County Councillors: Cllrs T C Cutmore, M Hoy, M Maddocks,

District Councillors: Cllrs B T Hazlewood, G J Ioannou, J R Lumley and M J Steptoe

Officers: G Speller (ECC Highways Liaison Officer), S Church (ECC Highways Liaison Manager) and M Power (RDC Minutes)

Agenda Item	Key observations	Decision/Action
Apologies for Absence	Apologies were received from Cllrs T E Mountain and R Howard.	
Declarations of Interest	Cllrs Steptoe, Mrs Lumley and Hazlewood each declared an interest in items on the Agenda by virtue of being Members of Barling Parish Council, Rayleigh Town Council and Hockley Parish Council respectively.	
Notes of the meeting on 22 September 2016	The notes of the meeting of 22 September 2016 were agreed as a correct record.	
Indicative Programme List for Schemes Approved	<p>Magnolia Road 20mph limit: The scheme would be completed when UKPN finished the works. The surfacing originally laid was subsequently destroyed by rain. This has now been re-done to an improved quality. GS to advise whether funding has been secured to re-surface the whole length of the road.</p> <p>Hullbridge Road, Hullbridge (Lubbards Farm) works: Completed.</p> <p>Brays Lane and Apton Hall Road: The scheme has been cancelled because it is being included in the review that looks at advanced warning signs for the area as a whole (Canewdon, Ashingdon &</p>	G Speller to report back

	<p>Stambridge).</p> <p>Kingswood Crescent, Rayleigh: Cllr Gibbs to advise the outcome of communication with residents to establish if the proposed scheme is what they want. GS to advise Rayleigh Town Council of the issue and discuss details of the proposed consultation (Cllr Mrs Lumley to be copied in to correspondence).</p> <p>Shopland Road, Sutton: This scheme has been cancelled but would be rolled into 2017/18 scheme list in case it can be included with other works as they arise. It was confirmed that 'Slow' road markings are, where possible, kept within the width of the lane, but can be larger if necessary.</p> <p>Rochford Garden Way, Rochford – replacement of three areas of grass verges with hard standing: to be added to 2017/18 schemes list.</p> <p>High Street, Great Wakering: Feasibility Study to look into the installation of a pedestrian refuge from the Bellhouse carehome to local amenities. The Study would be complete by the end of the 2016/17 financial year for potential allocation.</p> <p>Ashingdon Road, Rochford – 30 locations highlighted by the Safer Roads Team: broken into two phases: £130,000 in total. 50% of the schemes will be completed in 2016/17 and will include works on pedestrian railings, kerbs and footways.</p> <p>Casualty Reduction Schemes - completed:</p>	<p>GS to contact Cllr Gibbs and Rayleigh Town Council</p> <p>Include in 2017/18 schemes list</p> <p>Add to 2017/18 schemes list</p>
--	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------

	<p>Hambro Hill/Upper Lambricks Cherry Orchard Way/Hall Road Roundabout.</p> <p>Cherry Orchard Way/Hall Road Roundabout. The road hatching on the right turn into Hall Road from the Southend direction have been designed to overrun in order to highlight to drivers detritus on the carriageway. GS to provide information on the likely timeframe for commencement of major schemes in this location.</p>	G Speller
<p>Rochford LHP 2016/17 Budget Summary</p> <p>Priorities Identified by the Panel For 2017/18</p>	<p>The Panel was asked to identify priority schemes to take forward to 2017/18. (Because the 2017/18 budget was not yet confirmed, proposals for schemes were based on the 2016/17 budget of £214,000.)</p> <p>Rochford Garden Way, Rochford: Cllr Seagers did not support the scheme. GS to send scheme designs to Panel Members.</p> <p>The Budget summary showed potential schemes of £410,000, less £6,400 in the rolling programme. The Panel was asked to identify schemes totalling 140% of the likely budget of £214,000 in order to maintain the rolling programme.</p> <p>Ashingdon Road, Rochford – delivery of Phase 2 of the scheme £55,000.</p> <p>Brays Lane & Apton Hall Road: advance warnings signage – not priority but to remain on the programme.</p> <p>Poynters Lane, Great Wakering – installation of a footway: To</p>	<p>G Speller</p> <p>Priority scheme</p>

