <li>• December 2014 TBC</li> </ul> </li> </ul>	All	Verbal

**Suggested text for public question time:**

Immediately after the minutes of the previous meeting have been approved there will be a period of up to 15 minutes when members of the public can speak for up to three minutes on items on the agenda. Members of public wishing to speak should contact Rob Macdonald by e-mail [Local.HighwayPanels@essex.gov.uk](mailto:Local.HighwayPanels@essex.gov.uk) or 0845 6037631 prior to the meeting.

ID	Location	Problem	Proposed Solution	Cost (£)	RAG
1 LTEN131018	B1027 Valley Rd / Oxford Road, Little Clacton	A study of the Personal Injury Collision data for the period from 01/05/2008 to 31/08/2013 at this location shows that there have been 9 Personal Injury Collisions, all slight, resulting in 14 slight casualties.	i)Re-position the give-way line at Oxford Road/ B1027 junction further north; ii)Provide red-infill central hatching on both east and westbound approaches to the mini-roundabout; and iii)Remove the existing 'give-way' signing on the east and westbound approaches and replace with yellow backed 'give-way' signing on both approaches. iv)Increase the size of the mini roundabout dome and circulatory markings	Preliminary Design and Investigation Cost £3,000 Detailed Design and Scheme Build Cost £12,000	green
2 LTEN131019	A137 Colchester Road, Fox Street	A study of the Personal Injury Collision data for the period from 01/05/2008 to 31/08/2013 at this location shows that there have been 5 Personal Injury Collisions, including one serious and four slight, resulting in one serious and six slight casualties.	i)Replace all the existing chevron signing (for east and south westbound road users) with yellow-backed chevron signs; ii) Install an additional yellow back to back chevron to compliant the existing arrangement;iii)Install 'max speed 30mph' advisory signs beneath both 'bend ahead' warning signs on the east and south westbound approaches;	Preliminary Design and Investigation Cost 2,000 Detailed Design and Scheme Build Cost £8,000	green
3 LTEN131020	A133 Colchester Road (Frating Roundabout)	A study of the Personal Injury Collision data for the period from 01/05/2008 to 31/08/2013 at this location shows that there have been 10 Personal Injury Collisions, including one serious and nine slight, resulting in one serious and ten slight casualties.	i) Remove the existing nearside and central reservation 'roundabout ahead' warning signs with 'reduce speed' now plate and replace them with solar powered 'roundabout ahead' warning VAS signs with 'slow down' plate on lattix posts.	Preliminary Design and Investigation Cost 7,000 Detailed Design and Scheme Build Cost £30,000	green
4 LTEN131021	Holland Road / Thorpe Road, Little Clacton	A study of the Personal Injury Collision data for the period from 01/05/2008 to 31/08/2013 at this location shows that there have been 5 Personal Injury Collisions, including one fatal and four slight, resulting in one fatal and five slight casualties.	i)Replace the existing 'directional signs' that were previously present for northbound road users existing Thorpe Road;ii)Install 'Think bike' signing along both east and westbound approaches of Holland Road approaching the junction with Thorpe Road; iii)Install a 'staggered junction' warning sign to diagram 507.1 on the eastbound approach to Tan Lane; and iv)Install 'hazard marker posts' to diagram 560 either side of the junction at Thorpe Road.	Preliminary Design and Investigation Cost 2,000 Detailed Design and Scheme Build Cost £8,000	green

ID	Location	Problem	Proposed Solution	Cost (£)	RAG
5 LTEN131022	vista rd / skelmersdale road	A study of the Personal Injury Collision data for the period from 01/05/2008 to 31/08/2013 at this location shows that there have been 4 Personal Injury Collisions all slight, resulting in six slight casualties.	i) Remove existing 'give-way' signing and replace with new yellow backed give way signing on both north and south bound approaches of Vista Road; ii) Remove existing 'crossroads ahead' sign on eastbound approach of Skelmersdale Road and replace with a new yellow backed 'crossroads ahead'; iii) Install a new 'crossroads ahead' sign on the westbound approach of Skelmersdale Road to Vista Road. iv) Extend the 'no waiting at any time' restriction along Skelmersdale Road adjacent to number 59	Preliminary Design and Investigation Cost 2,000 Detailed Design and Scheme Build Cost £8,000	green
6 LTEN131023	B1027, St Osyth	A study of Personal Injury Collision data for the period from 01/11/2008 to 14/11/2013 at this location shows a total of 11 Personal Injury Collisions.	install high PSV material instead of surface dressing and Increase width of existing road markings to increase conspicuity of the bend. <b>Funded from maintenance capital programme</b>	£60,000	green

