

Decision Notice

Duty to Consult on Street Tree Felling

Consultation Number: CHE22459

Notice was given under S115 of the Environment Act 2021 and 96A of the Highways Act 1980 that this tree is proposed to be felled.

There have been no objections received towards this tree removal and all reasonable alternative solutions before removal were considered. However, we find that felling is necessary at this location.

Replacement planting will not be carried out at this location. However, a replacement tree will be provided at an alternate location with a point plotted on our tree management system. This location will be utilised by the Essex Forestry Initiative.

Date of decision notice: 22 October 2025