	<p>remain on the potential schemes list but due to the unknown costs, including possible need for land purchase this will not be allocated funding at this time.</p> <p>Rawreth Lane and Laburnum Way – Culvert Works: A site meeting between Cllr Maddocks and Rochford District Council.</p> <p>Ashingdon Heights, Ashingdon – one-way system: consultation with residents has now commenced.</p> <p>Lambourne Hall Road, Canewdon – Traffic Calming: Cllr Ioannou reported that the lower part of Lambourne Road near the intersection with Wallasea Road was causing residents concern. This should be referred via Member Enquiries as a maintenance problem. It is not an LHP matter so will be removed from the list of schemes.</p> <p>Lower Road, Coventry Hill – zebra crossing. Failed to meet criteria.</p> <p>Sutton Road j/w Shoplands Road – Feasibility. The Network Team has confirmed that a feasibility study can be undertaken to look into the installation of a mini roundabout and exploring other options: £10,000.</p> <p>Zebra lighting upgrade in locations in Hockley, Hawkwell and Hullbridge Road, Rawreth. A feasibility study would ascertain the works required to improve pedestrian safety. Cllr Maddocks advised that there were also two crossings on the Eastwood Road that needed lighting upgraded to prevent accidents. Cllr Maddocks to submit an LHP application</p>	<p>Priority scheme</p> <p>Delete from list</p>
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------

	<p>Bedloes Avenue, Rawreth – to investigate the lack of residential parking. Study due to be complete before next LHP meeting.</p> <p>High Street, Great Wakering zebra crossing. £20,000 estimate for upgrade of the crossing.</p> <p>Canewdon , Ashingdon & Stambridge – weight limit review – an update would be provided at the March meeting.</p> <p>Hanover Bridge, Watery Lane/Beeches Road – advance weight restriction signage to warn HGVs. (An issue identified of people throwing rubbish from vehicles should be referred to RDC.)</p> <p>Barrow Hall Road j/w Little Wakering Road – Give Way Sign – this falls within Barling Parish (not Great Wakering)</p> <p>Barling Road, Barling – installation of footway (to include chevron signs). This has been confirmed by GS.</p> <p>Lower Road Hullbridge – footway. Estimated costs of £40,000 although panel advised that £4,000 should be allocated for the first year to resolve land issues.</p> <p>Poynters Lane, Great Wakering – installation of footway. £250,000 – leave scheme on the list as a possible scheme.</p> <p>Great Wakering High Street – tactile paving. Estimated £17,000 for 7 locations along the High Street.</p> <p>Lambourne Hall Road, Canewdon – tactile paving – this relates</p>	<p>Priority scheme</p> <p>Priority scheme</p>
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------

	<p>only to Canewdon Parish (not Ashingdon and Stambridge as stated in the report).</p> <p>GS to provide engineers with the Panel's priority schemes and when the 2017/18 budget is confirmed work can commence.</p> <p>Lark Hill Road, Canewdon. Cllr Cutmore asked about the possibility of illuminated horse warning signs in this area as the current sign has had no effect on driving speeds. The Police have not confirmed support for a reduction in the speed limit for Lark Hill and written support would be required. GS could then raise the matter with the Network team. EH advised that due to the rural nature of the road it is a designated derestricted limit.</p>	
Rangers Work Summary/ Section 106 Schemes	<p>Highways Rangers Rangers coming under RDC control – S Scrutton. Hockley Parish Council had had outstanding issues of overhanging vegetation and instances of members of the public cutting it back themselves.</p> <p>The Panel was advised that the Ranger service is being reviewed in terms of how work is prioritised. Currently, works are given higher priority if considered a defect under the maintenance strategy.</p>	
Any other business	<p>Cllr Maddocks raised concerns about accidents and near misses surrounding the zebra crossing outside the shops on Eastwood Road. GS to look into location and possible recommendations.</p> <p>The revised LHP terms of reference have been released and would be sent by a link to all Panel Members, District Councillors and</p>	G Speller