KEY

- Green A high priority based on Collision history
- Amber A medium priority based on Collision History
- Red A scheme which is against Essex Policy or there is no appropriate engineering solution.

design cost total: £16,000

ID	Location	Scheme	Problem	Justification / Comments	Requested By	Estimated Cost (£)
1	DC1503	Ramsey and Parkeston	advisory 20mph limit signs previously recommended. Cllr Skeels then wanted it changed to a 20mph speed limit. Top up required for a speed limit change	Speeding vehicles	Speed of vehicles. Cllr Erskine to consult Parish Council before taking further. <b>Cllr Erskine would like us to continue with the initial scheme of advisory 20mph limit sign so extra funding is not required.</b>	Cllr Skeels £7,350
2	LTEN134001	B1029 going into Brightlingsea on the Church Hill	add signage	There is a cycleway running down the side of the road but a number of cyclists are still using the highway defeating the object of the cycle path.	It has been asked if a sign could be place at the start of the cycleway travelling in both directions to notify cyclists of the path	Cllr Robinson Estimated Cost £3,000 Design £500
3	LTEN132042	Wigboro Wick Corner, Point Clear Road, St Osyth	increasing size of signs	chevron is barely visible	yellow borders not allowed – not an accident site	Cllr Robinson Estimated Costs £4,000 Design £500
4	LTEN132059	King's Head Street, Harwich	Install 2 No. Cast Iron Bollards on highway land (to prevent jetty being hit).	the risk of a wide or high vehicle colliding with either side of the jetty	Evidence of over-running vehicle tracks at the junction of The Quay and Kings Head Street	Cllr Halliday, the Harwich Society and Town Council Estimated Costs £1,000 Design £200
5	LTEN132031	The Two Village C of E Primary School and The Windmill Children's Centre	Add school direction signage	The school is not visible from the main road, it is far from roundabout and unclear	The school need to publicise its location on its web site.	Cllr Erskine Estimated Costs £500 Design £200
6	LTEN132035	BROMLEY ROAD, Lawford, Manningtree	Install 5 No. Edge Marker Posts with two reflectors on highway land.	A ditch regularly has vehicles going near to the edge of the ditch collapsing the sides		Cllr Guglielmi / Lawford PC Estimated Costs £1000 Design £200
7	LTEN132030	Marine Parade East, Clacton-on-Sea	Redesign and install new markings	bay markings and the effect of vehicles across the centre line	The road markings do not look correct; a rethink on best remedial options is required.	Cllr Halliday Estimated Cost £5,000 Des/Sup £500
8	LTEN132023	Frinton Road – Holland On Sea	control signal crossing	The area has a doctors surgery and car park on opposite side of the road which causes issues for elderly residents to cross the road.	Good visibility for a Pedestrian Crossing at existing lit traffic island. Lighting column nearby. September 2103 PV2 analysis; crossing criteria met.	Cllr Pierre Oxley Estimated Cost £110,000 Des/Sup 10,000

