

Decision Notice

Duty to Consult on Street Tree Felling

Consultation Number: BRAI034373

Notice was given under S115 of the Environment Act 2021 and 96A of the Highways Act 1980 that this tree is proposed to be felled.

The objections submitted in relation to the notice have been reviewed, with comments focusing on the suitability of the proposed crossover location. As the site offers limited options for an alternative crossover due to Highway constraints, and as the tree is unlikely to be suitable for long-term retention in such close proximity to a building, the felling will proceed as proposed.

Replacement planting will be carried out in the next available planting season after the tree has been removed (November to March inclusive) and will be maintained to aid establishment.

Date of decision notice: 30th September 2026