	<p>Parish Clerks.</p> <p>(1) Cutmore – Alley Ashingdon road to Wheatley Close. Sign – go through Panel. No cycling sign.</p> <p>(2) Car park outside Golden Cross - complaints of parking on the pavement area – Cllr Cutmore to email GS.</p> <p>(3) GS was asked to provide a document showing definitions of types of roads, SC advised that this is covered in the Members Guide.</p> <p>(4) AOB items should be raised only with permission of the Chairman, notified in advance of the meeting.</p>	
Date of next meeting	Thursday 23 March at 2 pm	

The meeting started at 2 pm and ended at 4 pm.

ROCHFORD DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 23rd MARCH 2017 APPROVED WORKS PROGRAMME

The following schemes added to the Approved Works Programme show which schemes have been previously allocated by the Rochford LHP and their current status within it. The report has been broken down into financial years for ease of reading.

The section titled 'Previously Allocated to the Rolling Programme for 17/18' shows the schemes that were previously commissioned **60% over** the original LHP budget and are currently ready to go forwards into the 17/18 programme. The section titled 'New Potential 17/18 Schemes' is a list of the potential schemes highlighted by the panel in the December meeting that they would like to be added into the 17/18 deliverable programme.

The LHP budget is set at £214,000 for the 17/18 financial year. Already £15,000 has been allocated previously to the rolling programme as well as £62,000 being deducted for Casualty Reduction schemes leaving £137,000 deliverable budget left for allocation for 17/18. This leaves a total of up to £85,600 (a reflection of a 40% over allocation) available to allocate to schemes to move into the 18/19 rolling programme.

Rochford District Approved Scheme List 2016/17

Key:

Completed Schemes
Cancelled Schemes
LHP Priority Scheme

Ref	Scheme	Estimated Finish	Activity Code	Works Description	Current Stage	Allocated Budget	Additional Comments
-----	--------	------------------	---------------	-------------------	---------------	------------------	---------------------

2013/14 Budget

1	Magnolia Road 20mph limit	Quarter 3	LROC001004	20mph speed limit	Completed	£20,000	Scheme complete, awaiting UKPN connection, this has now been escalated to chase.
2	Hullbridge Road, Hullbridge (Lubbards Farm) WORKS	Quarter 4	LROC142011	Shared cycle / footway running from Lubbards Farm down to Lower Road, Hullbridge	Completed	£325,900	Complete, one more sign to be installed in December.
3	Ferry Road and Pooles Lane, Hullbridge	April 2017	LROC142023	Install a 20mph limit along Ferry Road and Pooles Lane	In Progress	£3,350	Objections received causing a delay to the scheme. Due for installation on the 3/4/17.

2014/15 Budget

4	Fairglen interchange - junction of A1245 and A127	January 2016	LROC152005	Install yellow box markings at the junction of A1245 (southbound) and A127	Completed	£10,000	Complete.
5	Canewdon, Ashingdon & Stambridge	March	LROC152012	Weight restriction signs and TRO's are inconsistent with current signage. A review is requested for all existing weight restriction signage and access to Baltic Wharf	Completed	£5,000	Complete.
6	Rawreth Lane and Laburnum Way	June 2016	LROC152020	Design and topographical study for highway and drainage improvements at location to prevent future flooding on Rawreth Lane junction with Laburnum Way	Completed	£10,000	Complete.
7	Golden Cross Parade, Ashingdon Road	August	LROC152045	Option 1 from feasibility to install new signs and lining as per drawing DC3199/1200/001	Completed	£5,000	Complete.