ID	Location	Scheme	Problem	Justification / Comments	Requested By	Estimated Cost (£)
9	Tewkesbury Road, Clacton on Sea	1) Add 2 No "Give Way" Signs on each approach of Tewkesbury Road 2) Consider 2No "Cross Road" on each approach of Berkeley Road, 3) Add carriageway Give Way Triangle marking on each approach of Tewkesbury Road	fear of accidents	View from Tewkesbury Road the junction with Berkeley Road in not easily noticed and the sag in vertical alignment. A vehicle may not be aware of this junction	Cllr Oxley and Cllr Tracey	Estimated cost £6,000 Des / Sup £1,500
10	Primrose Road, Holland-on-Sea	Add 1 No. Guardrail panel to existing guardrailings	Due to a shift in location of an access gate, the guard rail needs to be realigned.	There is a valid issue here, the existing guardrails needs an additional panel.	Holland Haven Primary school / Cllr Oxley	Estimated Cost £200 Des/Sup £100
11	Station Road (from the Manningtree border) to Manningtree High Street (as far as Wherry Corner)	1) Install 30mph repeater signage at Manningtree border 2) Add 30mph Roundel	Vehicles perceived speeding through the town where there are very narrow pavements, narrow roads with traffic priorities and sharp bends	November 2103 Speed Survey analysis; Location – Station Road, between Lushington Road and Colchester Road – Mean speed 20.1mph – excellent compliance.	Manningtree Town Council/Cllr Guglielmi	Estimated Costs £2,000 Des/Sup £500
12	paths in Frating	providing waymarkings and finger signs		The parish to supply the posts.	Frating Parish Council/Cllr Guglielmi	£500
13	New Road, Mistley	Add Junction Sign prior to Oxford Road (Northeast bound)		Speed data showed good compliance - No to SLOW Marking	Mistley PC and Cllr Guglielmi	Estimated cost £1,250 Des / Sup £500
14	Point Clear Road, St Osyth	Add 2 No. Wild Fowl Signs either end of dam (or closer to location of swans in road if known)	ducks and swans at certain times of the year on the 'lake'	The parish council has been monitoring the situation for some time and are fully in agreement that some form of signage would assist.	Cllr Lord, St Osyth PC	Estimated cost £2,500 Des / Sup £500
15	Ramsey Village	install two gateways	improvements for the village	two location - Wix Road (near Tinker Street), Wrabness Road (by 30mph) third location requires survey	Cllr Erskine	Estimated cost £5,000 Des/Sup £1000
16	Harwich Road, Great Oakley	1) Add 2 No Gateway Signs with 30mph (Subject to Village boundary being coincident with speed limit otherwise just village name) 2) Add Shark Teeth carriageway markings 3) Remove existing 2 No Gateway Signs 4) Remove existing Sharks teeth Carriageway marking, 5) Remove existing Great Oakley signage	There has been a recent speed change and the 30mph has been moved back. Request for the gateway to be moved back to the same place:	There is a policy on the placement of gateways for a town or village sign the town or village should start immediately ahead	Cllr Erskine	Estimated Cost £8,000 Des/Sup £2,000

ID	Location	Scheme	Problem	Justification / Comments	Requested By	Estimated Cost (£)
17	B1027 - Pump Hill	Feasibility Study due to site complexity	no footpath of any description	Footway may be cost prohibitive, walkable verge may be possible? Concern about the likelihood of usage, how many pedestrians are likely to use to footway? comments this is a PR road it's function is traffic	Cllr Lord	Estimated cost £5,000 ®
18	Elm Tree Avenue, Walton on the Naze	Install Zebra Crossing	Hamford Primary Academy – request for a pedestrian crossing due to safety concerns	October 2103 PV <sup>2</sup> <b>analysis</b> ; Elm tree Avenue o/s school – CDPV <sup>2</sup> = 0.35 x 10 <sup>8</sup> – pedestrian refuge or zebra crossing criteria met.	Cllr Page	Estimated Cost £30,000? Des/Sup 3,000
19	Brightlingsea Town Centre and Waterfront	Design Feasibility Study in liaison with Network Management to determine the suitable signing proposals with detailed scheme cost estimate.	confused signage	as this request is a very large undertaking and the best way forward is a Design Feasibility Study on the developing an area wide signing strategy. The outcome of any scheme signage proposals are likely and roughly estimated at this stage to be in the region of £50-60k.	Cllr Lord	Estimated cost £10,000 ®
20	Blue Roundabout - Off A120 Harwich - St Nicholas Roundabout	Design Feasibility Study in liaison with Places Services and Safety Engineering Team to determine suitable proposal with scheme and maintenance cost estimates	Reported bad and unsightly roundabout. Instigation of previous Cllr Les Double and the design reflects the European Union flag. The planting design (and the following roundabout on the A120 has been planted to show the English flag to complement), and appreciate there will be different opinions	Any changes here will incur a maintenance burden . Drivers may be on their first visit to UK, who should be concentrating on driving on the left and looking for the route to their desired destination. Please note that any revised planting will need to take into account the cost and time involved in the following: Removal of the existing vegetation and surfaces. Soil preparation and amelioration prior to planting. The new planting must be able to withstand exposed coastal conditions, including high winds and salt spray. Post-planting maintenance, including watering for a minimum two years after planting.	Cllr Henderson	Estimated cost £5,000 ®

