7. Reference from Maldon Locality Board – to receive and consider the following reference from a recent meeting of the Maldon Locality Board:

“RLB explained that the County Council make a contribution towards verge cutting in the District (1.5 cuts per year) and this was supplemented by a contribution from the District Council. RLB asked that both ECC and MDC look at a financial contribution for funding improved verge cutting and minor local works such as cleanliness of signage. ML advised that Dave Taylor [DT] Parks Team Leader had already been in communication with Parish Councils on this subject. HMB recommended and RLB agreed that DT be allowed to co-ordinate a greater proportion of the works without the need to seek the authority of the Highways Panel.
ACTION: This recommendation to be put forward to a future meeting of the Highways Panel.”

8. Items requested by Panel Members.

- Request from Councillor Boyce following receipt of an email from a resident regarding speeding cars in the Tillingham area (copy of email enclosed)