8	Barling Road, Barling	June 2016	LROC153001	To investigate the installation of a footway along Barling Road, Barling	Completed	£5,000	Complete.
9	Lower Road, Hullbridge	December	LROC153003	Feasibility study to investigate the possibility of providing a footway to aid the public access from the allotments to Wadham Park	Completed	£5,000	Design complete, land ownership to be resolved In 17/18 with view to implement in 18/19 financial year
10	Ferry Road, Hullbridge opposite Waxwell Road	June 2016	LROC153004	To investigate the excessive gradient of the footway from the building line down towards the carriageway. Concerns raised that currently difficult for mobility scooters to negotiate and are forced to use the road for fear of toppling over	Completed	£4,000	Complete.
11	Rayleigh Town Centre Modelling - Additional	March 2016	LROC152057	Following the results of the Rayleigh town centre modelling, additional funding was unanimously agreed by the panel to undertake an additional study to look into the feasibility of a possible one way system along Websters Way adjacent to the high street	Completed	£6,000	Complete.

2016/17 Budget

12	Kingswood Crescent, Rayleigh	2017/18	LROC162004	Following a detailed design, works to grasscrete 7 x areas along Kingswood Crescent	Next Financial Year	£4,400	Following a consultation with the residents of Kingswood Crescent who have responded with a unanimous 'no' to this scheme, it is strongly recommended the panel cancel this from next years programme.
13	High Street zebra crossing, Great Wakering	December	LROC162053	Street lighting feasibility study to be undertaken as zebra crossing lighting is in need of upgrading	Completed	£3,000	Feasibility study is now complete, cost estimates for the upgrade are now in the potential schemes list for allocation.
14	Bedloes Avenue, Rawreth	Mar-16	LROC162043	Feasibility study to investigate the best use of available space for resident parking	Completed	£3,000	Complete.
15	Stambridge Rd, Rochford	Jan-16	LROC162024	Installation of school warning signs on both approaches to the school	Completed	£2,500	Complete.
16	High Street, Great Wakering	February	LROC162007	Feasibility study to look into the Installation of a pedestrian refuge to aid pedestrians crossing the road from the Bell House OAP home to local amenities	Completed	£4,000	Complete.
17	Ashingdon Road, Rochford	February	LROC161005	Locations highlighted from Safer Roads Team. Large amount of locations running all the way along Ashingdon Road through Rochford	Completed	£55,000	Panel have agreed £25k top-up to deliver phase 1 this year. Phase 1 is now complete. Phase 2 for delivery in 17/18 following panel allocation or remaining funding in potential schemes list.

18	Hambro Hill / Upper Lambricks	Quarter 3	LROC161003	Southeast bound – provide a 'bend ahead' warning sign to accompany the '8% warning gradient' – also provide a 'SLOW' carriageway marking	Completed	£15,000	Complete. UKPN to return to light 1 x sign.
19	Cherry Orchard Way / Hall Road Roundabout	Quarter 3	LROC161002	Provide additional hatching at the end of the each approach lane flare to reduce roundabout circulatory width. Provide hatching around roundabout central island	Completed	£10,000	Complete.

Previously Allocated to the Rolling Programme for 17/18

20	Hyde Wood Lane, Canewdon	2017/18	LROC162026	Installation of 2 x horse warning signs. One to be erected at the back of the give way sign at the Hyde Wood Lane / Brays Lane Junction. Other to be installed slightly further up Hyde Wood Lane	Next Financial Year	£2,000	
21	Rochford Garden Way, Rochford	2017/18	LROC162058	Works to replace three areas of grass verges with hard standing surface on the east side of Rochford Garden Way	Next Financial Year	£13,000	Scheme top-up required following completion of target costing. £6,000 has been added to the potential schemes list for panel allocation.

