1.	<u>Welcome and introductions:</u> Cllr Moore welcomed all to the panel.	
2.	Apologies – Cllr Biddle – computer issues report to Sonia at later time.	
3.	<p>Casualty Reduction Programme</p> <p>Ian Henderson, Road Safety Team Leader presented to the panel on the Casualty Reduction programme proposed for 2021/22 financial year.</p> <p>A127</p> <p>Collision are caused by traffic crossing the lane marking so the measures are to remove the spirals markings on the roundabout with preference towards standardise markings. Cllr Buckley would prefer to keep the spirals marking but to remove the hatched areas.</p> <p>Nethermayne</p> <p>The collision are from those existing the garage area turning right and colliding with oncoming traffic as was reported in 2018. The investigations will consider changing the lane markings to reduce the lane to one. Concerns from panels member included congestion and the preference to prevent the right turn manoeuvre.</p>	

	<p>High Road, Pitsea</p> <p>The collisions include rear end shunts due to the lack of visibility of the signals and cars stopping at the last minute for the lights. The investigations will include looking at the vegetation and improving the signals. Cllr Buckley would like preference to be given to the vegetation clearance and supports removing on of the trees. Cllr Smith would like the crossing carpet to be clearer and asked for light on the surface to be considered. Cllr Buckley pointed out that buff anti-skid surfacing tends to wear away quickly.</p> <p>Leinster Road j/w St Nicholas Lane B148</p> <p>The collisions are being caused by cars overtaking those vehicles who are turning left into Leinster Road. Investigations will include adjusting the kerb line and installing central refuges.</p>	
4.	<p><u>Minutes of meeting held on 7th September 2020 to be agreed as a correct record:</u></p> <p>The minutes were agreed as a correct record.</p>	
5.	<p><u>Matters arising from minutes of the previous meeting:</u></p> <p>None</p>	
6.	<p><u>Comments regarding the Report on Funded Schemes 2020/21:</u></p> <p>No 19 – LBAS192017 Travers Way – Cllr Reid raised that the bollards installed have been installed poorly and have been knocked over. Sonia to investigate and report back before the next meeting</p>	SC
7.	<p><u>Comments regarding Report on schemes awaiting funding:</u></p> <p>Traffic Management</p> <p>No 9 – LBAS192045 – As this site requires a site visit this will remain on the list.</p> <p>General comment - Sonia offered to send around a list of the schemes in divisional order to each County Member to ask for their priorities. Sonia and Daniel will try and suggest measures without the need for speed survey data.</p> <p>The Members then considered the other schemes on the list.</p>

REPORT 1

BASILDON LOCAL HIGHWAY PANEL

2020/21 FUNDED SCHEMES LIST

This report provides an update on the current position of all the schemes which the Basildon Local Highway Panel has recommended for inclusion in the 2020/21 programme.

Budget summary 2020-21	
Capital Budget	£351,000
Safer Roads Schemes	£53,500
Total Value of Commissioned Schemes	£362,000
Remaining Budget to Allocate	£0

Members are reminded that the costs supplied are budget allocations only and there is the possibility that a final scheme cost could change dependant on issues which may arise especially during detailed design and construction. The panel will be informed of any budget adjustments required.

BASILDON LOCAL HIGHWAY PANEL REPORT 2 – SCHEMES AWAITING FUNDING

The Schemes Awaiting Funding List identifies all of the requests that have been received for the consideration of the Basildon Local Highways Panel. The Panel are asked to review the schemes, start to make their funding recommendations for those schemes they wish to see delivered and also choose to remove any which they would not wish to consider for future funding.

The breakdown of scheme types available for consideration is as below:

Budget Summary	
Safer Roads	£89,000
Traffic Management	£396,000
Walking	£645,000
Passenger Transport	£0
Total	£1,130,000

Costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

On the Schemes Awaiting Funding List, the RAG column acknowledges the status of the scheme request as shown below:

G	The scheme has been validated as being feasible and is available for consideration
A	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
R	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process