ID	Location	Scheme	Problem	Justification / Comments	Requested By	Estimated Cost (£)
21	West Avenue Hospice	Add Turn Ahead Arrow sign opposite exit from Hospice. (lit)	The exit from the main car park from the Clacton Hospice is into West Ave. which is now one way (right exit). when exiting West Ave., at that point had been made one way the provision of an arrow pointing right was not provided opposite the exit.		Cllr Honeywood	Estimate Cost £2,000 Des/Sup £500

**Design costs: £29,550**

**Revenue  
Design costs: £20,000**

**KEY**

ID	Location	Scheme	Other issues / comments	Requested By	Estimated Cost
1	Kings Parade, Clacton-on-Sea	speed survey due to speeding concerns and possible VAS request		Cllr Oxley	£210
2	The Street, Ramsey	speed survey for consideration of 20 mph		Cllr Erskine	£210
3	St Johns Road Clacton	speed survey for consideration of VAS		Cllr Oxley	£210
4	Marine parade, Clacton	PV2 for Zebra crossing consideration		Cllr Oxley	£890
5	A137 Station road, Lawford	two speed surveys for Vas previously recommended			£420
6	Kirby cross as they come into 30mile zone from Thorpe	Speed survey fro consideration of mobile vas	Vas already recommended - sites required	Cllr page	£210
7	between Tendring Primary School and Crown Lane	Speed survey fro consideration of mobile vas	Vas already recommended - sites required	Cllr Erskine	£210
8	Thorpe to Weeley road	Speed survey fro consideration of mobile vas	Vas already recommended - sites required	Cllr Erskine	£210
9	council offices in Weeley	Speed survey fro consideration of mobile vas	Vas already recommended - sites required	Cllr Erskine	£210
10	B1441 Weeley bypass/Clacton Road	Speed survey fro consideration of mobile vas	Vas already recommended - sites required	Cllr Erskine	£210
11	Tan Lane/Holland Road, Little Clacton	speed survey for validation	cars cross Holland Road at the junction coming from Tan Lane and entered the hedges opposite the give way lines due to speed.	Cllr Erskine	£210
12	Main Road (adjacent to bridge) Ramsey	Install Gateway - survey required	There is considerable sign clutter at this location; Weight Limit sign and plate; Horse Riding Sign; Multi language Drive on the left Sign and the 30mph gateway just prior to the bridge parapet walls; there may not be enough room for the proposed gateway signage. However, a detailed survey of the area may be able to offer an option.	Cllr Erskine	£1,000
13	Station Road in Parkeston, Harwich	speed survey	at a point between the A120 junction and Garlands Road - police have frequently set up speed traps on the section of road after residential requests	Cllr Erskine	£210

Revenue Total: £4,410

	Location	Details of Scheme	Issues / Comments / Reason for Scheme	Scheme Origination	Estimated Cost
1	Bus Stop: 1500IM248b, The Black Boy, Colchester Rd. Weeley	Wooden "surrey" Littlethorpe shelter, includes delivery and installation, plus glass vision panel, bus stop flag, wiring and mains lighting	shelter is over 30yrs old and is past economical repair in need of replacing, A less expensive metal shelter would be totally out of character with location.	Requested by Parish Council due to passenger demands and supported by Cllr Erskine	£8,750
2	Bus Stop: 1500IM248b, The Black Boy, Colchester Rd. Weeley	raised kerbs and area of hard standing	upgrade to DDA standard with raised kerbs and hard standing area.	Requested by Parish Council due to passenger demands and supported by Cllr Erskine	£6250 Design £625
3	Bus Stop: 150032008011, The Rail Station, Colchester Rd. Weeley	Wooden "surrey" Littlethorpe shelter, includes delivery and installation, plus glass vision panel, bus stop flag, wiring and mains lighting	shelter is over 30yrs old and is past economical repair in need of replacing, A less expensive metal shelter would be totally out of character with location.	Requested by Parish Council due to passenger demands and supported by Cllr Erskine	£8,750
4	Bus Stop: 150032008011, The Rail Station , Colchester Rd. Weeley	raised kerbs and area of hard standing	upgrade to DDA standard with raised kerbs and hard standing area.	Requested by Parish Council due to passenger demands and supported by Cllr Erskine	£6250 Design £625
5	Bus Stop: 1500IM248, The Black Boy, The Street. Weeley	Raised kerbs and yellow bus stop marking	buses are unable to call at the bus stop due to cars parking at the stop and blocking passenger access to buses from the kerb side	Requested by Parish Council, supported by Cllr Erskine	£8,500, Design £850
6	LTEN135012 - Colchester Road, Weeley	two poles and flags and hard standing.	The stop will need to be installed in this location to keep it away from the roundabout, pole flag on the left, pole flag and area of hardstand on the right to prevent standing in long wet grass over the winter. This can be delivered this financial year.	Requested by Parish Council due to passenger demands and supported by Cllr Erskine	£3500 total, £,1000 poles and £250 design
7	Bus stop: 1500440010Y7, Constable Ave, Gt Clacton	formally mark the stop with a pole and flag and improve hardstand as required	no formal stopping points residents complaining that they don't know where to stop the bus	Requested by local residents and supported by, the local bus companies and PT. Cllr Wood contacted for support?	Total £7,500 £750 design, £750 pole installation