New Potential 17/18 Schemes

£15,000

22	Ashingdon Road, Rochford	2017/18	LROC161005	PHASE 2. Number of areas highlighted by the Casualty Reduction Team along Ashingdon Road. Works range from junction kerb adjustments, tactile paving to improved signage	Next Financial Year	£55,000	
23	Rawreth Lane and Laburnum Way - Culvert Works	2017/18	LROC152064	Drainage/highway improvements due to continuous flooding of roadway ditch	Next Financial Year	£7,000	Land issues resolved 17/18 with view to deliver in 18/19.
24	High Street zebra crossing, Gt Wakering	2017/18	LROC162079	Zebra crossing task lighting upgrade to bring the current crossing up to standard. Tactile paving is also to be replaced	Next Financial Year	£25,000	
25	Hanover Bridge, Watery Lane /Beeches Rd, Hullbridge - Weak Bridge Signage	2017/18	LROC162081	Advance weight restriction signage to warn HGV's of the weak bridge at the junction with Beeches Rd & Watery Lane (Hanover Bridge). Current signage is not correct and several breaches of the current order have been reported by Trading Standards	Next Financial Year	£3,000	
26	Barling Road, Barling - Footway	2017/18	LROC153042	Installation of a footway along Barling Road, Barling	Next Financial Year	£33,000	

£123,000.00

ROCHFORD DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 23rd MARCH 2017 POTENTIAL CAPITAL SCHEMES

As seen in the Approved Works Programme, the panel have highlighted their schemes for delivery in the 17/18 financial year and they have been added to the programme. The remaining schemes can be allocated up to the value of £85,600 to form the rolling programme for the 18/19 financial year.

If the panel feel that any of the following potential schemes should be on the 17/18 deliverable programme, this should be highlighted at this stage although this will result in schemes, up to the value of the change, returning onto the potential schemes list.

The following list identifies all of the scheme requests which have fed into the Rochford LHP. The RAG column acknowledges what the status of the scheme request is as below:

= The scheme has been validated as being feasible and is available for consideration.

= The scheme has been commissioned for a feasibility study and is awaiting completion before consideration and allocation can be undertaken.

= The scheme request is against ECC criteria.

= A scheme request has been received and is in the initial validation process.

Potential Revenue

Potential Revenue

Total Value of schemes	£1,000
------------------------	---------------

Ref	Location	Description	Parish	Scheme Category	Cost Code	Estimated Cost	Comments
1	Larkhill Rd, Canewdon - Road Safety Assessment	Road Safety Assessment along Lark Hill Road following concerns of local residents	Canewdon	Traffic Management	LROC172086	£1,000	The assessment can be allocated against although the panel should be aware that this will be unlikely to have any effect on a speed limit change as average speeds are already recorded at 42mph.

Safer Roads

Total Value of schemes	£3,000
-------------------------------	---------------

Ref	Location	Description	Parish	Scheme stage	Cost Code	Allocated Budget	Comments	RAG
1	Brays Lane & Apton Hall Road, Ashingdon - CR Signage	Addition of 'Crossroads Ahead' and 'Road Narrows Ahead' for the east of the junction for westbound traffic	Ashingdon	Total scheme	LROC161022	£3,000	Recommended to install this advance warning signage. There is plenty of verge space to install the required signs and would aid in further safety at this junction.	G

Traffic Management

Total Value of schemes	£114,500
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Twyford Avenue, Great Wakering - Grasscrete	Request to install grasscreting along Twyford Avenue	The grass verges are being chewed up and destroyed by vehicles in this narrow road	Great Wakering	Total scheme	LROC152063	£8,000	At the first part of the road the verges have been concreted to avoid the constant damage to the grass. Recommended that the remaining verges from no 8/10 to 18/22 be concreted. Beyond this there is off street parking and the problem does not occur as severely.	G
2	Stambridge Road, Rochford - 30mph Repeaters	Request to look at the limit around Stambridge County Primary School.	Historical designs show that a 30mph limit was implemented and has been consulted. This area needs checking to see if appropriate signage is correct and up to standard	Stambridge	Total scheme	LROC152065	£5,000	Recommended to install 30mph repeater roundels due to the lack of street lighting in this area to make the 30mph limit clearer to drivers.	G
3	Hyde Wood Lane, Canewdon - Laybys	A request has been received to look into the lack of signage & kerbing at the laybys along Hyde Wood Lane	Lack of signage & kerbing at the laybys along Hyde Wood Lane	Canewdon, Ashingdon & Stambridge	Design	LROC162067	£3,000	Although possible, with very low accident rates and potentially high construction costs consideration must be given as to the value for money of the scheme. If the panel wish to proceed it is recommended to proceed with a design to work out construction costs.	G
4	Sutton Road j/w Shoplands Road - Roundabout	Investigation into visibility issues at the junction of Sutton Road & Shoplands Road	This junction is situated on a corner along Sutton Road which makes turning right into Shoplands Road a safety concern due to restricted visibility of oncoming traffic on the opposite side of the carriageway	Sutton Parish Council		LROC162070	TBC	In validation.	V
5	Hullbridge Road, Rawreth - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Currently there does not appear to be any task lighting other than the existing street lights that are lighting up the crossing point	Rawreth	Feasibility	LROC162073	£4,000	Recommended to carry out a street lighting feasibility report to ascertain what works are required to bring the crossing up to standard to improve pedestrian safety.	G

Traffic Management

Total Value of schemes	£114,500
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
6	Southend Road opp White Heart, Hockley - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Currently there does not appear to be any task lighting other than the existing street lights that are lighting up the crossing point	Hockley	Feasibility	LROC162074	£4,000	Recommended to carry out a street lighting feasibility report to ascertain what works are required to bring the crossing up to standard to improve pedestrian safety.	G
7	Southend Rd, Hawkwell - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Currently there does not appear to be any task lighting other than the existing street lights that are lighting up the crossing point	Hawkwell	Feasibility	LROC162075	£4,000	Recommended to carry out a street lighting feasibility report to ascertain what works are required to bring the crossing up to standard to improve pedestrian safety.	G
8	Spa Road, Hockley - Zebra Lighting Upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improved task lighting to bring them up to standard	Currently there does not appear to be any task lighting other than the existing street lights that are lighting up the crossing point	Hockley	Feasibility	LROC162076	£4,000	Recommended to carry out a street lighting feasibility report to ascertain what works are required to bring the crossing up to standard to improve pedestrian safety.	G
9	Bedloes Avenue, Rawreth	To investigate the lack of residential parking	Bedloes Ave is a very narrow road. When vehicles are parked the road becomes very difficult to negotiate and HGV's get held up	Rawreth	Total scheme	LROC162077	£38,000	Estimated cost to deliver additional parking is £38,000. It is recommended to proceed to detailed design and implementation.	G

Traffic Management

Total Value of schemes	£114,500
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
10	High Street, Great Wakering	Feasibility study to look into the installation of a pedestrian refuge to aid pedestrians crossing the road from the Bell House OAP home to local amenities	The 'Bell House' hold around 41 elderly people who find it very difficult crossing the main road to access the post office, barbers, café and bus stop	Gt. Wakering		LROC162078		Not recommended to proceed with this installation at this time as although physically possible the PV2 survey score was very low demonstrating that very few pedestrians cross in this location.	R
11	Rochford Garden Way, Rochford	Works to replace three areas of grass verge with hard standing surface on the east side of Rochford Garden Way	Many residents do not have off street parking, road is narrow therefore parking cars churning up grass verges	Rochford	Implementation	LROC162058	£6,000	Previously allocated funding (£13,000) from the 2016/17 budget for delivery following a detailed design. Target costing has now been completed and a further £6,000 is required to fully deliver this scheme in the 17/18 financial year.	G
12	Southend Rd j/w Wakering Rd & Barling Rd - Roundabout	Issues have been raised with the current layout of the existing roundabout. A study has been requested to look into improvements at this location	Problems with traffic taking a shortcut across the roundabout and driving the opposite way round as well as lack of advance signage on all approaches	Great Wakering		LROC162082	TBC	In validation.	V
13	Canewdon, Ashingdon & Stambridge - Weight Limit Review	Signage and TRO Review	All weight restriction signs and TRO's are inconsistent with current signage. The local Police Officer has also been in contact regarding the inconsistent signage.	Canewdon, Ashingdon & Stambridge	Implementation	LROC162080	£38,000	Recommendations from previously commissioned feasibility study. New 7.5tonne weight limit restriction on Hyde Wood Lane, Scotts Hall Road, Gardeners Lane and the installation of up to 30 signs in various locations indicated in design.	G