	Location	Details of Scheme	Issues / Comments / Reason for Scheme	Scheme Origination	Estimated Cost
8	Bus stop: 1500440010Y6, Constable Ave, Gt Clacton	formally mark the stop with a pole and flag and improve hardstand as required	no formal stopping points residents complaining that they don't know where to stop the bus	Requested by local residents and supported by, the local bus companies and PT. Cllr Wood contacted for support?	Total £7,500 £750 design, £750 pole installation
9	Bus stop: 1500IM245AA, Constable Ave, Gt Clacton	formally mark the stop with a pole and flag and improve hardstand as required	no formal stopping points residents complaining that they don't know where to stop the bus	Requested by local residents and supported by, the local bus companies and PT. Cllr Wood contacted for support?	Total £7,500 £750 design, £750 pole installation
10	Bus stop: 1500440010Y4, Constable Ave, Gt Clacton	formally mark the stop with a pole and flag and improve hardstand as required	no formal stopping points residents complaining that they don't know where to stop the bus	Requested by local residents and supported by, the local bus companies and PT. Cllr Wood contacted for support?	Total £7,500 £750 design, £750 pole installation
11	Bus stop: 1500440010Y3, Constable Ave, Gt Clacton	formally mark the stop with a pole and flag and improve hardstand as required	no formal stopping points residents complaining that they don't know where to stop the bus	Requested by local residents and supported by, the local bus companies and PT. Cllr Wood contacted for support?	Total £7,500 £750 design, £750 pole installation
12	Bus Stop:1500DGK175, Red Barn Lane, Gt Oakley,	Wooden passenger shelter for the local residents	This stop already has raised kerbs and the shelter could be installed on the land to the rear of hardstand	Requested by Parish Council. Cllr Erskine consulted	£7,500
13	Bus Stop;150DGK176, Red Barn Lane, Gt Oakley	Wooden passenger shelter for the local residents	This stop already has raised kerbs by slightly enlarging the hardstand the shelter could be install on the land to the rear.	Requested by Parish Council. Cllr Erskine consulted	£7,500
14	Bus Stop : 1500IM56, Tollgate, Main Rd Harwich	remove and replace the raised kerbs at the departure end of the bus stop,	Priory to January 2005 it appears that the bus stop flag was removed from it bus stop pole and places on a lamp post at the arrival (approach) end, between 2005 and 2008 raised kerbs were installed at this location, this has resulted in making it impossible for passengers and buses to use the raised kerbs safely due to cars parked outside the yellow box	Identified by local resident, the bus companies and PT - supported by Cllr Henderson	Total £7,000 design £1,000
<b>design/ delivery Total:</b>					<b>£44,350</b>

Site No	School	Location of patrol	Work required	Problem	Origin of request	Total Estimated Costs
1	DC1409 C	LTEN003001 - Holland Park Primary School	Holland Rd, Clacton	Top up required - scheme previously recommneded and tactile installed.	Risk of pedestrians crossing behind or away from the patrol. due to the lack of pedestrian guardrail on the opposite side from the school, pedestrians frequently cross the road behind the patrol. Installation of guardrail would serve to channel pedestrians to the safest crossing point	Site safety assessment  £2,000

**Total Cost** || **£5,000**