Traffic Management

Total Value of schemes	£114,500
------------------------	----------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
14	Barrow Hall Rd j/w Little Wakering Rd - Give Way Sign	Addition of a 'Give Way' sign and lining at the junction with Barrow Hall Rd and Little Wakering Rd	Currently no 'Give Way' signage is in place or corresponding lining at the approach to this junction.	Great Wakering		LROC162083	TBC	In validation.	V
15	Sholpland Road, Sutton - SLOW Marking	'SLOW' marking has been requested to give drivers further advanced warning of the bend ahead	Although well signed with yellow backed signage and chevrons there is currently not a 'SLOW' road marking ahead of the Butlers Gate bend	Sutton	Total scheme	LROC162084	£500	Recommended to install 'SLOW' markings adjacent to the yellow backed warning signs ahead of the Butlers Gate bend. Scheme is to be combined with other lining works in the area.	G
16	A129 Londond Road, Rawreth - Traffic Island	Request for the addition of a traffic island following many near-misses at the dedicated right turn lane	While vehicles are waiting to turn right there have been many cases of near-miss head-on collisions with vehicles traveling in the opposite direction	Rawreth		LROC172085	TBC	In validation.	V

Walking

------------------------	-----------------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Lower Road, Hullbridge - Footway	Feasibility study to investigate the possibility of providing a footway to aid the public access from the allotments to Wadham Park	The existing path tapers off and pedestrians are made to walk in the carriageway	Hullbridge	Implementation	LROC153044	£7,000	Recommendation following a detailed design, estimated cost of £38,000 for scheme delivery. Due to potential land issues it is recommended to allocate £7,000 this year to resolve land issues and complete design in year 1 with view to allocate the remaining funding for delivery in year 2.	G
2	Poynters Lane, Great Wakering - Footway	Installation of a footway	No footway for pedestrians to walk from Poynters Lane to Shoebury Road	Great Wakering	Implementation	LROC153002	£182,000	Detailed design complete with target cost returned of £182,000 for delivery.	G
3	Gt Wakering High Street - Tactile Paving	Addition of pram crossings and tactile paving at 7 locations along Gt Wakering High Street at junctions with Brougham Close, Alexandra Rd, Lee Lotts, Twyford Ave, Crouchmans Ave, Mercer Ave & White Hall Rd	Currently crossings do not have tactile paving at the uncontrolled crossing points. This addition would aid the visually impaired while negotiating the busy high street	Great Wakering		LROC163016	TBC	In validation.	V
4	Lambourne Hall Road, Canewdon - Tactile Paving	3 locations have been identified that would benefit from the addition of tactile paving along Lambourne Hall Road. The uncontrolled crossing point outside of Canewdon Endowed Primary School, the junction with Althorne Way and at the entrance to the Village Hall	Currently crossings do not have tactile paving at the uncontrolled crossing points. This addition would aid the visually impaired when attending the school and the Village Hall	Canewdon, Ashingdon & Stambridge		LROC163015	TBC	In validation.	V

5	Church Rd, Hockley - Footway	Installation of footway from the new development along Church Lane to the railway bridge	Following the addition of a small section of footway to enable access to new homes other residents in the road have requested the footway is extended	Hockley		LROC173017	TBC	Recommended not to proceed with this request. The highway is already at minimum width and any additional footway would require land dedication from all residents as well as extraordinary cost due to possible services and relocation of telegraph poles.	R
